## **ADMINISTRATIVE PROCEDURE**

### **SPORTS/GROUNDS AREAS AND SCHOOL SITE PLAYGROUNDS**

Page 1 of 1

#### **PURPOSE**

The Board of Education believes that sports/grounds areas and school site playgrounds contribute significantly to the overall physical development of the child and should be built in collaboration with the community, parents, support staff and teachers from the school involved.

#### **PROCEDURES**

1. The proposed design for a sports/grounds area and/or school site playground must be submitted to the General Manager of Operations for review as to appropriate construction methods and to the Health and Safety Committee for review.
2. The General Manager of Operations, in consultation with the school Principal, will approve a location for the sports/grounds area and/or school site playground that will not impede future development to a school nor conflict with existing underground services.
3. The General Manager of Operations will periodically inspect the construction of the sports/grounds area and/or school site playground to ensure that appropriate construction and safety standards are met.
4. The General Manager of Operations and the appropriate inspection authorities, will provide a final inspection and will provide those building the structure with a written confirmation either accepting the structure or indicating any modifications required to make the structure acceptable.
5. The Board may support the building of a sports/grounds area and/or school site playground with its own equipment and/or materials where such support does not disrupt maintenance work schedules.
6. Work site to meet all Workers Compensation Board regulations and be subject to spot inspections.
7. Site will be subject to inspection by all applicable Inspection Authorities at any time.
