- Feb 28th Pizza Day

## Admin Message

We kicked off this month with a student recognition assembly on Wednesday. It's always amazing to see how many different teams and clubs we have going on at the school. Mrs. Craig and Ms. Mihoc also read a story to the school for 'Read Aloud Day', please take an opportunity to read aloud at home with your child. Our Remembrance Day contest winners were also recognized at the assembly by members of the Legion. Congratulations to those students!

Our new leadership club has started up and they have planned some events for the month of February, which we like to call Kindness Month. Starting next Monday leadership students will be selling card grams during lunch. Students can purchase two cards for \$1.00 and write a message to a friend. The leadership students will deliver the card grams on Valentines Day. Also on Valentines Day we will have a dance at lunch recess and a photo booth. Students can pay \$1.00 for the photo booth and leadership students will get pictures developed.

Towards the end of the month is Pink Day, we encourage everyone to wear pink! The leadership club will be organizing a school wide flash mob dance to promote kindness!

Parents/guardians please continue to track your child's success through their e-portfolios.

Volleyball is under way and both teams are doing very well. District Volleyball Tournament is March 5th.

Girls will play at Springwood and boys will play at QBES.

## Nanoose Mountain Bike Club

Every Thursday after school. Meet on the grass by the school sign. Parents/guardians are encouraged to join the rides.
