April 2025 | Welcome back!

What We Will Be Learning

Mar 31-Apr 4 : Autism Awareness

April is National Autism Awareness Month, which aims to promote awareness, inclusion, and acceptance and to draw attention to the tens of thousands of people facing an autism diagnosis each year.

April 7-11: All Humans are Humans

April is Genocide Remembrance, Condemnation and Prevention Month. During this time, we will talk about children's rights, take a moment to talk about what a refugee is and look at global perspectives-in grade appropriate ways.

Reminders

Books are checked out for a 2 week period. We are happy to renew books at any time.

Please help your child return books on their library day.

LIBRARY WHAT'S NEW?

April 2025 | pg 3

What have we been doing?

Ms Cammy and Mme Dragani have been busy in the library. We have been updating our shelving and reshuffling books. A highlight? Our new S.T.E.A.M section!

Have your child stop by the library! There are some free books about sports, animals, Canada and places around the world.

Up next for us - relabeling so students can easily find the new sections.

Reminders (K-3)

English & French Early Readers

We have 4 baskets in both languages full of "learn to read" books! Please help encourage your child to take one home.

Why Read?

Reading helps with language acquisition, increasing vocabulary and grammar, which enhances comprehension, and builds confidence in using the language.
