Principal's Message

I hope you had a chance to enjoy the spring break with your children. We have many exciting things to look forward to this spring. Please make sure to check the dates to remember in this newsletter and update your calendars at home.

With the longer days and the spring weather trying to make an appearance, we hope that the children are spending time outdoors. For those students who do spend time on the computer, the article below provides suggestions on how to make online safety a priority in your home.

Technology has changed how students learn and how they socialize. Millions of kids in all age groups are online every day – at home, at school, at friends' homes, at the library – and many are creating online content. We know that some of our students are active on social media platforms such as Instagram, Snapchat, Musicaly, Facebook, and chat groups formed through gaming devices. Did you know that most of those sites have a minimum age requirement of 13. To keep your child safe online:

Discuss rules and expectations. Use software that helps to protect kids, but supervise carefully, too. Only allow your child to communicate with people you both know when he's online.

Set limits on screen time, such as 10 hours or fewer **per week**. Remember that screen time includes TV, computer and video game use.

Do not allow your child to reveal personal information online, such as his name, phone number, school, passwords or location.

Keep Internet access out of your child's room. Only let your child go online if you can see what he's doing.

Learn about websites your child wants to visit. Are they safe? Do you approve of their content?

Encourage your child to be honest with you if something inappropriate occurs online. React calmly if this happens. Report your concerns to the authorities.

Stay informed about online safety. Visit sites such as www.fosi.org (Family Online Safety Institute) and Netsmartz.org for more tips.

Families on the Move?

Please let the school office know if your family will be moving next year. As planning is underway for next year, it is very helpful if we are aware of any students who will not be attending our school in September.

Planning for September

Soon we will begin developing a draft class organization for next school year. This includes projecting student enrolment and creating classes that make the most efficient use of our staff, while at the same time, observing provincial class size limits and building classes that can work together as a team. Attached below is a letter from the Assistant Superintendent regarding class formation for September 2019. If you would like to provide input to your child's placement, please do this by **Thursday, April 18th**. Please note that parent input is one of a number of factors that guide us in the formation of classes. We must pay attention to the other important considerations outlined in the letter below, which contribute to an optimum learning environment for all children. While a smaller school such as ours has many benefits, we are also faced with a very limited number of classes at each grade level – which limits placement options.

SCHOOL DISTRICT No.69 (QUALICUM)

March 2019

Dear Parent(s)/Guardian(s):

RE: CLASS BUILDING FOR 2019-20

During the next month, staff at our schools will begin the complex process of forming learning groups for the upcoming school year. This work includes projecting student enrollment and creating classes that make the most effective use of our staff and most importantly, building balanced student groupings that can work together cohesively as learning communities. This is a challenging task as there are many factors that must be taken into consideration including:

- Social and emotional dynamics
- Academic strengths and needs
- Unique learning needs
- Class size goals

Staff take this work very seriously and collaborate extensively in order to make the best decisions about student placement. We strive to shape classes which will support the learning needs of **all** students.

There are many unknowns as we begin this task. For example:

- We are not sure who all of the teachers will be at our schools next year as the annual staffing process is not completed until late June
- Some staff members may request, or be asked, to change their assignment for next year
- We are never completely clear about our enrollment until early September and so learner groupings must remain somewhat fluid

As a result, the learner groupings that we create in spring are tentative and are not finalized until early in the new school year. For this reason, class groupings will be kept confidential until they are finalized in September.

If you would like to provide staff at your child's school with input into their placement for next year, we encourage you to:

1. Talk to your child's current classroom teacher about your interests, and then;
2. Send a note to the school principal outlining what you see as your child's learning needs, preferred learning style or any other information you think might be relevant as staff work through the task of shaping learning environments for the upcoming year.

We ask that you do not request a specific teacher. Your input will be considered along with the other complex variables that go into constructing a class; however, not all recommendations can be honoured.

The deadline for submitting information regarding your child's class placement is **Thursday, April 18, 2019**.

Sincerely,

Gillian Wilson
Assistant Superintendent of Schools

Celebration of Learning/Spring Conferencing

Communicating student learning is an essential part of education. EES Teachers are planning an opportunity to connect with families during the week of May 1st. Some teachers are planning a "celebration of learning", some will be setting up individual conference times, and some are planning a combination of both. Please see the instructions below on how to use the online appointment booking system. This will be an opportunity for students to take a central role in sharing where they are in their learning as well as sharing what they see as their next steps. As educational researcher Anne Davies says, "When students communicate with others what they have learned, they come to better understand what they have learned and what they need to learn."

School Appointments - Parent Instructions (Booking is available starting April 12, 2019)

1. Go to our school appointments web site: <http://ees.parentconferences.net>
2. Click to "**REGISTER**" (top box).
3. Complete all the required fields.
4. Click "**REGISTER NOW**".
5. Click "**Add Student**".
6. Complete the required fields.
7. Click "**Insert**".
8. Next to your child's name, click on the **blue calendar icon**. Click on the **blue calendar** beside your child's teacher name. When teacher is highlighted, click on **View Calendars**.
9. Click on **an appointment day and time** that you would like to book. *Note your name is automatically put into the field at this time. Others who look on this calendar will not see your name, they will just see that the time slot is not available.*
10. Click **Book Appointment**.
11. **If you have more than one teacher:**
 - Go back to **Home**.
 - Click **Manage Students**.
 - Add **New Student**.
 - Complete the fields as above and continue with the rest of the process to book your other appointment(s).

Note: You can edit or delete names if you have made a mistake.

If you have any problems or questions, please contact the office at 250-248-8446. Thank you! We are looking forward to seeing you at the celebration of learning or parent/teacher conferences!

Student Learning Survey

This is a reminder that the Student Learning Surveys are still open until April 15th.

The Student Learning Survey is for students in Grades 4, 7, 10, and 12, their parents, and staff. The survey covers a range of topics, providing a comprehensive picture of the educational experience in B.C. public schools. Questions were developed with input from partner groups, teachers and experts in educational measurement and special education. This survey has been administered to our Grade 4 and 7 students. Parents of Grade 4 and 7 students are encouraged to complete this survey by clicking on the link below.

Parents may access the survey with the link for **Direct Access** from the link below. Surveys are to be completed by parents with children in Grades 4, 7, 10, and 12. A parent may complete a survey for each child in the targeted grades. The parent survey is available in English, French and 16 other languages. Thank you in advance for your participation. The survey can be accessed through the following link:

https://urldefense.proofpoint.com/v2/url?u=https-3A_www.bced.gov.bc.ca_sat-5Fsurvey_access.htm&d=DwlCAw&c=dwr0MjUrBqJCVHIZWcv1jg&r=9BdKoxkGxVcTOauais6WPJrbk1o_DsUDyKIZSeN6p84&m=-amMzCyyld1zEXB0GqvW7rEmzGF0tRYCSipIDvfxlgg&s=P5A3weB3kxj5sLnXyuOPQG35MolhD2gSEc8Oz2sX1U1&e=

Criminal Record Checks

We value parent helpers and other volunteers who support with various different activities at EES. We want to remind you that it is mandatory to have a

Criminal Record Check completed prior to taking part in volunteer activities (classroom activities, school activities, field trips, etc.). They are good for 5 years. With so many field trips and special activities coming up, we wanted to remind you of this expectation. We do have a letter available at the EES office for you to get so that you don't have to pay the usual fee for getting this done. The RCMP have advised us that there is at least a two-week timeline to complete the process, but it could take longer during peak times. Please note that due to privacy regulations, organizations cannot share this type of information, so you need a separate Criminal Record Check completed for each organization you volunteer with. If you are not sure you have completed a criminal record check for EES please ask the office.

NEWS FROM YOUR LIBRARY

TAKING CARE OF OUR LIBRARY BOOKS: We ask that students return their library books promptly as many have students waiting to read them. Using a bag for library books helps keep books safe from damage in backpacks. Having a special place at home for library books is helpful for keeping them from getting lost! Any books that are lost may be replaced with a good quality book of similar genre. Please speak with Ms. Macrae or Ms. Richards.

SPRING BOOK FAIR:

Our Spring Book Fair was a huge success! Thank you to everyone who supported our Library by participating in our Spring Book Fair! We had over \$3,630.00 in sales, which translated to \$338 in new books and \$845 in cash for our Author Visits in May. A special thank you to our Senior Library Pages (Catherine, Dakota, Georgia, Evan, Jace and Kaleb) and our parent volunteers who helped make our Fair such a success!

TAKE AND TRADE TABLE: We're always looking for great books to put on our table for students to take home.

Welcome Student Teachers!

We would like to extend a warm welcome to our student teachers who are here from VIU to do their 6 week practicum:

Sarah Thomson with Eric Neumeyer's class, Morgan Atwell with Rose Benoit's class and Shayla Twamley with Catherine Baynton's class.

Reporting Student Absents

When reporting your child's absence, please call the office at 250-248-8446 (after hours you can leave a message on our answering service – just listen for the option to report a student absence in the directory). It is important to let the office know if your child will be late or not attending school for the day(s) so your child is accounted for. It only takes a minute. If your child is not at school or late you can expect to receive a call to your main number. Thank you in advance for reporting early!

NEW WAY TO PAY

This year our district has made it possible to pay for any school fees online. If your student's classroom teacher has requested to use agendas, a sheet with detailed instructions on how to sign up for School Cash Online has come home. If your student's teacher is not using agendas this year a detail sheet will come home shortly. On our Errington Website there is a direct link to www.schoolcashonline.com, it is quite easy to sign up. Once signed up you will receive email notifications if there is a fee associated with your student. You are still able to pay for any school fees with cash or cheque, but we are offering the option to pay online.

As always if you need any help navigating this system please feel free to call the office and they will be happy to help you.

Headlice

It's that time of year – headlice is back in town! A reminder to parents to start checking your child(ren)'s head and let's be preventative. If in need, the school does have lice combs and pamphlets describing the recommended treatment – just ask at the office.

Information is posted on our website, in the General Information section and included in this newsletter.

VIU STUDENTS BRIGHTEN CHILDREN'S SMILES

SUMMARY: VIU's Dental Hygiene and Child and Youth Care students team up to provide free teeth cleanings for low income families.

VIDEO: <https://youtu.be/NwHWODiLOWo>

VIU MEDIA RELEASE: Wednesday, February 26, 2019

NANAIMO, BC: "If the children walk away with a smile on their face, we know we've done a good job," says Connor Edwards, a fourth-year student in Vancouver Island University's (VIU's) [Child and Youth Care](#) (CYC) program.

The CYC and [Dental Hygiene](#) programs have teamed up to organize the Healthy Kids Dental Clinic – a free or by-donation dental check-up service for low-income families.

"We started three years ago after having community discussions on how we can better serve families in the area," says Teri Derksen, VIU CYC Professor.

Healthy Kids is a community initiative created by the CYC's [Centre for Community Outreach and Care](#), which focuses on social justice-inspired activities to support children and families in the Harewood area. Third-year students advertise the program by reaching out to schools and through social media and coordinate appointments, while the dental hygiene students perform the dental work for the children.

"Routine dental care isn't financially accessible to everyone – especially for families without extended health-care plans – so having this service at the university is invaluable to us," says a mother of three children accessing the clinic, who asked to remain anonymous. "The students take the time to get the kids comfortable and make it really fun for them."

The clinic operates on a scheduled Saturday every year and sees about 30 children throughout the day. Dr. Alex Chen volunteers as the in-house dentist and 18 dental hygiene students in both first and second year provide teeth cleanings, X-rays and oral hygiene training to patients.

"This is a great opportunity for us to practice our dental skills while working with younger patients," says Jaime Wagner, second-year Dental Hygiene student. "Our main focus is to make this a fun, memorable experience for the children so they continue to take care of their oral health throughout their life."

For details on the next Healthy Kids Dental Clinic, families are encouraged to email VIUCommunityDentalClinic@gmail.com or check out the [VIU Dental Hygiene Program](#) Facebook page.

The Dental Hygiene program provides teeth cleaning services to the public at a low-cost throughout the school year as well at their [dental clinic](#).

Immunization (Measles) Catch up for Students in Kindergarten to Grade 4

All kindergarten to grade 4 students who are behind on their immunizations will be receiving a call from the public health unit in the upcoming weeks. These students will be offered immunizations at a school-based immunization clinic over the next couple of months with the consent of a parent, guardian or representative. Parent(s), guardians or representatives will be required to accompany students to the public health school based immunization clinic.

Students who are up to date on their immunizations will receive a record of immunization by the end of this school year. These will be distributed from public health and delivered to the students at school. Please keep this record to provide to your child's school this fall.

First Nations children who receive health services in their communities may be able to access immunization records and services at their Community Health Centers.

Please contact the local Health Unit at 250-947-8242 and ask to speak with a Public Health Nurse if you have any questions.

Eco-Dfndrs Summer Camp

August 10–18, 2019 Denman Island B.C.

Prior to participating, campers are encouraged to consider this year's theme of "Water" and what it means to them on a personal, local and global scale. In order to further explore the theme, this year's outdoor activity will include kayaking and canoeing lessons in order to gain a different perspective and access to the wetlands, lakes and coastal waters on and around Denman island.

The camp will culminate in a premiere of completed and/or a work-in-progress short films for friends and family on the final

day of camp. Films will also be posted on the DFNDRS website and Facebook page. No prior experience in film is required, but you must have a passion for filmmaking, a desire to create change and develop your art in a collaborative environment!

Our goal is to align with local groups, organizations and communities, in which the short films can be used to help promote, educate and inspire, such as the Denman Island Conservancy Association.

"It was awesome. I learned so much and it really inspired me to think more about what I could do in my community to help the environment. I definitely want to do it again."

Parent Support Circle - Coombs

Sometimes you just need a little space to talk with other parents

Parent Support Services offers free, confidential self-help support circle groups that are led by two trained volunteer facilitators.

We believe that every parent is the expert of their own family. Sometimes it just takes a bit of space to hear yourself and the voices of other parents to find your way through.

Parent Support Circles provide a safe, supportive place to share ideas and information with others who are parenting.

Find out more and register for a new group starting soon.

Electronic Newsletters

EES newsletters are provided bi-weekly on Fridays. Newsletters are posted to the EES website and parents who have registered will receive a notification email and link when a newsletter has been posted. Most parents use this option and it certainly reduces the amount of paper and time required to prepare newsletters. Subscribing to the electronic newsletter is very simple.

Sign up through the Errington Elementary School website (<http://ees.sd69.bc.ca>) by entering your email address in the area "Sign up for our newsletter & keep in touch" found near the bottom of the home page. After you enter your email and click on "GO" an email will be sent to your email address. **You must respond to the email to become a verified member to receive newsletters.** There is an option to "Unsubscribe" at any time you choose.

If you would prefer to receive a paper copy of the newsletter, please fill out the tear-off below and return to the school as soon as possible. We will only print a paper copy to those who have filled out the tear-off below. Please note that you need to indicate your desire for a paper copy of the newsletter each year. We will keep a few extra copies in the main office for pick-up if necessary.
