Staff vs students volleyball game. Go Eagles!

Admin Message

This is most certainly a unique time that we find ourselves writing this message to you. The NBES staff miss the students very much and look forward to making connections with everyone over the phone or through email. We hope everyone is well and taking good care of themselves.

Before we went on Spring Break some exciting things were happening at school. We had some grade 6/7 students take part in the Regional Skills Day in Courtenay at Vanier Secondary. Thunya and Georgia participated with their Wind Turbine, Connor and Aiden with their Spaghetti Bridge, and Tibor and Felix with their Potential Energy Vehicle. Tibor and Felix placed 2nd and would have been going to the Provincials in Abbotsford this month but unfortunately it has been cancelled due to COVID-19. Congratulations to those students.

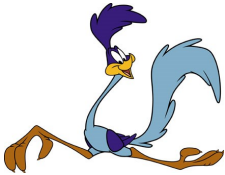

Our school had a very successful celebration of learning night. It was wonderful to see the band perform, and see how proud the students were to show their parents/guardians their learning this year. Thank you to PAC and leadership students for setting up snacks and coffee, as well as selling school hoodies, t-shirts, and water bottles.

As we navigate our way through these uncharted waters we would like to stress the importance of staying connected with each other. NBES is a very special school surrounded by a loving community. Although we physically can't be together right now, we are thinking of you all and look forward to the time when it is safe and healthy to come together again. Take care!

Volleyball season ended well for NBES, their final game was the last Friday before Spring Break against the staff!! The skill level displayed by students and staff was incredible!

Students are encouraged to bike and run to keep healthy and fit, being mindful of keeping their distance from others.

NBES girls volleyball team at SES for the district tournament.

Georgia and Thunya at the Skills Day with their wind turbine.

Leadership students working on making First Nations drums with Linda Rabideau.
