SEPTEMBER 2025

## In library news....

Hi! Mme Erica Dragani and Ms. Kimberly Barron will be helping in the library this year. We are truly excited to welcome students into the library very soon. Our library will continue to be filled with calm, joy, learning, and a love of good books shared among friends.

## EOES Book Menu

What to read next? Mme Dragani has created a visual reader's advisory tool to help students & families discover all our EOES collection has to offer. Thanks to jbrary.com for the idea! Here are examples of menus you will find: genre based, so you like..., for the K-3 crowd.

## Set Up For Success

EOES has a library page that can be accessed from anywhere. Go to our [school website](#) > "Programs & Services" > "Library". Here you will find our [EOES library policy and procedures](#). You will also find many other useful pages to help your family navigate the school year.
