April 17, 2019

Dear Parents and Guardians:

There was a situation which occurred today at school that involved a serious comment being sent via social media to a peer group. Any possible comments or concerns that indicate a potential threat are taken very seriously as per school district protocol and information shared as per our fair notice letter.

We worked at the school level, with district staff, and the RCMP, and quickly ruled out any potential threat. We have used this event as a teachable moment with our students today, to remind them that we will take all comments made seriously, and act according to our school district's Threat Assessment Protocol.

Please contact the administration directly if you have further concerns.

Sincerely,

Lori Marshall  
Principal
