

STUDENT CATCHMENT AREAS – CROSS BOUNDARY TRANSFER

Purpose

The Board of Education has the responsibility to assign students to various schools in the School District, and authority to divide the District into areas for the purpose of assigning students to schools.

The Board of Education believes that, in general, students should attend schools designated by the Board for their particular attendance area. For purposes of school attendance, a student's residence shall be considered that of his/her parent(s) or legal guardian(s).

Parents may request permission for their children to attend schools outside their normal attendance area. Such a request may be made through submission of the Student Transfer Request form.

When such permission is obtained, parents will be expected to assume responsibility for transportation, or any additional costs incurred by granting of a cross-boundary transfer
