In order that the policy of the board is followed to ensure as far as possible that the best value is obtained for dollars expended, all personnel who are delegated some responsibility for purchasing will observe the guidelines provided below.

General Guidelines

Definitions of varying methods of procurement described below, and the decision to use any particular form will depend on the complexity of the requirement, the monetary value, and the urgency.

Purchasing Decision Matrix				
	Determination of Supplier		Payment Process	Approver
	Quote	Tender		
< \$1,000	N	N	Purchasing Card/Expense Claim with Receipts	Local
> \$1,000	Verbal	N	Invoice	Local
> \$5,000	Written	N	Invoice	Local
> \$10,000	Written	N	Invoice	Secretary Treasurer or designate
> \$25,000	N/A	Non-Advertised	Non-Advertised Tender	Secretary Treasurer or designate
> \$50,000	N/A	Public	Public Tender	Secretary Treasurer

Use of Requisitions (Requests for Purchase Orders)

All supplies, services, and equipment being purchased over \$1000 must be covered by a requisition initiated by the school or district department. Individual staff members are not to place orders other than by this method. This requisition is in a form that becomes a purchase order when signed by the secretary-treasurer or designate. The only exceptions to this requirement are as follows:

- a. With prior authorization from their supervisor/Principal, employees may purchase items through petty cash or purchasing card.
- b. Purchases may be made through school trust accounts for home economics and industrial education consumable supplies, with reimbursement claimed by submission of a Reimbursement Requisition form with receipts attached.
- c. Gas and fuel refills.

Exceptional Circumstances

The secretary-treasurer may authorize the immediate purchase of any item or service without recourse to the provisions of this procedure where:

- staff, student or public safety is in question;
- purchase will prevent damage to School District facilities;
- essential services will be restored; and/or,
- essential physical plant services will be restored.

It is not necessary to tender or go through the quotation process for purchases of used items and legal services.

Determination of Suppliers

Purchasing Card Program

The Purchasing Card Program is not intended to avoid or bypass purchasing policies and procedures as outlined in these regulations. Instead, it is intended to provide flexibility and autonomy to the user while complementing current existing purchasing procedures and payment guidelines. Unlike personal charge cards, the P-Card Program incorporates controls over certain types of expenditures. These controls ensure that the P-Card can only be used with specific types of merchants and within specific dollar limits.

Quotations Process

- a. Request for quotes can take the following forms:
 - i. Written quotations from three or more sources in response to a written request. Responses may be submitted by fax or email;
 - ii. Verbal quotations given by two or more supplier representatives, usually by telephone. Such quotations are to be recorded by the requester and retained with the purchase order;
- b. All things being equal quality and suitability preference shall be given to local firms, then BC and then Canada. Local and provincial firms which have previously supplied the school district will continue to be given the opportunity to provide quotations on items similar to those which they normally supply. Should a school or department wish an exemption from requesting quotes from previous suppliers, approval must first be obtained from the secretary-treasurer.
- c. Quotations must be solicited from a minimum of three (3) suppliers, except when less than three (3) are known. If assistance is required with the names of potential suppliers, contact the School Board Office, Maintenance Department, or Learning Resources Centre as appropriate.
- d. Quotation forms may be forwarded to suppliers either direct or through the School Board Office.
- e. Copies of quotations received must be kept with the purchase documentation for later verification.

- f. The requisition must include the date of the quote and other pertinent details, such as whether or not delivery cost is included in the price. Incomplete requisitions will not be approved.
- g. If quotations are obtained from less than three suppliers, or if purchase from other than the low bidder is recommended, a memorandum of explanation must be kept with the purchase documentation.

Petty Cash Administration

The policy on the use of Petty Cash is as follows:

- a. Petty cash will not be used without prior approval of the principal.
- b. Petty cash will be reimbursed ONLY if submitted within thirty (30) days of the purchase.
- c. To reduce the administrative burden created by the use of petty cash, school principals will set and monitor the limit of purchase using petty cash.
- d. There will be no administration conducted by accounts staff to obtain tax rebates on petty cash purchases.
- e. Schools and departments are to submit a remittance form on a bi-weekly schedule.
- f. This policy does not apply to the purchase of equipment and technology hardware/software as these purchases should be made through the Information Technology and/or Operations and Maintenance departments.
- g. Suppliers with poor performance records should have their vendor registration revoked for periods of time. To enable this to be defensible, schools should send documented instances to the warehouseman for compilation.

Tender Process

Tenders are offers made by firms which have been invited to submit tenders, in sealed envelopes, for goods or services; these tenders are received before a closing date and time specified in the "Invitation to Tender" document. The formality of this procedure ensures that the tender of a supplier is not disclosed to competitors before the closing date specified in the "Invitation to Tender".

Receiving of Tenders

- a. Sealed tenders, clearly marked with the tender number or title, will be received by the appropriate member of senior management as outlined in the bid process. The method of delivery to accomplish this is the responsibility of the bidder. Tenders received after the closing time will be returned unopened. Faxed or emailed tenders will not be accepted.
- b. Tenders will be opened publicly immediately following the tender closing.
- c. Bidders wishing to obtain competitors' bid information must attend the tender opening. Bidders not attending the opening can request information through the Freedom of Information Act.
