They will explore how sculpture reveals insights into the human experience and has the power to effect change. Students will also begin exploring opportunities and career pathways of professional sculptors.		

Fine Arts The Art of Gender 12- Blended CEAP & KSS course

YSSC-2C

Grade 12

Credits 4

Students will actively engage in creative processes like storytelling, writing, and art to explore ideas around Gender. Developing these processes, students will examine ideas, beliefs, and theories about Gender in our society and around the world; both looking at the current status of Gender and the evolution of ideas, beliefs and theories of Gender over time. Students will explore these topics in the classroom and in the field, through literary texts and through art. Learning outside will provide the students with an opportunity to connect to nature, and to achieve daily physical activity. Delivery model: Set into a semester block A or B: Face to face at CEAP Secondary on M/W/F and self directed on T/Th.

Fine Arts Theatre Production 12

MDRTP12

Grade 12

Credits 4

This course is a focused study in the technical branch of theatre. Students specialize with a range of materials, props, conventions and technologies in areas of personal interest.
