

# WILDLIFE ALERT

## Cougar Alert

Please advise staff and students to use caution in the area noted below

Our office has received the following information regarding a COUGAR sighting:

Date sighting: Wednesday, November 21, 2018

Time of sighting: 8:00 am

Location: Forested area behind Errington Elementary School

Any further sightings **MUST** be reported to the Conservation Office at 1-877-952-7277 as well as to the office of the Superintendent of Schools (250-248-4241)

Please note that the reporting of bear and cougar sightings are time sensitive.

If you distribute this information to your school community, please ensure that you include the location and date of the sighting
