

Arrowview Elementary School

March, 2019

Kindness Month

In February the school focused kindness. Some classes invited guests from our community to come in and others focused on spreading kindness within the

school with our Pink shirt day and compliments board. Intermediates spent some time working on team work during a very fun gym riot!

Congratulations

Congratulations to all of our volleyball players for a great season! We have another banner for our gym!

Cookie Dough

Our cookie dough fundraiser is in full swing! Contact Karen Tickell if you would like to purchase a tub or two– we have all the flavors available.

Mark your calendars...

Grade 7 Health Fair

May 2nd
Kindergarten
Orientation
5:30 to 6:30

Arrowview in Space!

Congratulations to Julia Chambers whose patch won one of two spaces in the Student Spaceflight Experiment Art competition. Julia's art work will be spending 4 weeks on the International Space Station.

AES Talent!

We hope you were able to come see some of our incredible talent at our talent show this year. The students had fun watching and performing. We had so much talent the show had to be spread over two days!

Thank you to our PAC

We want to extend a thank you to all parents who volunteer at the school. We appreciate all the hours that you put in to give students a great experience.

We need you!

We currently need volunteers to help out with our hot lunch program. If you have any time on Friday's to support please contact aeshotlunch@gmail.com.
