

Good evening everyone,

A big thank you to everyone who volunteered at or donated bottles to our very successful first bottle drive. With your help we raised over \$3000! That works out to approximately \$15 off of the price of each grad's prom ticket. We will be having another bottle drive on Saturday January 24th 9:00-2:00 in the Ballenas parking lot. Please remember to save your holiday bottles and mark your calendar if you can help out! There are two copies of the flyer attached, one for printing out and sharing with friends and family, and one perfect for sharing on social media! If you haven't yet heard, Prom 2026 will be taking place on June 27th at Tlgh Na Mara, so please save the date!

Thank you so much!

Andrea Richardson  
Communications/Secretary
