

EES PAC NEWS

Hi Errington Families, We hope everyone is enjoying getting back into the routine of things.

MUNCHA-LUNCH ORDER NOW!

Muncha-Lunch has started up again. Don't forget to order. I know I'm in the dog house with my Kiddos every time I forget. Sarah and Alicia have done an amazing job sourcing out new Menus and restaurants for us.

Thank you Ladies!

FUNDRAISING

We need volunteers for the upcoming fundraisers. Our two big ones will be the **Plant sale** again, and if restrictions allow a **Fun Fair**. For more information please attend our next PAC meeting.

If anyone else has any fundraising ideas we would love to hear them.

New DPAC Representative Needed

We are also still looking for someone to be our DPAC representative. This post has a once a month commitment to attend the DPAC meetings. Please let us know if you are interested.

BACK ON ZOOM

Till further notice all PAC meetings will be held over ZOOM. I know some of you don't enjoy meeting through ZOOM, but it has its perks. It allows us to stay in touch during the pandemic, ensures that we can support the school and gives us the option of wearing our Pj's to a meeting. All meetings are still being held on the second Tuesday of the month, at 6pm. The ZOOM link will be posted on the Errington Elementary School Facebook page as well as the EES PAC Facebook page. If you are unable to access these links please reach out to the school or me and we will try our best to get them to you.

IT TAKES A VILLAGE

Our numbers are still very small. As happy as the Executive members are to bridge the gap between Parents and the school, we would love to hear more from our Parents.

This will be the last year for some of our members to hold their positions on the PAC. Our PAC Executive members are quite dedicated and would never leave our school in a lurch (thank you Michelle, our Treasurer, who is finishing up her third year). But if anyone is thinking about joining or maybe wanting to be put forward for one of the positions, now is a good time to start learning the ropes. The transition is a lot easier with a bit of knowledge about the inner workings of the PAC.

YOU HAVE A VOICE! We want to hear from you.
