## Housekeeping Notes

**\*Due to safety reasons, please note that all wheelies ( shoes with wheels embedded) will be banned from school.**

**\* When entering the school, please report to the office first, sign in and wear a name tag, if you are working in a classroom. If you are dropping something off for your child, please report to the office.**

**\* To all parents that have not yet paid for their School Supplies for 2023 - 2024 please make your payment asap, as teachers are unable to make classroom purchases without full payment. As always, should this expense cause undue stress, please reach out to Lesley. Thank you**

Dear Parents and Guardians,

We hope this newsletter finds you well and enjoying the arrival of spring! As we settle back into the school routine after a rejuvenating Spring break, we are thrilled to share some exciting updates about our students and upcoming events at EOES.

Firstly, we want to extend our gratitude for your support in ensuring a smooth transition back to school for our students. It has been wonderful to see them return with energy and enthusiasm, ready to dive back into their studies and extracurricular activities.

Speaking of extracurricular activities, we are thrilled to announce the launch of several new clubs at EOES! Our students now have the opportunity to participate in Bike Club, Cross Country Club, and Badminton Club. These clubs provide a fantastic opportunity for students to explore their interests, develop new skills, and build lasting friendships. We encourage all interested students to sign up and get involved!

Additionally, we would like to remind you that our popular Kids Talk program will be wrapping up on April 22nd. We have been incredibly impressed by the thoughtful discussions and insights shared by our students throughout this program. Thank you to everyone who has participated and contributed to its success!

Looking ahead, we have a calendar full of exciting events and activities planned for the coming weeks. From field trips to guest speakers, there will be no shortage of opportunities for our students to learn, grow, and have fun. We encourage you to stay informed about all our upcoming events by regularly checking our school website and communication channels.

Lastly, we want to remind you about our upcoming Student-Led Conferences scheduled for April 24th and 25th. These conferences are a valuable opportunity for students to take ownership of their learning and showcase their progress to you, their parents. If you have not yet received information about these conferences, please reach out to your classroom teacher as soon as possible.

As always, we are grateful for your ongoing support and partnership in your child's education journey. If you have any questions or concerns, please do not hesitate to reach out to us.

Sincerely, Lesley LaCouvee – Principal EOES
