

CEAP WEEKLY NEWS

From Ms. Huggins & Ms. Rae

Hello CEAP Parents/Guardians,

Portfolio reviews begin May 26th. Sign-up sheets are on Ms. Huggins' desk. This meeting is very important and each student needs to have a portfolio review. Please sign up when you're in the classroom or email us to set up a time.

Feedback forms for the 2016/2017 school year are on Ms. Huggins desk. Please fill one out and leave it in the envelope.

Jump Math and Math Makes Sense for grade 1-7 are on the blue table. Please choose which program you would like to use in the 2017/2018 school year and write it down on the sign-up sheet so we can make sure to have it available to you.

The Trades Trailer will be at CEAP on Tuesday May 30th from 12:00-2:00. This is for grade 4-7 students only (no younger siblings). Students will get to see trades in action and get to build a project with the instructor. Please let Ms. Huggins know if you are able to attend. There are still a number of spaces available.

Monday May 15th gr. 4-7 students are invited to meet Ms. Huggins at Englishmen river falls from 8:30-10:30. A field trip form **MUST** be filled out prior to arrival so please see Ms. Huggins for this form.

For those students who participated in Coding using Scratch, Mr. Silvertown is hosting an Arcade on May 24th during the day. It will be held somewhere in the Qualicum/Parksville area. Students need to prepare one thing they are proud of with Scratch and this can be shown at the arcade. Students will also have the chance to view other students work. Please let Ms. Huggins know if you would like to participate.

Have a great week,

Ms. Huggins & Ms. Rae

Week At a Glance

May 8-12

Monday –

Weekly Reminders

- CEAP Camp 2017 is June 2-4. Information was sent out in an email and is posted outside the classroom
- Coding Arcade May 24th
- No Monday morning programming on May 8th
- If you have any completed work you'd like to hand in, we can mark it and hand it back in a timely fashion. We will keep track of this work so you will not need to show it again during portfolio review.
