

BALLENAS BULLETIN #8 APRIL 4, 2025

School Website: http://www.sd69.bc.ca/school/BSS

We would like to acknowledge that École Ballenas Secondary exists on the shared traditional territory of the Snaw'naw'as and Qualicum First Nations.

MESSAGE FROM THE ADMIN TEAM

Welcome to April, and welcome to Spring! We hope that this update finds everyone well, and enjoying the beginnings of brighter days and warmer temperatures. We are headed into the last few months of school. These are busy months, and months that we often refer to as one – "AprilMayJune" ...

We've had a busy lead up to and return from Spring Break. Here are a few highlights:

- Thanks to Leadership for organizing an amazing Spring Fling dance on March 13th
- Leadership is hard at work organizing some Spring events, such as the Carnival more details to come soon
- Soccer, track and field, and golf are all up and running/swinging
- Grade 12 students are gearing up for their Capstone presentations on April 23rd this is our first year presenting them in a more public setting
- The BC Lions <u>"Team Up to End Racism"</u> presentation will be held for Grade 8s next week we look forward to welcoming this group to Ballenas
- Ballenas Music is about to embark on a busy Spring season and we wish all students luck in their respective festivals:
 - April 9th: Vancouver Island Concert Band Festival in Port Alberni Experienced Band 8 & Gr. 9 Band students
 - April 10th: Vancouver Island Concert Band Festival in Port Alberni Sr. Concert Band
 - April 29th: West Coast Choir Festival at VIU in Nanaimo Choir Students
 - April 30th: West Coast Jazz Festival at VIU Jazz Band students
 - Course selection is now complete, and we are busy scheduling and planning for next year
- Art Club is back in action Thursdays at lunch! For a full list of clubs happening at BSS, check out our <u>website</u>!

As we begin to spend more time outside, we'd like to provide a quick update on the track from the Qualicum School District Operations and Maintenance Department:

The track project is on schedule. We originally had an aggressive schedule to try and get all the rubber running surface installed in calendar year 2024, however, we ran out of time due to the weather. The rubber can't be installed when there is any rain or any significant moisture in the air. We managed to install two thirds of the rubber running surface in 2024, but unfortunately just couldn't get it all done last year. As of right now we are monitoring the weather closely, and once we get six consecutive days of no rain we will be applying the final top rubber surface. Once the final coat of rubber is applied to the running surface then the running track can be opened; however, the construction fencing will remain in place on the inside of the running portion of the track is set to open sometime between May and mid-June (weather permitting), and the grass field inside the track is planned to open in September when the grass has had a chance to become established. We are all excited for this new track and sports field, and look forward the many memories that will be created for the students and community.

If you are ever curious about what is going on within the school, please check out our <u>website</u> where you can find our daily announcements - they will give you a good idea of the many opportunities and happenings here at Ballenas.

As always, we appreciate your ongoing and continued support of the Ballenas Community. We are grateful for where we live and learn. Please stay connected with us via our school website, and reach out should you have any questions.

STUDENT LEARNING SURVEY FOR PARENTS

Parents, please take the time to complete the Student Learning Survey at this link: <u>https://www.awinfosys.com/SurveyFull1/central/main/access_Parent.asp</u>

Dear Parents/Guardians, The Student Learning Survey (SLS) has been administered every year in BC public schools since 2001. Prior to 2016-17 it was known as the Student Satisfaction Survey. We've worked hard to improve the survey and make it more useful for students, parents, teachers, and schools.

It is the only source of province-wide information of children's learning experiences. The information is very helpful for others like the Ministry of Health, who use it to improve health services for children across BC. Your participation is an important contribution to improving the educational experiences of children.

The survey currently has the same questions regardless of your child's age, although we recognize that there may be a need to have a version for parents of younger children and one for parents of older children. On this survey, you are welcome to not answer any questions you feel do not apply to you or your child.

It is important for you to know that your information is protected under Freedom of Information and Protection of Privacy Act. Your responses are will be kept anonymous: no one will be able to personally identify you or your child(ren) through your responses.

This survey is voluntary and your response is encouraged, not required. **Please do not include any thirdparty information (e.g. talk about other specific people) survey or any personal information about yourself.** If any personal or identifying information about yourself or others is included it will be deleted before results are processed and stored. Data will be stored in Canada and accessible only within Canada.

If you have multiple children in the BC education system, please feel free to complete a survey for each child, even if they are at the same school. We will ask a few demographic questions at the beginning of the survey. Your responses are anonymous; your child will not be identified as a result of your participation in the survey. We sincerely appreciate your input and thank-you in advance for your participation.

2024/25 YEARBOOK

The yearbook is in full production and our sales are exceeding expectations. There are only 6 copies left that can be purchased through the office or Mr. Seidel for \$50. Online sales are now closed so cash or cheque is the only way to secure one of the final copies. In the event that there are extras a waiting list will be created.

DATES TO REMEMBER

APRIL

Why Coulson Aviation Academy

Coulson Aviation, a global leader in aerial firefighting, continues to set industry standards by becoming the first aviation company approved by Transport Canada as an Approved Training Organization (ATO) to provide training in aircraft structures. Among the 20 ATOs in Canada, Coulson stands out as one of only four offering a specialized program for structures technicians – reinforcing its reputation as a pioneer in aviation excellence and workforce development.

Your Future Begins Here.

COULSONAVIATION

Coulson Aviation AME-S Training

Coulson Aviation Academy is leading the way in training the next generation of high performance AME's through an innovative learning environment unmatched by any other program out there. Coulson's program is specifically tailored to train and mentor the best technicians in our industry who are motivated and committed to excelling in their trade. This course combines technical knowledge, hands-on experience, and practical demonstrations to maintain, repair, and inspect aircraft structures. This is an exciting opportunity to launch a rewarding career in Aviation!

CORE TOPICS

- Flight Theory
- Aircraft Systems
- Construction
- Transport Canada Regulations

PRACTICAL SKILLS

Working with sheet metal, tubing, composites, wood, and fabric to fabricate and repair structural components.

This program is a transformative opportunity for our community, fostering the growth of skilled aviation professionals.

Training Program Highlights

LOW-COST TRAINING

Students attending the ATO do not pay tuition fees, but are required to purchase their own tools and equipment.

EMPLOYMENT BENEFITS

Students remain on Coulson's payroll during the program and can earn additional income by working outside of schooling hours.

GUARANTEED CAREER PATH

Coulson Aviation Academy is the only organization that provides student support from start to finish in obtaining their AME-S license with Transport Canada. We provide in-depth training towards the requirements for an AME-S license application, the apprenticeship and tasks needed to fill out their logbook in a timely manner, and then we help prepare them for the CARs exam and support them through the process.

Program Structure

ENTRY PROCESS

Applicants must be either at least 16 years of age or secondary school students currently attending their final year, and must complete a 2 to 3 month trial period with Coulson Aviation before being recommended by their supervisor.

PATH TO CERTIFICATION

Graduates begin a 2-year apprenticeship to meet Transport Canada certification requirements.

COMMITMENT

Students sign a training bond, committing to work with Coulson Aviation for a set period, reflecting the company's investment in their training.

ACADEMIC PREREQUISITES

Open to students who have passed English 10 or equivalent, and passed Math 10 or equivalent.

VIRTUAL LEARNING | New Parent Workshop Supports Digital Resilience

MediaSmarts has launched "<u>Raising Digitally Resilient Kids</u>," a self-guided workshop designed to help families navigate digital challenges. Drawing on youth research, the session explores online risks and strategies to promote safe, balanced media use. Parents and guardians gain tools to evaluate apps, set household media guidelines, and support children's well-being in a connected world. With handouts and practical resources, the workshop fosters informed conversations about digital literacy at home and in schools.

PHOTO, VIDEO & ART CONTEST FOR CANADIAN INDIGENOUS YOUTH

Celebrating the rich cultural & heritage traditions of Indigenous people, FORED sponsors this annual contest with cash prizes for Indigenous youth.

Theme: Traditional Knowledge & Medicine Prize: 4 x #150 prizes with at least one national winner. Group work shares prize.

Interview a local elder about homemade salal tea on video? Creativity of all kinds is welcomed.

Contest Details: Please submit entries via the easy entry form on our website. <u>https://www.foredbc.org/traditional-knowledge-contest</u> Entries may also be mailed to the address at bottom.

- Eligibility: youths aged 5-18 of First Nations, Inuit, Métis, or self-declared ancestry.
- Participants must include their name, band affiliation/ancestry, home address, phone & email address, parent & teacher contact, grade & school on website entry form or with mailed entries.
- Please include a brief description of how your artwork relates to traditional knowledge and medicine. DEADLINE: May 23/25
- All original artistic work accepted: i.e. pencil, crayon, paint, mural, collage, photos, animations, videos etc. (.jpg, .pdf, .png, .mp4, .MOV). Minimum image size 2MB. Videos must be less than 3 min.
 Please have someone take a photo of you with your artwork if possible.
- By entering, winners agree their names & entries can be published in local & social media, or displayed on BC Ministry of Education sites for Indigenous People's Day, June 21, & our <u>website</u>.
- All entrants qualify for complimentary, honourary youth membership. No commercial use of entries.
- Mailed entries won't be returned. Only winners will be notified.
- See how Indigenous volunteer mentors integrate traditional knowledge into natural resources practices on our <u>YouTube</u>. Follow us on social @foredbc.
- Complimentary teacher & youth activities by age group on Indigenous culture available here.

Questions? Email education@foredbc.org.

FORED BC is a charitable association established in 1925. We work with volunteers on community-based sustainability projects. We thank our generous donors; the Province of BC & the Vancouver Foundation.
