Dear Parents/Guardians,

We wanted to let you know we had a false fire alarm this morning at Errington Elementary School. This occurred just after recess at about 10:15am.

As this was an unscheduled event, we followed the usual routine of evacuating the building and taking attendance in the muster area. The local fire department arrived as they usually do during an unscheduled event.

During the time of the evacuation, we learned that a very young student pulled the fire alarm while in gym class.

We would like to acknowledge how well our school community responded to this event. It went just as smoothly as a drill and the students were back inside the building by 10:30am.

Sincerely,

Sheila Morrison, Principal
