tsunqwutun is a relative from the snuwuwus family. He is a language learner, a singer, and an artist of his nation. Our friend shares what it means to coast salish people: the importance of our relationship with our environment through song, dance, and hul'q'umi'num'. Recently completing his Masters in hul'q'umi'num', he has been working on his language for over 20 years. He is keen on sharing the magic that exists in this world through words, stories, songs and silence.
