Dear Parent/Guardians,

In consultation with the QBES PAC, the school has decided to restructure how school supplies will be purchased. Our goal is to save families money and to make sure the supplies purchased are specific to the teacher and classroom needs. Teachers will send home class specific supply list in September, however this does not stop parents during the summer from picking up the essentials like pencils, pencil crayons etc.

- **Part A:** The school will be providing each teacher with a partial set of supplies that they will use over the year. *These items will be removed from the previous supply list.*
- **Part B:** Items needed for the first day of school.
- **Part C:** In September, your child's **new** teacher will provide you with a class specific supply list for the year. During the school year, additional items may be requested by the classroom teacher.
