May 29, 2020

Greetings to EES Families!

We are about to begin another new adventure for the month of June! We are looking forward to welcoming some of our children back to school part-time starting on Monday, June 1<sup>st</sup>. Thank you so much for responding to all the emails and phone calls in the last week as we determined who would be returning and who would be continuing to stay home during this time.

A great deal of work has been done to ensure we are meeting the provincial health and safety guidelines put in place for the students whose parents have chosen to allow their children to attend school on a limited basis. Any student wishing to return to school in June MUST be PRE-ARRANGED. This includes riding the school bus. There are guidelines around which day(s) your child can attend and how many students are permitted to be in each class at any given time. Please contact the school office if you have not confirmed your child's attendance.

Please know that if your child will be continuing with their at home learning program during the month of June, your classroom teacher will continue to provide support remotely and communicate with you regularly. Your child's work will be the same as those students who are at school. You can still work on as much as you and your family feel comfortable with. Report Cards will be emailed to you at the end of June. We have set the dates of June 15<sup>th</sup> and June 16<sup>th</sup> for you to schedule a time to pick up your child's belongings if you haven't already. The link below will lead you to the appointment booking program to arrange a time. Packages will be arranged in the gym and someone will greet you at the door by the gym at your scheduled time.

<https://ees.parentconferences.net/admin/>

Students who will be returning to school in June will be receiving a separate letter later today, with detailed information. Students who have arranged to ride the school bus will also receive a letter later today.

We are planning a way to celebrate and honour our Grade 7 students who will be moving on to high school in September. Grade 7 teachers will be in touch about the details.

If you have any questions, please feel free to contact the office by phone or email. We are not permitting "drop-in" visitors at this time.
