

HEALTH AND SAFETY OF EMPLOYEES IN THE WORKPLACE

Context

Provincial standards through The School Act, WorkSafe BC and Labour Agreements insist that a work/learning place be safe and healthy for all. Consistently working to maintain high quality of safety and health lead to more secure and productive work/learning environments. These principles are consistent within other District policies regarding personnel (600), respectful workplaces and attendance support (603); for students' safe, caring and inclusive school communities (700), and student discipline (701)

Policy Statement

The Board recognizes that the health and safety of all employees and students is of primary concern and is therefore committed to providing a safe working and learning environment. We strive to provide excellence in maintaining health and safety in our work/learning spaces.

Guidelines

1. All Health and Safety programs enacted through contractual and WorkSafe regulation will be established, monitored and reviewed.
2. All reasonable steps will be taken to prevent injury and ill-health.
3. As a community, we will promote health and safety in accordance with provincial health guidelines and expectations.
4. All biohazards will be identified and handled according to the Biohazard Exposure Plan – Safe Removal of Sharps Needles.
5. Facilities maintenance and upgrading will consider enhancements that increase the health and safety for workers and learners.
6. Anyone who disrupts the safe proceeding of a school or school function will be subject to section 177 of the School Act (Maintenance of Order).
7. The Board prohibits the use or consumption of impairing substances at work or in the workplace.

PURPOSE

The purpose of these Administrative Procedures is to set out the roles and responsibilities for health and safety within the School District, as per policy 801: Health and Safety of Employees in the Workplace.

KEY PRINCIPLES FOR MANAGING HEALTH AND SAFETY

Health and Safety Program

A health and safety program is designed to provide a safe and healthy working and learning environment through a practical system of procedures and practices for:

- a. the prevention and elimination of hazards to people (employees, students and members of the public), equipment and property damage, machinery and environment;
- b. situations which will assist and enable all employees to work at minimal risk to themselves, fellow workers, students and members of the public;
- c. providing reliable information so employees can successfully fulfill their health and safety responsibilities;
- d. providing a consistent approach to health and safety throughout the School District;
- e. establishing health and safety standards as a baseline for evaluating the School District's performance against legal and regulatory requirements;

A formal health and safety program is required when an employer has 50 or more employees. Core components of a health and safety program include:

- a. Occupational Health and Safety policy;
- b. regular inspections;
- c. written instructions;
- d. management meetings;
- e. investigations;
- f. records and statistics;
- g. instructions and supervision of workers.

Incident Prevention

Incident prevention is the process of reducing or eliminating behaviours and/or conditions that have the potential to cause injury, harm or property damage within a workplace and learning environment.

Due Diligence

1. Due diligence is the level of judgement, care, prudence, determination, and activity that a person would reasonably be expected to do under particular circumstances.

2. When applied to health and safety, due diligence means that employers shall take all reasonable precautions, under the particular circumstances, to prevent injuries or incidents in the working and learning environment. This duty also applies to situations that are not addressed elsewhere in the Occupational Health and Safety legislation.
3. Due diligence is demonstrated by the actions that are taken before an event occurs, not after.

ROLES AND RESPONSIBILITIES

1. The Board of Education will take all reasonable steps to:
 - a. endeavor to provide and maintain a healthy and safe working and learning environment;
