Red and White Dress-Up Day February 23rd

Celebrating the closing of the
Winter Olympics.

Families on the Move...

Please let the school office know if your family will be moving for the next school year. It is very helpful if we are aware of students that will not be attending NBES in September.

District Skills Day – HUGE SUCCESS!!!

Students from different elementary schools came together at Springwood Elementary to compete in Applied Design, Skills, and Technologies (ADST) challenges: Keva Plank building, Spaghetti Bridge building, Sumo Bots and Wind Turbine design. It was exciting for students to take the skills that they had been developing at the school level and see how they held up when competing with students from around the district! Students also had the benefit of learning from each other by coming together at this event. Three of the events are Junior Skills Canada events and our district winners will go on to compete at the Regional event being held in Campbell River on February 20.

Congratulations to....

Keva Plank building challenges

- 1st= Ben V, George S and Daniel R.

Spaghetti Bridge Building – Rm. 12
