

PHILOSOPHY OF BEHAVIOUR

Our philosophy of behaviour and application of "Consequences for Misbehaviour" is progressive, and tempered with professional judgments. Intervention strategies and preventative measures are employed whenever possible. Helping students to see their mistakes, and solve their own problems is fundamental. Bowser parents can help by consistently reinforcing high behavioural expectations at home, and in the community. Please appreciate that no two incidents or children, are alike. In examining misconduct and consequences, many aspects are measured: age of the offender, repeat or first event and seriousness of the offence. Sometimes the pure facts cannot be isolated because a reliable witness cannot be found, or has forgotten important details. With the progressive approach, consequences are incremental: they progress from mild to serious as misconduct reoccurs, and as the students get older. We seek to respond with fairness, with offenders of like age, abilities and behavioural history. We strive to balance consequences with the gravity of the offence.

WE ARE A ZERO TOLERANCE SCHOOL

There is zero tolerance for violence, weapons, bullying, intimidation or harassment. As per Board Policy #7164, all reported incidents will be investigated. When confirmed the incident will be recorded on an Incident Report Form, parents contacted and copies of the form placed in student files. Parents of offending students will be required to meet with the principal at which time Board Policy #7164 will be explained fully. Offending students will be subject to a progressive series of Out Of School Suspensions (O.S.S.) as outlined in Board policy.

BC HUMAN RIGHTS

Our school supports the values expressed in the BC Human Rights Code respecting the rights of all individuals in accordance with the law - prohibiting discrimination based on race, color, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identify / expression, or age.

PREVENTION OF RETALIATION

All reasonable steps will be taken to prevent retaliation against a student who has made a complaint of a breach of a code of conduct.

SPECIAL CONSIDERATIONS

In application of our school's Code of Conduct, special considerations may apply to students with Special Needs if those students are unable to comply due to having a disability of an intellectual, physical, sensory, emotional or behavioural nature.

School officials may have the responsibility to advise other parties/agencies of serious breaches of the Code of Conduct (ie: parents, school district officials, RCMP, MCFD).

CODE OF CONDUCT

To ensure a safe environment, and to protect the rights of all, these four simple rules are in place at B.E.S.

1. **Be Safe**
2. **Be Respectful**
3. **Be Cooperative**
4. **Be Prepared**

It is our expectation that all people in our school will conduct themselves according to these rules. Through discussion and learning, staff and parents guide students to a better understanding of themselves, and work towards safe, respectful and cooperative relationship.

Student Use of Technology

At BES we recognize that technology and devices are important tools both for education and safety. We also insist upon a healthy and safe school community. Use of computers, cell phones, camera and/or other wireless communication devices is strictly under the direction and with the permission of the teacher. Good digital citizenry is expected throughout the BES campus. We strongly encourage play time to be social and active for our students. Devices are not to be out or used at lunch, recess or before or after school unless explicitly allowed by a teacher. Devices out on the school grounds without permission can be taken and held until parental contact is made.

If *heavy* rain begins after students are outside, two bells indicate "IN", and require all students to come inside. IN days: all students are expected to remain inside. Students should be in their classrooms, the library, the computer lab, or in club activities. Students should be sitting down and quiet, except in gym activities. An announcement will be made for IN days. **Skateboards, Roller blades, Scooters, Bikes, and Heelies:** For safety reasons we do not permit these vehicles to be ridden on the grounds at recess, and noon breaks, or before and after school. Helmets must be worn while on said equipment en route to and from school.
