

# WHAT IS PAC?

(Parent Advisory Council)

## *Welcome to Errington Elementary PAC!*

We are a passionate group of parents, educators, and community members dedicated to supporting and enhancing the educational experience at Errington Elementary School. Our Parent Advisory Council (PAC) plays a vital role in fostering a strong connection between the school, families, and the broader community.

At Errington Elementary PAC, our primary objective is to enrich the lives of our students by providing additional resources, organizing engaging events, and advocating for their needs. We understand that a well-rounded education goes beyond textbooks and classrooms. That's why we actively work towards creating an inclusive and supportive environment where every child can thrive.

As an organization, we take on various initiatives throughout the year. We organize fundraisers to supplement school resources, support extracurricular activities, and provide essential supplies. These funds also enable us to bring in

guest speakers, host educational workshops, and plan exciting field trips that enhance the learning experience of our students.

In addition to our fundraising efforts, Errington Elementary PAC is committed to fostering a sense of community within our school. We organize family-oriented events, such as movie nights, picnics, and talent shows, where students, parents, and teachers can come together to build relationships and create lasting memories. We firmly believe that a strong community connection positively impacts the educational journey of our children.

Now, we invite new parents to get involved and join us in our mission. Your participation is crucial in shaping the future of our school and ensuring that our children receive the best education possible. By becoming an active member of Errington Elementary PAC, you can contribute your skills, ideas, and energy towards making a meaningful difference in the lives of our students.

## WHAT CAN YOU DO?

- Attend monthly PAC meetings
- Share your ideas/ dreams for the school
- Participate/ volunteer in school events
- Help raise funds for your school
- Get more involved in your child's classroom
- Utilize your skills in our school community

*Together, we can create a vibrant and nurturing learning environment that fosters academic growth, social development, and personal achievement.*

**Join Errington Elementary PAC today  
and be part of the positive change we bring to our school and community.**
