

KSS Student Bulletin

February 28-March 4

- The Kwalikum Observer is meeting this Thursday at lunch in room 116 to discuss our current and upcoming issue! Do you want to be a part of our school newspaper? All are welcome!
- A reminder that KSS is trying to ease the garbage production of the school. Please take a moment for the correct selection of compost/recyclable/waste bin colour or bottle/can collection when you dispose. If a coloured bin is not nearby, it won't be far away.
- Interested in Social Justice and/or Gender/Sexuality Alliance? Join us at Inclusion Fusion! We meet Thursdays at lunchtime in Room 282.
- The senior girls basketball team had an exceptional season and met their goal of going to Islands.
- KSS Student Artists are invited to create a KSS Pride Logo. Create a T-shirt design with no more than 9 colours, to be printed on a black t-shirt. Hand in your design to Ms.B in the Art Studio (271) by April 8. The chosen design will grace KSS Pride t-shirts and be sold at the school, and the artist will receive a free t-shirt with their design on it.
- Students traveling to the Bamfield Marine Science Centre need to be in the bus lane no later than 8:15 am on Tuesday morning.
- Parent/Teacher Interviews are happening March 9&10. Parents can begin to sign up on the website as of Monday, February 28 @ 8:00am. Look under the School Links!
