Message from Principal

SES Families,

Welcome back! We hope you had a wonderful summer and are as excited as we are for the year ahead. It has been fantastic to see how smoothly our students have settled in—they've brought great energy and enthusiasm to the classrooms, setting a positive tone for the months to come. You may have noticed some construction work around the school. We're thrilled to share that our new playground is on its way and scheduled to be completed before Halloween. This will be a wonderful addition to our school community.

We would also like to invite you to our Open House on Wednesday, September 10th, from 5:00–6:00 p.m. This will be a great opportunity to meet staff, connect with other families, and see your child's learning environment.

As always, we encourage you to reach out to your child's teacher to introduce yourself and keep communication open. Strong connections between home and school help ensure the best possible experience for your child.

We hope your child has had a fantastic growth, and experiences ahead. Please

we look forward to all the learning, h out if you need support along the way.

Sincerely,
Jesse Witte

Parent Information

Early next week we will be sending home paper forms that need to be verified, filled out and sent back to the office as soon as possible. One is our emergency release form. Even though you fill this out every year, you MUST fill out a new one every year. Thank you for your help with this. You will also receive a verification form. Please review this form carefully to ensure we have all of your students information correct. Please mark up the changes that need to be made on the form provided and return it to the office. Thank you for helping us get off to a great start with the correct student information.

School Cash Online is now open to receive online payments for school supplies. If you are not familiar with this program and need a hand setting up your profile please call or stop by the office. Mrs. Nikirk can help you get set up. School Cash Online is a district wide payment platform that will be used as long as you have a student that attends school somewhere in Qualicum School District. You will receive emails for field trip payment, student fees, activities, prom. You name it, the schools use it for your convenience to pay online and help remove the hassle of trusting kids with cash and cheques. You can find the link for payment on Springwoods website or you can locate it here <https://qualicum.schoolcashionline.com/>

If you have a student in grade 3 or older you should have received an email from our Technology Department through a program called Permission click. This online form is requesting for your student to have access to the internet. All student online access is allowed until September 30th. At that point all student accounts will renew. If this digital form is not signed by September 30th then your student will lose access to their google classroom.

Student Absences - Safe Arrival

Dear School Families,

School District 69 is launching the SafeArrival component of the SchoolMessenger tool. This is a tool that provides multiple ways for parents to report absences when their child will be away and also speeds the process of reaching out to parents when a child is not at school. Please see the attached letter for details.

In the attached letter you will see that ways of reporting an absence, regardless of which option you choose, you will need to provide the information that you have provided to the school. Using the app or website will require you to create an account with your email address. Please use the email that the school has on file for you (the one you that is receiving this message). If you choose to use the phone system to report an absence you will be asked to provide the phone number the school has on file for you in order to use the system. This information is what connects you to your child/children in the system.

You can continue to report absences by calling the school at 250-248-2038 but we are strongly encouraging families to use the SchoolMessenger app, website.

Thank you

National Day of Truth & Reconciliation - September 30th - students do not attend

Each year, September 30 marks the National Day for Truth and Reconciliation.

The day honours the children who never returned home and survivors of residential schools, as well as their families and communities. Public commemoration of the tragic and painful history and the ongoing impacts of residential schools is a vital component of the reconciliation process.

PAC Newsletter Information

We're excited to welcome you back for another wonderful school year! If you know of any families who aren't on the PAC email list, please let them know they can send us an email to get signed up. If you're no longer part of our Springwood family, just drop us a quick email, and we'll happily remove you from the list.

🏠 We'd love to see you at the SES Open House on Wednesday, September 10th from 5-6 PM! This is a great opportunity to meet your student's teachers and check out the school. Our PAC executives will be there to say hello and answer any questions you might have. You can also reach out to us via email anytime—don't be shy!

👷 You may have noticed that we recently broke ground for the construction of our new playground at SES! It has been a long road to get here and we are so grateful for all of the support we have received. Huge thank you to the Rotary Club of Parksville for their generous contribution of \$20,000 towards accessible playground equipment, Tire Stewardship BC for their amazing grant to help us include recycled tire surfacing in the playground design, Sunbelt Rentals for donating the excavator rental, and Ucluelet Excavating Inc. for generously donating their time to complete our site prep. THANK YOU to each and every one of you who has continued to support our fundraisers! A very special thank you to all of our PAC executives who are working hard to bring this playground dream to reality. Stay tuned for progress updates!

🍕 Hot Lunch information will be available soon! Stay tuned for all the delicious details.

✎ School supply fees are now available in your School Cash Online account! Fees are due by September 15th.

📅 Mark your calendars for our first PAC meeting on September 18th at 9 AM (Foods Room). It will be a laid-back gathering with some coffee and tea to enjoy. We'd love to have you join us!

Parkville Fire Annual Open House - October 5

Parkville Volunteer Fire Department members will host their annual fire prevention week open house on Sunday, October 5 from 10 am to 2 pm at the Parkville Fire training grounds, 1159 Franklin's Gull Road.

The event is a great opportunity for residents to learn about fire safety including home fire sprinklers, smoke alarms and home escape plans. There will be educational displays and interactive activities where you will learn how to use a fire extinguisher, how to perform CPR, try hose and target practice, and a kids' bunker gear challenge.

At 1.30 pm, there will be a live burn demonstration featuring a side-by-side burn with two similarly furnished rooms; one protected with fire sprinklers and the other without fire sprinklers. The demonstration shows how quickly a fire can become deadly versus the quick response and effectiveness of a fire sprinkler system in controlling or extinguishing a fire.

Fire prevention week is recognized by the National Fire Protection Association from October 5 to October 11 and this year's theme is "**Charge into Fire Safety: Lithium-Ion Batteries in Your Home**" to help educate about using these batteries safely. Key safety tips for residents from Parkville Fire:

- Purchase and install only batteries with an approved safety certification mark such as ULC or CSA.
- Always use the cords, charger and accessories that come with the product for charging. Follow all manufacturers' instructions for use and charging. Place your device on a hard surface when charging and do not overcharge. Unplug or remove the battery from your device when it is fully charged.
- Repairs or maintenance to your device should only be done by an authorized repair facility. Batteries should not be thrown into trash or regular recycling because they could start a fire. Visit recycleyourbatteries.ca/ to find a recycling spot near you.

OPEN HOUSE

Sunday, October 5, from 10 am to 2 pm at the Parkville Fire training grounds, 1159 Franklin's Gull Road. Live burn demonstration at 1.30 pm.

RECRUITMENT

Planning has begun for 2026 recruitment; we are seeking volunteer paid on-call firefighters. Stop by Parkville Fire Rescue, call 250 248-3242 or visit parkvillefirerescue.ca for more info.
