

Thank you for your interest in School District 69 (Qualicum)

How to apply to the spring rounds of postings if you are not a school district employee.

1. Submit a cover letter for each posting that you are applying for and a complete application package with documentation supporting the qualifications for any of the postings you are applying for.
 - Example: you could have 5 cover letters but only one resume with supporting documents.
2. Send one email with cover letters, resume and supporting documents attached to jobpostings@sd69.bc.ca.
3. It is very important that in the subject line of the email you put the posting number(s) you are apply for.
