

Reminders:

- Please complete and return the **Forms & Verification package** sent home with your child.
- Register online for **PAC's Munch-a-Lunch** program.
- **Litter-less Lunches**—we will continue to request that students return lunch items home to be recycled, composted, or thrown away to reduce the impact on both the environment and available school resources.
- Please remember all adults entering the building must **check-in at the office**.
- A reminder that students are to remove their hats and hoods when entering the school building. This increases the safety of all children as we can identify them easily. Thank you for your co-operation.

Principal's Message

Welcome back to our returning families and welcome to our new families! We have had a great first week of September as we engaged in our reconnect activities, afternoon outdoor events, and our Welcome Back Assembly. We even had the "opportunity" to test our emergency backup system of solar panels and Tesla Powerwalls!

We are trying a new monthly newsletter format this year and hope you find the contents helpful for staying up-to-date with on-goings at NBES. It will be available via e-mail and on the school website.

We look forward to seeing you at the Open House evening and PAC BBQ fundraiser (by donation) on Monday, September 23rd., starting at 5 pm!

Ordering School Photos

We are working with **Concept Photography** this year. The process will be different than in past years, with much of the interaction being online. Please see the information that was sent home hard copy and shared via e-mail last week. If you require assistance with the ordering process, Concept Photography is happy to help and can be contacted at 250.741.4209 or lance@conceptphoto.ca
