Administrative Announcement

I am pleased to announce that after a thorough posting and selection process, culminating in interviews of internal and external candidates, **Jennifer Fuhrmann** has been appointed as vice-principal in our district, with assignment to Errington Elementary School.

Jennifer joins us from School District 42 Maple Ridge where she is an experienced elementary school vice-principal having also served as acting principal during part of last year. Jennifer has also been a secondary vice-principal, with her career including administrative work in a year-round school (Kanaka Creek Elementary), a self-paced secondary school (Thomas Haney Secondary) and neighbourhood schools. Jennifer has an extensive teaching and administrative background, including as a learning services support teacher, and has keen interest in trauma-informed practice and supporting social emotional learning.

While the timing of Jennifer's arrival is yet to be confirmed, we look forward to having her join the district leadership team and immerse herself in the life of Errington Elementary School.

I know that you all join me in welcoming Jennifer to our district and our community.

Keven Elder
Superintendent of Schools
