---

## **KSS SPECIFIC INSTRUCTIONS**

- **Vaccination is highly recommended** for staff and students
- Ensure that you have completed the **active daily health check** every morning before coming to work
- Do not come to work if you are exhibiting any **communicable disease** symptoms
- We are continuing to monitor the flow of traffic -**keep to your right**
- If you become ill at work – **Go home** and inform admin/office staff
- **Masks** are currently not required. **Personal Choice** regarding mask use will be both supported and respected.
- **Masks** will be available for those who have forgotten theirs
- Physical distancing is not required; however, **Personal space** is to be honoured
- **Visitors** to the building will still sign-in at the office
- **TTOC's and EA Spares** will complete an orientation during their first visit to KSS
- Building ventilation is currently **meeting** Worksafe standards
- Portable air conditioners and **fans** are only used in ventilated spaces
- **Hand-hygiene** facilities will still be throughout the school. Students and staff will be reminded and encouraged to wash their hands regularly and/or use the hand sanitizer stations throughout the building
- **No sharing** of food or drink for staff or students
- **Occupancy limits** at this time are pre-pandemic standards. Personal space is encouraged.
- **Emergency drills** will continue with full participation – physical distancing is recommended at muster points
- **Staff meetings** and professional development will be held in-person
- **Disinfectant sprays** are located on tables throughout the building and in staff prep area.
- If you choose to wear a mask - remember to **wash your mask** regularly and always follow proper mask etiquette
- The use of **Water fountains** is not limited
- **Washrooms** are all open
- **Food Services** are following regular operational and food safety practices

**BE KIND, BE CALM, BE SAFE - BE RESPECTFUL, BE PATIENT**
