For Immediate Release:

ADJUSTMENTS TO ADMINISTRATIVE STAFFING PLAN

Parksville, BC – April 16, 2018

The Board of Education for School District 69 (Qualicum) wishes to announce the following adjustments to the Administrative Staffing Plan distributed previously:

1. **Ms. Ixchel Bradley**, who had accepted the **Principal** position at **Arrowview Elementary School**, has rescinded her acceptance and will not be joining our district leadership team.
2. The Board congratulates **Ms. Autumn Taylor** on her reassignment to the role of **Principal at Arrowview Elementary School**. Most recently Ms. Taylor has served as Vice Principal at Springwood Elementary School. Ms. Taylor came to our district as an area counsellor in 2012 and served in that capacity with assignments at a number of sites including Springwood Elementary, Ballenas Secondary, Winchelsea Elementary and Arrowview Elementary. Prior to coming to our district, Ms. Taylor worked in the Edmonton Public School system including a two year stint as Assistant Principal in a school serving 300 learners with unique needs. The Board wishes Ms. Taylor well as she takes on this new leadership opportunity.
3. The Board is pleased to welcome **Ms. Heather MacLeod** to our district as a **Vice Principal** with an initial assignment at **Springwood Elementary School**. After beginning her educational career at international schools in Scotland and Uganda, Ms. McLeod returned home to Vancouver Island in 2009 and took on teaching assignments in the Alberni School District. Most recently she taught at the intermediate level at Wood Elementary School in Port Alberni. The Board is pleased to welcome Ms. McLeod back to her home community and excited about the skills and experiences that she will bring to her work with students, staff and parents in our district.
