Many items are shared so please do not label supplies. This is a very basic list of supplies for Grades 4-7. Individual teachers will purchase items specific to their class. Please pay **\$15** to the office, to cover the cost of the remaining supplies. This fee will be available to pay on School Cash Online starting the first week of school (as soon as class placements have been finalized).

As an alternative to going shopping for school supplies, you may order school supplies from Teachers File. Their flyer, with link, is attached.
