

Munch a Lunch is Back

We are pleased to be able to bring back the Munch a Lunch program with the support and effort from your PAC and NBES administration.

We have changed the format this year to facilitate a more streamlined program and broken the ordering of hot lunch into 3 periods. The first deadline for ordering will be October 26. You **MUST** order popcorn by this date for the dates until January 8th 2021. Pizza and Subway can be ordered up until midnight of the Monday prior to each Friday's hot lunch, for example: if you want your child to have pizza on Oct 30th you must place the order prior to midnight on October 26th.
