Dear Parents,

Happy New Year to you and your family members.

Here at the school, we have had a **smooth transition** back to work after the winter holiday. These winter months lend themselves well to a period of deep learning. You will see your child engaged in new learning and growing their skills in the weeks ahead.

Knowing that proficient literacy skills are foundational to school success, our school goal this year is **improving students' reading outcomes**. New assessment tools are being used in order to identify components of reading that need practice (phonemic awareness, phonics, fluency, vocabulary, comprehension). **Oral language** is developed everyday at school through play with peers and family interactions. And PAC has supported our renewed **Community Readers** program where volunteers read with students every day. Much appreciated!

If you are considering new household **habits** around daily reading, consider limits on screen time during the week, substituting reading instead. A recently published longitudinal study by Sick Kids Hospital in Ontario confirms what everyone suspected; screen time corresponds to reduced abilities in reading and math ([READ ABOUT IT HERE](#)). Maybe your child **loves** to read and it's about continuing to grow their interest by bringing more great books into the house. School and public **librarians** are a great resource for quality book recommendations.

The annual **Read-a-thon** is in the planning stages - and is coming up over the weeks leading up to Spring Break. With encouragement, students rise to the challenges of this event! Watch for info from PAC and your child's classroom teacher...reading skills really blossom with all the extra practice. And you may want to stock up on books - or find your library card - to model reading or just to try to keep up to your kids!

Yours,  
Corleen McKinnon, Principal

**Grade 4 and 7 Parents:**

**Your child's completed and scored Foundation Skills Assessment booklet is coming home. Look for the attached report showing your child's assessment as EMERGING, ON TRACK, or EXCEEDING in both Literacy and Numeracy. An online portion was also completed. We are happy to see our students' FSA results trending upward!**

Reminder to families of students in  
Ms. Beasley's and Ms. Furness' class:

*Please remember to either pay for  
a recorder, or bring one from home  
as our unit has already begun.*

### **Looking for Lego!**

Does your family have lego to donate?

## CONSTRUCTION BEGINS!

The QBES community is in for some change as construction begins on a provincially funded 75-spot daycare facility located in the northwest side of the playfield, adjacent to the parking lot. A new entry will be punched through from West Ridge Rd to be used as the exit for service vehicles. Some parking spots will be temporarily absorbed into a fenced off staging area.

Please be patient - and cautious - as this is a one-year construction period with completion set for January, 2027. There will be significant controls and robust safety protocols whenever trucks have to enter the site to deliver material or carry out work on the site. The construction fence integrity will be tested every day and the Construction Manager is very well versed in completing projects on occupied school sites.

## SAFE DROP-OFF PLAN

## Beware of Slips and Falls

Our parking lot, sidewalks and tarmac can be frosty or icy in the mornings. We endeavor to get some de-icer down early but it does take time to be effective. We hope that your child, and you if visiting, will use caution and be sure to send your child in footwear with good treads during these winter months... especially so in the mornings.

### SAFETY PROTOCOL

Reminder that adults are asked to enter QBES through the **front door** to check in at the office. Staff need to know who is inside the building. Authorized visitors are issued an identifying approved "Visitor" badge.

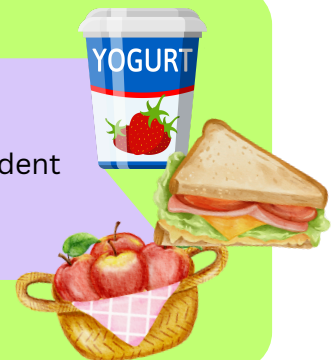

### DRESSING FOR THE WEATHER

Winter weather is still with us. Please remember to send your student with a **change of clothes** in their backpack. At QBES we enjoy outside recess in all types of weather and it helps to be prepared!

### WE FEED HUNGRY KIDS!

QBES offers lunches and snacks to any student who needs food any day of the week.

**Lions Vision Screening  
for Grade 4 & Grade 7 Students  
Tuesday January 27, 2025**

Forms will be sent out to families of Gr. 4 and Gr.7 students next week, regarding free vision screening at QBES and provided by the Lion's Club, in partnership with the Qualicum School District.

**PROPOSED SCHOOL BOUNDARY CHANGES – JOIN THE CONVERSATION!**

On January 14th, the Board of Education held a Virtual Town Hall regarding potential changes to the boundaries impacting local schools intended to relieve enrollment pressure on Springwood Elementary and École Ballenas Secondary Schools. If you were unable to participate that evening, you can view the recording [HERE](#).

Once you have viewed the recording, the Board of Education invites you to share your feedback on the proposed changes. The link to the survey can be found [HERE](#) and it will remain open into February 2026.

### **NEW for Nanaimo in 2026!**

KIDOVATE Market Day is Saturday, April 18<sup>th</sup>  
Nanaimo North Town Centre Mall  
10:00 AM - 4:00 PM

#### **About Kidovate**

Kidovate is being offered in Nanaimo in 2026! Kidovate is a fun, FREE, youth entrepreneurship initiative of the University of Victoria's Gustavson School of Business. Last year 238 young entrepreneurs participated in Kidovate Victoria.

Anyone in grades 6-12 can participate! Registered youth receive access to a free table on Kidovate Market Day where they can sell goods or services that they make, re-purpose, or re-sell. Space is limited so register today at [www.kidovate.ca](http://www.kidovate.ca)

Participants receive a graphic novel-style workbook to help think through some of the key decisions Kidovate micro-entrepreneurs need to make. Participants can also be connected (virtually) with UVIC Business student mentors who help youth decide what to sell and how to sell it.

Questions? Check out our website at [www.kidovate.ca](http://www.kidovate.ca) or contact Dr. Brock Smith at [smithb@uvic.ca](mailto:smithb@uvic.ca)
