SCHOOL GENERATED FUNDS

Purpose:

The purpose of this administrative procedure is to reinforce the importance of the control of cash generated by school activities.

Procedure:

Cash and cheques (hereinafter referred to as cash) represent one of the greatest risks of asset loss to the "School Generated Funds" environment. It is extremely important to establish and maintain strong internal controls and procedures for the handling of cash to guard against loss and misuse.

1. Control over Cash Receipts

The secretary/accounts clerk MUST keep track of fees assessed by fee type and by student. A running balance of amounts owed to the school by fee type must be available. All payments shall be receipted providing sufficient detail to confirm who made the payment, for what reason, and in the amount paid. The Principal is responsible to approve ALL reasons for cash being collected. Individual employees are NOT to engage in any form of fund raising without the prior approval of the Principal.

2. Cash Management

Cash collected by teachers and other employees must NOT be kept overnight in a desk drawer, filing cabinet and/or other similar storage facility. Cash must NOT be taken home. All cash, regardless of amount collected, must be turned into the office on a daily basis. At no time should there be more than \$1000.00 (one thousand dollars) in cash held on site. In all circumstances, cash must not remain on the school premises over a weekend and thus must be deposited each Friday. All cash on school premises prior to a deposit must be secured in a locked cabinet/safe. In unique circumstances, the Principal can vary this requirement provided sufficient cash security exists.

Adequate segregation of duties and restricted access to cash handling areas must be implemented, to the extent possible, to ensure the safeguarding of cash. Wherever possible, this should include the separation of the cash handling from the control and reconciliation of bank deposit receipts. Before cash is received by the secretary/accounts clerk or Principal, the funds are to be counted by the coordinator of the activity and recorded.

All cheques must be restrictively endorsed, i.e., "For Deposit Only", immediately upon receipt and the bank account number to be credited should also be entered on the reverse side of the cheque.

3. Control over Payments

All schools must have at least three (3) signing authorities registered at the bank. Signing authorities are NOT to sign blank cheques. Cheques should only be written to pay invoices that have been approved by the Principal (or designate) and have an account code. Do not use physical cash to pay bills, except as authorized through petty-cash. The full amount of cash received should be deposited directly into this bank account. Cash receipts shall not

be used for personal loans, cashing of cheques, making purchases, or for salaries, honoraria or travel/Pro-D reimbursements.

4. **Out of School Events**

If a school event is held outside the regular school days/hours, planning ahead on how/where to safeguard the cash collected for the overnight/weekend should be done in consultation with the Principal. This plan must include accounting for cash received by two individuals at the end of the activity.

5. **Ledger Accounts**

Cash receipts must be reviewed and reconciled to ledger accounts on a timely basis to ensure they have been correctly recorded. Accounting adjustments to ledgers must also be made on a timely basis.

Financial Monitoring

The Assistant Secretary-Treasurer shall conduct periodic reviews of school cash handling procedures as provided in this administrative procedure. Reviews may include periodic reviews of account activity, on site reviews of accounting records, or formal review by the School District auditor. Finding of such review will be shared with the Superintendent, Secretary Treasurer, and Principal.
