It's a great resource for parents who care to limit their families screen time and get out to enjoy summer.

Just a reminder that there is no supervision before 8:30 am or after 2:50 pm

For the safety of all, please remember to slow down in and around the school area.

Host Families Needed

The Qualicum International Student Program (District 69) is currently looking for summer homes for students coming from Japan this summer —**July 12th to August 16th, 2019**. Students are in grade 10 and will be attending classes from 9:00 am to 3:00 pm, Monday to Friday. If you can open your home to 1 or 2 students, please contact Jenny Atkinson at jatkinson@sd69.bc.ca

We are also looking for host families in the District 69 Area to host international students from around the globe. We are looking for short-term homes (1 week to 8 week programs) as well as long-term homes (5–10 months). You must be able to provide a warm and welcoming home environment, a private bedroom (which includes a bed, dresser, desk, chair, and proper lighting) and three meals per day with snacks also provided. Some transportation will be required and students must have total inclusion in the family as would be granted a family member.

Hosting an international student will provide you with the opportunity to make new friends from around the world and can be an exciting cultural experience to share with your family! There is financial compensation to cover the costs of hosting an international student. Participating in the program can be a life changing experience for both students and their host families.

Get involved today!

*Excellent care, for
everyone,*

everywhere, every time.

Dear Parents:

Re: Records of Immunizations

The Province of British Columbia has requested that all students in grades K-4 and 10-12 receive a copy of their immunization record so parents have an up-to-date copy to provide to their child's school in the fall of 2019.

Public health is providing these records to schools in personalized envelopes and requesting that schools distribute these sealed envelopes to the students. Please watch for these records and retain them should you need to provide them to your child's school in the fall.

If you have any questions or require any additional information, please don't hesitate to connect with us at 250-947-8242.
