Principal's Message

It is with mixed emotions that we announce today that Ms. Shauna Huggins (Vice-Principal) will be leaving EES at the end of this school year. Ms. Huggins has accepted an administrative position with the Nanaimo-Ladysmith School District, commencing August 1, 2019. While Ms. Huggins will have a heavy heart as she says goodbye to the EES community at the end of June, she is excited to have the opportunity to work in her home community of Nanaimo. Ms. Huggins is grateful for the time she has spent at EES and looks forward to the next few months with us. We do not yet know who will be taking on the Vice-Principal role at EES next year, but will keep you informed as soon as we can.

With the last few months of the school year upon us, it is sometimes hard to keep students motivated. The article below suggests five strategies that can help increase your child's motivation to learn:

Kids who are motivated to learn are likely to be more successful in school than those who are not. To motivate your child:

1. **Be a learner yourself.** Let your child see you read books. Watch educational programs. Attend school functions. Try new things. Show curiosity.
2. **Share what you learn.** Talk about new ideas or scientific discoveries with your child. Discuss things you read or hear.
3. **Show an interest** in what he is learning. Ask questions simply to learn and share - not to check up on your child.
4. **Let him know** you believe he can learn. If you show faith in your child's ability to learn, he will have more confidence in his ability.
5. **Stay positive.** If your child has problems in school, help him see that problems can be solved. Meet with the teacher to figure out ways your child can improve. Then discuss ways you can work together to help him succeed.

Families on the Move?

Please let the school office know if your family will be moving next year. As planning is underway for next year, it is very helpful if we are aware of any students who will not be attending our school in September.

Celebration of Learning/Spring Conferencing

This is a reminder that we have our Celebrations of Learning/Spring Conferencing scheduled for next week. Communicating student learning is an essential part of education. Next week we have some teachers planning a "celebration of learning", some will be setting up individual conference times, and some are planning a combination of both. Please see the instructions below on how to use the online appointment booking system. This will be an opportunity for students to take a central role in sharing where they are in their learning as well as sharing what they see as their next steps. As educational researcher Anne Davies says, "When students communicate with others what they have learned, they come to better understand what they have learned and what they need to learn."

Criminal Record Checks

We value parent helpers and other volunteers who support with various different activities at EES. We want to remind you that it is mandatory to have a

Criminal Record Check completed prior to taking part in volunteer activities (classroom activities, school activities, field trips, etc.). They are good for 5 years. With so many field trips and special activities coming up, we wanted to remind you of this expectation. We do have a letter available at the EES office for you to get so that you don't have to pay the usual fee for getting this done. The RCMP have advised us that there is at least a two-week timeline to complete the process, but it could take longer during peak times. Please note that due to privacy regulations, organizations cannot share this type of information, so you need a separate Criminal Record Check completed for each organization you volunteer with. If you are not sure you have completed a criminal record check for EES please ask the office.

Unsafe Litter

We have been hearing our community. We felt it children of what to do if to discuss items that are “safe”

to pick-up and items that are “unsafe” to pick up. We know that children can be very helpful, but we don’t want to put them at risk for picking up something that could be dangerous to themselves or others. Items such as broken glass, sharp metal, and needles need to be disposed of with care. Images of needles can be easily found online to show your child what they look like. If your child comes across a dangerous item, we advise them to report to an adult immediately. Sharp items should never be discarded straight into a garbage can. They should be in some kind of container so as not to poke through a plastic bag and injure an employee who is handling garbage bags. There are several “safe” containers available around the community to dispose used needles so as not to put the public at risk. We still encourage everyone to help keep our public spaces free of litter – we just ask that people use extreme caution if they encounter unsafe litter.

reports of unsafe litter around public spaces in would be a good time to teach/remind our they encounter unsafe litter. Please take some time

Parksville Library – Summer Reading Club

We invite students at your school to embark on a reading adventure at the library by participating in this year’s BC Summer Reading Club: **Imagine the Possibilities!**

Each summer, Vancouver Island Regional Library (VIRL) offers a free Summer Reading Club to help children stay on top of the important skill of reading while they are out of school. As you know, regular reading over the summer helps kids to maintain or improve reading skills, and voluntary reading is key to making reading habitual. Summer Reading Club motivates kids to read by providing:

- Materials so kids can track their reading success: prizes, reading records, and stickers.
- Medals for all children who complete a reading record.
- Fun library programs, contests, and activities.
- Wrap-up parties at the library to celebrate a successful summer of reading.

Summer Reading Club officially starts on **July 2nd**. Parents and/or guardians can register their children at their local library beginning **June 18th**. Kids who register receive a special package to keep track of their reading; the package includes a reading record and other fun stuff.

Reporting Student Absents

When reporting your child's absence, please call the office at 250-248-8446 (after hours you can leave a message on our answering service – just listen for the option to report a student absence in the directory). It is important to let the office know if your child will be late or not attending school for the day(s) so your child is accounted for. It only takes a minute. If your child is not at school or late you can expect to receive a call to your main number. Thank you in advance for reporting early!

NEW WAY TO PAY

This year our district has made it possible to pay for any school fees online. If your student's classroom teacher has requested to use agendas, a sheet with detailed instructions on how to sign up for School Cash Online has come home. If your student's teacher is not using agendas this year a detail sheet will come home shortly. On our Errington Website there is a direct link to www.schoolcashonline.com, it is quite easy to sign up. Once signed up you will receive email notifications if there is a fee associated with your student. You are still able to pay for any school fees with cash or cheque, but we are offering the option to pay online.

As always if you need any help navigating this system please feel free to call the office and they will be happy to help you.

Headlice

It's that time of year – headlice is back in town! A reminder to parents to start checking your child(ren)'s head and let's be preventative. If in need, the school does have lice combs and pamphlets describing the recommended treatment – just ask at the office.

Information is posted on our website, in the General Information section.

NEWS FROM YOUR LIBRARY

TAKING CARE OF OUR LIBRARY BOOKS: We ask that students return their library books promptly as many have students waiting to read them. Using a bag for library books helps keep books safe from damage in backpacks. Having a special place at home for library books is helpful for keeping them from getting lost! Any books that are lost may be replaced with a good quality book of similar genre. Please speak with Ms. Macrae or Ms. Richards.

AUTHOR AND ILLUSTRATOR VISITS TO EES: We're so excited to welcome internationally acclaimed authors and illustrators to EES Library next month! Parents and caregivers are invited to attend these sessions which run the last week of May. Please email Ms. Richards at jrichards@sd69.bc.ca for more information.

Gabrielle Grimard: transformed her love of design into a career in illustration over the course of her studies at Concordia University and the University of Quebec. In 2018, Gabrielle's picture book *Stolen Words* won the Ruth and Sylvia Schwartz Children's Book Award and was a finalist for the TD Canadian Children's Book Award. *Not My Girl* was a USBBY Outstanding International Book. Her creativity has been applied to children's publishing, advertising and educational contexts. <https://www.gabriellegrimard.com/index.php/en/>

Emma Fitzgerald: What is it like to wake up every day and draw as your job? Emma will share her unique process of drawing on location, sharing how she first studied art, then architecture, then started a house portrait business, and then became an illustrator and writer! <https://www.emmafitzgerald.ca/About-Emma-2>

Linda Bailey: Dogs, dinosaurs, monsters — and more! Join Linda Bailey for a fun-filled romp with characters who will jump off their pages to say hello. Meet Stanley, who invites half the dogs in town to his people's house in *Stanley's Party*. Consider what might happen *If You Happen to Have a Dinosaur* lying around your living room. And find out what-the-heck is lurking under Leo's bed in *Under-the-Bed Fred*! Linda Bailey loves to look at life from unusual points of view. Join her as she tells the stories behind some of her favourite characters — and takes you inside their worlds! www.lindabaileybooks.com

Jordan Stafford: is the author of the Middle-Grade *Wollstonecraft Detective Agency* series from Knopf / Random Penguin, which is being adapted to a video game, as well as for television. He has been featured on *c/net*, *io9*, *boing boing*, *WIRED*, and *Reading Rainbow*. www.jordanstratford.com

Michael Arvaarluk Kusugak: is a gifted and mesmerizing storyteller. In Inuit culture, storytellers learn their craft by listening to stories told to them as children. These stories are ancient and compelling, told over and over again changing slightly with each teller's telling. Michael was introduced to the stories by his grandmother while he was traveling by dog team living in igloos and sod huts at the Arctic Circle. He weaves these stories with stories of his life, a life of rapid change and adaptation. Michael's storytelling will transport you to another world. www.michaelkusugak.com

Eco-Dfndrs Summer Camp

August 10–18, 2019 Denman Island B.C.

Prior to participating, campers are encouraged to consider this year's theme of "Water" and what it means to them on a personal, local and global scale. In order to further explore the theme, this year's outdoor activity will include kayaking and canoeing lessons in order to gain a different perspective and access to the wetlands, lakes and coastal waters on and around Denman island.

The camp will culminate in a premiere of completed and/or a work-in-progress short films for friends and family on the final

day of camp. Films will also be posted on the DFNDRS website and Facebook page. No prior experience in film is required, but you must have a passion for filmmaking, a desire to create change and develop your art in a collaborative environment!

Our goal is to align with local groups, organizations and communities, in which the short films can be used to help promote, educate and inspire, such as the Denman Island Conservancy Association.

"It was awesome. I learned so much and it really inspired me to think more about what I could do in my community to help the environment. I definitely want to do it again."

Parent Support Circle - Coombs

Sometimes you just need a little space to talk with other parents

Parent Support Services offers free, confidential self-help support circle groups that are led by two trained volunteer facilitators.

We believe that every parent is the expert of their own family. Sometimes it just takes a bit of space to hear yourself and the voices of other parents to find your way through.

Parent Support Circles provide a safe, supportive place to share ideas and information with others who are parenting.

Find out more and register for a new group starting soon.

Electronic Newsletters

EES newsletters are provided bi-weekly on Fridays. Newsletters are posted to the EES website and parents who have registered will receive a notification email and link when a newsletter has been posted. Most parents use this option and it certainly reduces the amount of paper and time required to prepare newsletters. Subscribing to the electronic newsletter is very simple.

Sign up through the Errington Elementary School website (<http://ees.sd69.bc.ca>) by entering your email address in the area "Sign up for our newsletter & keep in touch" found near the bottom of the home page. After you enter your email and click on "GO" an email will be sent to your email address. **You must respond to the email to become a verified member to receive newsletters.** There is an option to "Unsubscribe" at any time you choose.

If you would prefer to receive a paper copy of the newsletter, please fill out the tear-off below and return to the school as soon as possible. We will only print a paper copy to those who have filled out the tear-off below. Please note that you need to indicate your desire for a paper copy of the newsletter each year. We will keep a few extra copies in the main office for pick-up if necessary.
