
March 2, 2023 CEAP PAC

Meeting called to order @ 9:15am

Attendees

Autumn Taylor-Principal
Jaime Wickham-Chair, Treasurer
Kelly Brett-CEAP Elementary teacher
Lisa Haupt
Lois Lecavalier-Secretary

Principal's Report

DL (Distance Learning) is now referred to as OL (online learning)

CEAP OL students will still have access next year to room 150 in KSS as a study area with use of computers and teacher to aid with learning

There are approximately 50 OL students

CEAP elementary is working on how to split up the grade levels for participation days

Looking at two participation days per week

TIDES will become part of KSS for the 2023-2024 school term; they will stay under the CEAP umbrella for the remainder of this school year. Going forward will be a 5 days per week learning schedule. There will no longer be moodle learning as in place now. Core curriculum will be taught in classroom manner

Senior TIDES can take electives through KSS if they wish to take courses not taught through TIDES. Flexibility is assured.

Senior TIDES Students going through the transition out of CEAP into the new KSS version of TIDES will be selecting courses on Blueprint, this will be addressed at school.

Our PAC will probably be blended with Ballenas next year.

DPAC report
