Happy New Year! It's been a great start back to school after the holidays. Lots of positive energy around the school from staff and students. Kindergarten registration starts this month. We are looking forward to starting volleyball season for 6/7 students next week.

With the cold weather around, please ensure your child comes to school dressed appropriately. We are fortunate to have solar panels installed at NBES so if there is a power outage and we need to communicate with home, our phone lines will still be running. There is a new communication tool that the district has launched that will be used to communicate important messages to our school community. It will be used when there are district-wide notices regarding extreme weather conditions, transportation disruptions or emergency events.

Teachers will be sending progress reports home at the end of the month.

Volleyball season will be starting soon for grade 6/7 students. Schedules have been sent home with students and it is posted on our school website as well. District Volleyball Tournament is March 5th.

### Nanoose Mountain Bike Club

Every Thursday after school. Meet on the grass by the school sign. Parents/guardians are encouraged to join the rides.
