Principal's Message

We are about to close the month of May and begin the final month of the school year. There are many field trips and special activities coming up and I encourage you to keep your calendars updated and keep in touch with your child's teacher of all the important dates. I would like to take this opportunity to thank our generous and supportive PAC. Through their hard work this year, they have been able to offset the costs of many of the field trips and special activities your child has had throughout the year and coming up in June. Please take some time to thank our PAC executive and those parents who have been helping with all sorts of fundraising initiatives, including the hot lunch program.

The article provided this week focuses on building your child's character, which is easy if you have a lesson plan:

It's great to know that teachers are there to help your child learn the capital of Brazil or how to do long division. But when it comes to teaching values, parents are the best teachers. Still, like any teacher, you need a "lesson plan". Here are some steps for building your child's character:

1. **Think about the values** that are important to you. Talk about them openly with your child.
2. **Teach by example.** A parent's example is the most powerful teacher of all. Ask yourself, "If my child could watch my behaviour all day, what lessons would he learn?"
3. **Set high standards.** Expect your child to act responsibly, to be kind to others and to tell the truth. Some families make it a point of family pride. "In the Smith family, we tell the truth".
4. **Teach the Golden Rule.** Teaching your child, "Treat others as you would like to be treated," will help him make good decisions. He can ask himself, "Would I want someone to talk to me that way?"

Families on the Move?

Please let the school office know if your family will be moving next year. As planning is underway for next year, it is very helpful if we are aware of any students who will not be attending our school in September.

Lost and Found

We have a full bin of lost and found items collected, including many winter coats. Please take some time to look through the items that we will have on display for the next two weeks. We will be donating any items left.

Volunteer Appreciation Tea

On Thursday, May 30th, EES staff will host an afternoon tea to celebrate the volunteers who have supported our school this year. We have been so fortunate to have many people who provide support to our school. The gift of time is one of the most generous things you can share and we sincerely appreciate all that you do to enrich the students' experience at Errington Elementary School! If you have volunteered at any point during the school year (in or out of school), please join us in the library and foyer on May 30th between 1:00 and 1:45. We ask that you RSVP to Alicia or Dee in the office.

Indoor Shoes

We are in need of clean shoes in good condition to keep on hand for inside and gym use. If you have some outgrown shoes that you are willing to donate, please send to the main office.

Parksville Library – Summer Reading Club

We invite students at your school to embark on a reading adventure at the library by participating in this year's BC Summer Reading Club: **Imagine the Possibilities!**

Each summer, Vancouver Island Regional Library (VIRL) offers a free Summer Reading Club to help children stay on top of the important skill of reading while they are out of school. As you know, regular reading over the summer helps kids to maintain or improve reading skills, and voluntary reading is key to making reading habitual. Summer Reading Club motivates kids to read by providing:

- Materials so kids can track their reading success: prizes, reading records, and stickers.
- Medals for all children who complete a reading record.
- Fun library programs, contests, and activities.
- Wrap-up parties at the library to celebrate a successful summer of reading.

Summer Reading Club officially starts on **July 2nd**. Parents and/or guardians can register their children at their local library beginning **June 18th**. Kids who register receive a special package to keep track of their reading; the package includes a reading record and other fun stuff.

Bike Safety

It has been wonderful to see some students choosing to ride their bikes to and from school! Please remind your children that we expect bike helmets to be worn at all times while riding. We highly recommend sending your child with a lock for their bike while parked at EES during the school day. At the end of the school day, we ask that students wait to leave on their bikes until AFTER the buses have left the parking lot.

NEW WAY TO PAY

This year our district has made it possible to pay for any school fees online. If your student's classroom teacher has requested to use agendas, a sheet with detailed instructions on how to sign up for School Cash Online has come home. If your student's teacher is not using agendas this year a detail sheet will come home shortly. On our Errington Website there is a direct link to www.schoolcashonline.com, it is quite easy to sign up. Once signed up you will receive email notifications if there is a fee associated with your student. You are still able to pay for any school fees with cash or cheque, but we are offering the option to pay online.

As always if you need any help navigating this system please feel free to call the office and they will be happy to help you.

Reporting Student Absents

When reporting your child's absence, please call the office at 250-248-8446 (after hours you can leave a message on our answering service – just listen for the option to report a student absence in the directory). It is important to let the office know if your child will be late or not attending school for the day(s) so your child is accounted for. It only takes a minute. If your child is not at school or late you can expect to receive a call to your main number. Thank you in advance for reporting early!

NEWS FROM YOUR LIBRARY

RETURN YOUR LIBRARY BOOKS: It's time to start bringing library books back to the library. Students who have overdue books will be receiving a notice in the next week. The last day for checking out books for home reading is June 12 and we ask that **all student library books be returned by June 14, thank you!**

AUTHOR AND ILLUSTRATOR VISITS TO EES: We're so excited to welcome internationally acclaimed authors and illustrators to EES Library next month! Parents and caregivers are invited to attend these sessions which run the last week of May. Please email Ms. Richards at jrichards@sd69.bc.ca for more information.

Gabrielle Grimard: transformed her love of design into a career in illustration over the course of her studies at Concordia University and the University of Quebec. In 2018, Gabrielle's picture book *Stolen Words* won the Ruth and Sylvia Schwartz Children's Book Award and was a finalist for the TD Canadian Children's Book Award. *Not My Girl* was a USBBY Outstanding International Book. Her creativity has been applied to children's publishing, advertising and educational contexts. <https://www.gabriellegrimard.com/index.php/en/>

Emma Fitzgerald: What is it like to wake up every day and draw as your job? Emma will share her unique process of drawing on location, sharing how she first studied art, then architecture, then started a house portrait business, and then became an illustrator and writer!
<https://www.emmafitzgerald.ca/About-Emma-2>

Linda Bailey: Dogs, dinosaurs, monsters — and more! Join Linda Bailey for a fun-filled romp with characters who will jump off their pages to say hello. Meet Stanley, who invites half the dogs in town to his people's house in Stanley's Party. Consider what might happen If You Happen to Have a Dinosaur lying around your living room. And find out what-the-heck is lurking under Leo's bed in *Under-the-Bed Fred!* Linda Bailey loves to look at life from unusual points of view. Join her as she tells the stories behind some of her favourite characters — and takes you inside their worlds! www.lindabaileybooks.com

Jordan Stafford: is the author of the Middle-Grade Wollstonecraft Detective Agency series from Knopf / Random Penguin, which is being adapted to a video game, as well as for television. He has been featured on c/net, io9, boing boing, WIRED, and Reading Rainbow. www.jordanstratford.com

Michael Arvaarluk Kusugak: is a gifted and mesmerizing storyteller. In Inuit culture, storytellers learn their craft by listening to stories told to them as children. These stories are ancient and compelling, told over and over again changing slightly with each teller's telling. Michael was introduced to the stories by his grandmother while he was traveling by dog team living in igloos and sod huts at the Arctic Circle. He weaves these stories with stories of his life, a life of rapid change and adaptation. Michael's storytelling will transport you to another world. www.michaelkusugak.com

TAKE AND TRADE TABLE: We're always looking for great books to put on our table for students to take home.

Immunization (Measles) Catch up for Students in Kindergarten to Grade 4

All kindergarten to grade 4 students who are behind on their immunizations will be receiving a call from the public health unit in the upcoming weeks. These students will be offered immunizations at a school-based immunization clinic over the next couple of months with the consent of a parent, guardian or representative. Parent(s), guardians or representatives will be required to accompany students to the public health school based immunization clinic.

Students who are up to date on their immunizations will receive a record of immunization by the end of this school year. These will be distributed from public health and delivered to the students at school. Please keep this record to provide to your child's school this fall.

First Nations children who receive health services in their communities may be able to access immunization records and services at their Community Health Centers.

Please contact the local Health Unit at 250-947-8242 and ask to speak with a Public Health Nurse if you have any questions.

Discontinuation of Kids Plus Accident Insurance Program

We have recently been informed that Kids Plus Accident Insurance Program offered to our students by Industrial Alliance Insurance and Financial Services Inc. will be discontinued, effective with the 2019-2020 school year. This decision is in recognition that the distribution model no longer fits with the current market conditions.

IA Financial Group has confirmed that policies currently in force for the 2018-2019 school year will remain in force until expiry on September 30, 2019 and they will accept new applications for this policy year until May 31st, 2019. All claims that are currently being processed, and any future claims received, will be honored in accordance to the policy specifications.

Please note that all Student Accident "Blanket Policies" are not affected by this decision.

IA Financial Group are now introducing Family Accident Reimbursement Plan – this is their new product providing comprehensive insurance coverage for the whole family. Taking the best of what Kids Plus Accident Insurance had to offer, the Family Accident Reimbursement Plan will offer benefits which target the most important of family's insurance needs including: Critical Illness Benefit, Funeral Benefit, Improved Paramedical maximums, Increased Accidental Death Maximums, Automatic renewal with no need for re-enrolment and Choice of Monthly or Annual premium payments.

This new product will be available to current insureds as well as new insureds. More information will be provided to the School Board for distribution to parents and guardians later in the year.

Host Families Needed

The Qualicum International Student Program (District 69) is currently looking for summer homes for students coming from Japan this summer — **July 12th to August 16th, 2019.**

Students are in grade 10 and will be attending classes from 9:00 am to 3:00 pm, Monday to Friday. If you can open your home to 1 or 2 students, please contact Jenny Atkinson at jatkinson@sd69.bc.ca

We are also looking for host families in the District 69 Area to host international students from around the globe. We are looking for short-term homes (1 week to 8 week programs) as well as long-term homes (5–10 months). You must be able to provide a warm and welcoming home environment, a private bedroom (which includes a bed, dresser, desk, chair, and proper lighting) and three meals per day with snacks also provided. Some transportation will be required and students must have total inclusion in the family as would be granted a family member.

Hosting an international student will provide you with the opportunity to make new friends from around the world and can be an exciting cultural experience to share with your family! There is financial compensation to cover the costs of hosting an international student. Participating in the program can be a life changing experience for both students and their host families.

Eco-Dfndrs Summer Camp

August 10–18, 2019 Denman Island B.C.

Prior to participating, campers are encouraged to consider this year's theme of "Water" and what it means to them on a personal, local and global scale. In order to further explore the theme, this year's outdoor activity will include kayaking and canoeing lessons in order to gain a different perspective and access to the wetlands, lakes and coastal waters on and around Denman island.

The camp will culminate in a premiere of completed and/or a work-in-progress short films for friends and family on the final

day of camp. Films will also be posted on the DFNDRS website and Facebook page. No prior experience in film is required, but you must have a passion for filmmaking, a desire to create change and develop your art in a collaborative environment!

Our goal is to align with local groups, organizations and communities, in which the short films can be used to help promote, educate and inspire, such as the Denman Island Conservancy Association.

"It was awesome. I learned so much and it really inspired me to think more about what I could do in my community to help the environment. I definitely want to do it again."

Electronic Newsletters

EES newsletters are provided bi-weekly on Fridays. Newsletters are posted to the EES website and parents who have registered will receive a notification email and link when a newsletter has been posted. Most parents use this option and it certainly reduces the amount of paper and time required to prepare newsletters. Subscribing to the electronic newsletter is very simple.

Sign up through the Errington Elementary School website (<http://ees.sd69.bc.ca>) by entering your email address in the area "Sign up for our newsletter & keep in touch" found near the bottom of the home page. After you enter your email and click on "GO" an email will be sent to your email address. **You must respond to the email to become a verified member to receive newsletters.** There is an option to "Unsubscribe" at any time you choose.

If you would prefer to receive a paper copy of the newsletter, please fill out the tear-off below and return to the school as soon as possible. We will only print a paper copy to those who have filled out the tear-off below. Please note that you need to indicate your desire for a paper copy of the newsletter each year. We will keep a few extra copies in the main office for pick-up if necessary.
