What Graduates Need to Know:

Not every look is timeless. Take time to think about your look for your photo session. These are photos you and your family will look back on for years to come.

Ladies, please wear a tank type top that will not be visible in the V neck of the gown or if you prefer, a white collared shirt or color that will match the gown.

Gentlemen, please wear a collared dress shirt and tie that will match the gown. If you do not have one we have a loner, however it is preferable to bring your own.

Everyone, please be sure your hands and nails are looking their best as they will show in some poses!

Be Your Best Self! Along with traditional Cap & Gown portraits, we'll photograph casual and vintage black & white portraits. Come prepared to show off your talent, hobby or whatever makes you unique with props or instruments that can be included in your causal portrait. Photographers have final say on what are deemed appropriate as props! Please arrive 10 minutes ahead of your appointment to do any last minute touch-ups and check-in. Take a minute to connect with us on social, @edgeimaging, and share our experience.
