

SAFE, CARING AND INCLUSIVE SCHOOL COMMUNITIES

Page 1 of 2

CONTEXT:

In accordance with international, federal, and provincial laws and protocols, schools must be safe, compassionate and inclusive communities of learning. The B.C. Curriculum Core Competencies, and Ministerial Order 276/07 (M341/16) mandate the need for specific school and district-based systems that maintain and enhance positive and respectful climates within all schools. The Board strongly upholds the “recognition of the inherent dignity and the equal and inalienable rights of all members of the human family is the foundation of freedom, peace and justice in the world.” (Preamble UN Universal Declaration of Human Rights.)

POLICY STATEMENT:

The Board supports all and any actions that contribute to the establishment and maintenance of a safe, compassionate and inclusive school community as outlined in international, federal and provincial rights legislation. Active and persistent work to teach, model and encourage positive social behaviour is expected at all levels of our organization.

GUIDING PRINCIPLES:

The Board believes that:

1. All schools must provide a positive, responsive, safe, compassionate, and inclusive environment for all learners.
2. Educational equity is paramount and we must recognize and celebrate diversity in our schools and community.
3. School Districts must work with all community partners to actively develop and collaboratively maintain protocols that support safety and inclusion while protecting against any violence or safety concerns.

The Board expects that:

1. Each school will establish procedures, protocols and practices that create and enhance safe, compassionate and inclusive environments. These will be evident in each school's code of conduct.
2. Incidents compromising the safety of students will be responded to in a timely, fair and reasonable manner.
3. Wherever possible, responses and interventions to incidents that compromise safety will be restorative; meaning they will repair harm, strengthen relationships and enhance a sense of belonging to school and community.
4. District wide professional learning for educators will continuously provide best practices.
5. All staff who work directly with students shall have access to training on the impacts of trauma.
6. The right of individuals to be different, and to consider themselves different will be respected as long as their individual expression does not compromise a safe, compassionate and inclusive environment.

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 700
SAFE, CARING, AND INCLUSIVE SCHOOL COMMUNITIES

Purpose

These Administrative Procedures are written in support of Policy 700: Safe, Caring, and Inclusive School Communities.

This administrative procedure is explicitly directed toward the conduct of students in their interaction with other students. Also included in this administrative procedure is the bullying, intimidation, discrimination, harassment, or violence toward adults by students.

Bullying, intimidation, discrimination, harassment, or violence by adults toward students or of adults by other adults are similarly prohibited but are governed by procedural guidelines in other school district administrative procedures - Collective Agreements, Human Rights and Workers Compensation Legislation and in *the Criminal Code of Canada*.

School Codes of Conduct

The Board of Education believes that a Code of Conduct with broad support of the students, parents, teachers, staff and administrative personnel greatly contributes to a safe and effective learning environment. The Board of Education also believes that there should be ongoing communication and consultation regarding behavioral expectations of students within the school community.

The Board of Education supports the values expressed in the *BC Human Rights Code* respecting the rights of all individuals in accordance with the law – prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical and mental disability, sex, sexual orientation, gender identity or expression, and age.

Principals and Vice-Principals shall establish, with the involvement of students, parents, and staff a Code of Conduct for the school. This Code of Conduct shall be in compliance with the *Provincial Standards for Codes of Conduct Order [Ministerial Order 276/07(M341/16)]*.

1. This code shall establish expectations for student conduct:
 - a. within the school facility in all school programs and activities
 - b. outside the school facility in all school programs and activities
 - c. going to and from school, when the school deems it to be appropriate
2. Principals and Vice-Principals have the overall responsibility to see that Codes of Conduct are enforced and have paramount authority for the discipline of students.
3. All adults in the school are expected to be vigilant and to act thoughtfully and responsibly in ensuring the safety and security of the students and the building.
4. Strategies are to be in place for active teaching and promotion of the behavioural expectations outlined in the Code of Conduct.
5. Significant breaches of the Code of Conduct and related disciplinary/restorative responses will be noted in the district student information system.
