- Welcome to all returning Trustees Austin, Flynn, Kurland and Young and Trustee Elect, Carol Kellogg and thanks to each of them for their involvement, support, commitment and advocacy toward public education.
- Encouragement for all trustees to not only visit their liaison schools regularly but also to visit each school as each one has its own culture that has been created and cultivated with the support of district and school administration.
- Suggestion that the Board bring back 'Coffee Talks' as teachers enjoyed the opportunity to share their successes as well as challenges they are facing.
- Recommendation for trustees to speak with Principals to hear how each school has used the funds received through the Student and Family Affordability Fund.
- On October 21st MATA members participated in a number of Professional Development Day activities both in and out of the district as well as on line which provide growth in specific areas of the curriculum and/or improvement in their personal practice.

12. INFORMATION ITEMS**a. Superintendent's Report**

Peter Jory, Superintendent of Schools, reported on the following:

- The Strategic Planning surveys for parents and guardians have gone out and come back. These asked respondents to remark on our strengths and stretches, their ideas for what skills, knowledge, and attitudes our students should demonstrate when they leave the school system, and also to give the board feedback on their new DRAFT Vision, Mission, and Values. So

far, there have been approximately 130 responses. The links will be open for another week or so.

- The Superintendent will then take the responses from the survey and form them into themes which will be used to help design the questions and conversation starters for upcoming focus groups at schools and worksites. Adding to all this information gathering will be contributions from the next Indigenous Equity Scan session scheduled for Friday, November 4th at Qualicum Commons, and also from the New Curriculum surveys from June. At the next superintendent and trustee discussion session, they will take a look at the responses for the district's vision, mission, and values, and determine whether there will be any changes to the draft work developed so far prior to bringing them back to the next public meeting for the new board to potentially approve.
- Congratulations the re-elected trustees and welcome to Carol Kellogg, the newly elected trustee. Thank you also to departing Trustee Laura Godfrey for her great work and wise counsel while serving.
- The Family and Student Affordability Fund has been received, with school spending at \$57,366 to date of the \$448,000 provided to the district. School principals have consulted with their parent advisory councils and are using this funding to relieve cost pressures in the areas of fees, field trips, and food. School administrators have been asked by the Superintendent to provide regular updates to their parents and guardians regarding their spending to help track the impact.
- Thank you to all district staff for their hard work and enthusiasm this October. Superintendent Jory has been out in schools more frequently this year and observed staff and students smiling and engaged in their work and in their learning.

b. Education Update

Rudy Terpstra, Director of Instruction, reported on the following:

- Spaces assessment platform onboarding is going well with 30 classes and 151 families engaged and 500 students on board. A lead has been trained in all schools and they have been doing school presentations to support teachers to get involved as they so choose. Mr. Terpstra added a caveat to parents that next year's phase in roll out is just that; while parents may become engaged and resources were sent out for parents wanting to find out how to engage on that aspect, at this point the focus for this year is on students in classrooms.
- My Blueprint, which is our career education side of that same platform, all administrators, counsellors and career education staff have been provided with in-service and there are 39 teachers on board for that. The next part of that is focusing on the two high schools. This program now is solely for the high school although it will have aspects for Elementary in the future.
- Thank you to Lesley Rowan, District Principal of IT, and Greg Lewis for supporting these platforms at the district level.
- Ed Plan Insight was a new data platform introduced last year. The district has the provincial FSA data for 2020, numeracy 10 to 2021 and district summative marks (previously known as report cards) for K-12 students from June. This fall, with support from the Teaching & Learning Team, a district-wide Write assessment for grades 3 and 5 is being implemented as well as a Numeracy 6 assessment. Those will provide teachers with a good snapshot of their students' learning profiles by the new year.

- A new Reporting Order comes into effect in September 2023 and district staff are considering its impacts and interpretations for how it will implement the new Learning Updates. SD69 is ahead of the assessment curve compared to other districts and, therefore, the change may not have as large an impact. The district is in the process of moving K-7 reporting from SSDAS to MyEdBC which should provide simpler access to the same grade of reporting to homes.
- The third of the Katie White Dinner Series was held on October 24th. Attendees focussed on the power of flexibility in how students are engaged and how their learning is shown in curriculum competencies.
- The 2nd of the Walking Alongside Sessions will be held on November 3rd.

Gillian Wilson, Associate Superintendent, reported on the following:

- Encouraged trustees to visit Nanoose Bay Elementary School for a good example of how they are weaving Indigenous Education into everything they are doing.
- Attended a Safe Schools Coordinator meeting on October 24th. She commended school administrators, teachers and support staff who provide a multi-lateral look at students to determine how best to support them, as well as the community organizations which support families in the district.
- The Oceanside Building Learning Together license for the additional 23 child care spaces at the daycare at Arrowview Elementary has been approved.
- She and the MATA president are working on the next Curriculum Implementation Advisory Committee meeting to identify recommended resources to the Board.
- Acknowledgement to DPAC for arranging the White Hatter information sessions for parents on internet safety and digital literacy.

c. Enrolment Report

Associate Superintendent Wilson reviewed the enrolment report as provided in the agenda package and highlighted the following:

- The changes to the Springwood Elementary School boundary have worked well to ease the pressure at that site and resulted in enrolment between that school and Oceanside Elementary School almost being equal. Staff have also right-sized the Parksville Alternate Secondary School Program (PASS) with discussions occurring with the District Based Team when a student is being referred to the program.
- Another area staff are focusing on is to build success for students who are working online and helping them make selections that better match their way of learning.
- Projections have not been met for the Collaborative Education Alternative Program (CEAP) and staff are working with activation dates. The district is not funded until students have completed 10% of their courses.
- At this stage, the 1701 numbers will be based on 4298 students, from which the district receives its initial funding.
- The Primary Community Learning class is full with 20 students and there are a number of other families curious about the program.

d. Class Size Report

Associate Superintendent Wilson referred to the class size report as provided in the agenda package for classes that are over 30 students. There are some other classes that are over; however, those may have 2 teachers assigned to them. For

the four classes that are over 30 students, staff work on remedies for those teachers. Those classes are 'one-offs' in that there may not have been another option for a student to take the course in another semester and counsellors work to provide student with courses they need for graduation.

e. Trustee Elections Final Report

Secretary Treasurer Amos reviewed the results of the recent trustee elections as provided on the declaration of official election results. He congratulated all the successful candidates and wished bon voyage to outgoing trustee, Laura Godfrey.

He then advised the Board that the BC School Trustee Association (BCSTA) has sent out certificates to current trustees in recognition of their service to public education and he shared the number of years each one has served as a trustee in the public education system.

13. EDUCATION COMMITTEE OF THE WHOLE REPORT

a. Final Approval for Kwalikum Secondary Student Trip to Europe

Chair Flynn noted that it is not part of the Board's practice to have a statement from an absent trustee read; however, the Board will allow it in this instance and trustees will not have the opportunity to ask for further information as the trustee making the statement is not present.

Trustee Young read a statement from Trustee Austin addressing her concern that this opportunity is not one that has some sort of subsidy or financial assistance other than fundraising by the students and questioning whether the trip is truly equal access for all students as indicated on the request for preliminary approval. As a board-sanctioned trip, conditions should be in place to ensure true accessibility for all.

22-122R

Moved: Trustee Flynn *Seconded:* Trustee Godfrey

THAT the Board of Education of School District 69 (Qualicum) give final approval for the Kwalikum Secondary student trip to Europe from March 20 to April 1, 2023.

b. Fitness for All Proposal

Secretary Treasurer Amos provided the potential cost of providing space rent-free at the Qualicum Commons by the Qualicum Community Education & Wellness Society (QCEWS) to create an accessible gym for their Fitness for All proposal. The challenge is the facility's condition and the ongoing expenses to upkeep the site, which was reviewed by the Director of Operations, Phil Munro, at the October Finance & Operations Committee of the Whole Meeting.

Hundreds more families in B.C. benefit from \$10-a-day child care

VICTORIA – More families in B.C. will save thousands of dollars per year as more than 1,370 more child care spaces convert to the \$10 a Day ChildCareBC program.

These spaces will help make life more affordable and help build high-quality, affordable, accessible child care as a core service in B.C.

This is in addition to thousands of other families who are benefiting from existing \$10-a-day spaces or paying \$10 a day or less for child care through fee reductions.

“We doubled the number of \$10-a-day spaces earlier this year and will be nearly doubling yet again by the end of 2022, with 1,373 spaces added this month alone,” said Katrina Chen, B.C.’s Minister of State for Child Care. “Affordable child care can be life changing, and we’re one step closer to making that a reality for all families in B.C.”

Spaces in the \$10 a Day ChildCareBC program reduce the average cost of child care from \$1,000 a month at participating facilities (for full-time, centre-based infant care) to \$200 a month, saving families approximately \$800 a month per child on average.

“Our governments are making affordable, high-quality, flexible and inclusive child care a reality,” said Karina Gould, federal Minister of Families, Children and Social Development. “Through our transformative investments, we remain focused on making life more affordable for families and giving every child the best possible start in life.”

More \$10-a-day spaces will be created over the next few months. By the end of the year, the program will expand the number of \$10 a Day ChildCareBC spaces available for families in B.C. from 6,500 in April to approximately 12,500.

The \$10-a-day program expansion represents further progress in partnership with the federal government under the Canada-B.C. Canada-wide Early Learning and Child Care Agreement. To support the goal of ensuring access to high-quality, affordable and inclusive early learning and child care, the Government of Canada is contributing \$3.2 billion for child care in B.C. over five years.

The newly approved \$10-a-day spaces are being offered at 18 child care centres throughout B.C., bringing the total number of \$10 a Day spaces in B.C. to nearly 8,200.

“Becoming a part of the \$10-a-day program is truly life changing for our family,” said Kim, a parent of two children. “As the parents of four- and one-year-old boys who both attend SFU Childcare Society, this will give us a chance to save for them, provide more opportunities for learning and play, and ease finances at a critical time. In particular, for a child who benefits

from additional support, we can't underscore enough how much this means to our family."

In addition to these spaces, the Province, with federal funding support, is helping approximately 69,000 families with the cost of child care at centres that are not part of the \$10-a-day program through child care fee reductions of up to \$550 more per month, per child. These savings, which kick in Dec. 1, 2022, are in addition to the \$350 per month, per child that families have been saving through the Child Care Fee Reduction Initiative since 2018.

Since 2018, the Province has invested \$2.7 billion in the 10-year ChildCareBC plan to build a future where affordable, inclusive and quality child care is a core service that families can rely on.

Quick Facts:

- All types of licensed child care providers offering services to children five and younger were eligible to apply for the \$10-a-day program, including non-profit, private, publicly run and Indigenous-led providers.
- Additional consideration is given to providers in communities that do not currently have a \$10-a-day site and is based on population density.
- The cutoff date for \$10-a-day program applications was Aug. 18, 2022, and more applications will be reviewed until the target is met.
- Families making as much as \$111,000 may be eligible to receive additional child care support through the Affordable Child Care Benefit (ACCB), with those making less than \$45,000 receiving the maximum ACCB funding amount and paying nothing for child care.
- An average of 30,500 children received support through the Province's Affordable Child Care Benefit each month in 2021-22.

What people are saying about new \$10 a Day ChildcareBC spaces in B.C.

Burnaby:

Raj Chouhan, MLA for Burnaby-Edmonds –

“Burnaby is a diverse community and each family has unique needs. By investing in child care, we’re ensuring that families will be supported no matter what comes their way.”

Anne Kang, MLA for Burnaby-Deer Lake –

“I’m pleased with the work our government is doing to put people first. Under the previous government, child care went underfunded with families having to choose between quality care and making ends meet. Prioritizing families and investments will make a real difference in their lives.”

Janet Routledge, MLA for Burnaby North –

“As communities across the province continue to grow, we are continuing our record child care investments. Burnaby is a welcoming place for families, and our government is committed to supporting them so that they can thrive.”

Rachel Day, executive director, SFU Child Care Society –

“We are very encouraged to receive the funding from the \$10 a Day ChildCareBC program for our families at SFU Childcare Society. With 323 spaces on our current site at the SFU Burnaby campus and 103 spaces opening in our new facility on Sapperton Avenue, Burnaby, on Nov. 1, this means over 250 families in our communities will benefit greatly from this child care fee reduction. SFU Childcare Society is committed to delivering the high-quality, dependable child care that all our families very much rely on. We are thankful that this funding will continue to support our important society values and that we can maintain our well-resourced and inclusive environment, not only for the children in our care, but for our very much valued educators and staff.”

Central Vancouver Island:

Doug Routley, MLA for Nanaimo-North Cowichan –

“Adding more affordable child care spaces and making sure they are accessible in our community will help families as they face a higher cost of living. I look forward to seeing the positive impact these new spaces have for children and families in Nanaimo and across B.C., and thank the child care providers who are our key partners in this work.”

Karen Love, executive director, BGC, Central Vancouver Island –

“Knowing that we can continue to offer the same high-quality and essential child care services to our parents for \$10 a day means that it is now more affordable and accessible. This is vital to ensure we develop the adults of the future and work towards no more barriers.”

Parent of one child attending BGC Central Vancouver Island Ladysmith Child and Family Centre –

“We are newer parents and the \$10-a-day day care is hugely helpful for increasing our family's financial security and for giving us some breathing room in an uncertain economy. The \$10 a Day ChildcareBC plan is a wise and impactful investment in working families. We wish to express our sincere gratitude to all who worked to make it a reality.”

Coquitlam and Port Coquitlam:

Fin Donnelly, MLA for Coquitlam-Burke Mountain –

“I’m pleased our government is prioritizing families by creating new \$10-a-day child care spaces in Coquitlam-Burke Mountain. Affordable child care is more important than ever with inflation making life more expensive for everyone.”

Mike Farnworth, MLA for Port Coquitlam –

“The cost of child care can be a barrier for parents who are pursuing education or career goals. By lowering child care fees, we’re saving parents hundreds of dollars each month and ensuring they can support their families.”

Danielle Fakim, director, Les P’tits Lutins –

“As a not-for-profit child care centre, our focus has always been to offer quality child care services to our francophone families at reasonable rates. When the opportunity arose to apply for the government implemented \$10-a-day program, we knew that this would greatly support our existing families as well as the many others on our waiting list. We are pleased to have been accepted into the program and look forward to continuing to offer educational child care services to our growing francophone community at significantly reduced monthly fees. This is a great initiative for B.C. families.”

Marie-Chantale Bédard, parent of one child attending Les P’tits Lutins –

“Having access to this program will make a major impact for our family. It will allow us to adjust somewhat to the increasing cost of living in B.C., save additional funds for our child’s post-secondary education and, most importantly, spend more quality time as a family – which we all know has no price. We are beyond grateful for the \$10-a-day program and look forward to the financial peace of mind this will bring our family and to all of our day care families.”

Kelowna:

Kirstie Blanleil, director of operations, BGC Okanagan –

“Quality child care is a necessity for families. Ten-dollar-a-day child care spaces will help ease financial burdens that families are experiencing.”

Parent of two children attending BGC Okanagan –

“Receiving the email with the news that our day care was selected for the \$10-a-day initiative was like winning the lottery. We are two working parents who both work in the public sector and inflation has impacted us greatly. This relief allows us to breathe a little.”

Richmond:

Kelly Greene, MLA for Richmond-Steveston –

“For too long, families have had to make sacrifices in order to ensure their children have adequate care. By making child care more accessible and affordable, more parents will be able to pursue their education and their careers, knowing their child is thriving.”

Alana Robson, president, Little Wings board of directors –

“Little Wings Daycare is a small, non-profit centre, with a close-knit community and many dedicated parent volunteers. We are so very excited to be joining the \$10-a-day child care program and continuing to provide quality care, now with better affordability for our families.”

Beth Williams, parent of two children attending Little Wings Daycare –

“Families need child care for a multitude of reasons – it’s good for children, parents and the economy. As a parent of two, both of whom have benefited from the high quality of care and enrichment at Little Wings, this kind of governmental investment in reducing barriers to access for families who need or choose child care is the right step to be taking. It’s an investment in our future and I am thrilled that this valuable industry and talented educators who enable it are being supported in this way. Our centre has been crucial in the health and happiness of my family and it’s exciting to move forward in making that even more accessible.”

Surrey:

Jinny Sims, MLA for Surrey-Panorama –

“Accessible child care is an essential resource for people in a growing city such as Surrey. The previous government treated child care as a luxury for far too long, and our government is supporting families by continuing to create new spaces in our communities.”

Nancy Garner, director, Young Climbers Childcare Centre –

“Young Climbers is excited to partner with the government to offer \$10-a-day child care. By doing this, we want our families and community to know how much we value, love, support, encourage and care for them. The \$10 a Day ChildcareBC program will have a positive financial impact, making affordable child care a reality. Families will pay no more than \$200 a month, per child, for full-time enrolment regardless of the care type. This is great news!”

Mathew, parent of three children attending Young Climbers Childcare Centre –

“Young climbers Childcare Centre is where my three boys go for day care. We were the first family to hear this great news! This is a wonderful program and will allow our family to have the extra money to put away for rainy days and have more family fun together, as my wife and I were paying more in child care than some of my family members paid in mortgages.”

Vancouver and Vancouver Coastal Region:

Bowinn Ma, MLA for North Vancouver-Lonsdale –

“Child care can be one of the biggest bills a family faces each month. Affordable child care can change the lives of a family, and I’m thrilled to know that these new \$10-a-day spaces will make a big difference for families on the North Shore.”

George Heyman, MLA for Vancouver-Fairview –

“We know people are struggling to make ends meet with the rising cost of living, and the cost of child care can place huge added pressure on families. The previous government chose to ignore the realities that working families face every day, but with our government’s universal child care plan we are making a meaningful difference for people in my community and across the province.”

West Vancouver Child Development Centre board of directors –

“The extension of the \$10-a-day program to our centre is a life-changing difference for our families. It signals a commitment to maintaining healthy communities for working families and comes at a critical time when rising inflation and the high costs of living in the Lower Mainland is pushing many families out of the region, and/or out of the workforce. We know it will go a long way in improving the lives of our families and our community.”

Rebecca R., parent of one child attending West Vancouver Child Development Centre –

“My husband and I both work full time and have had one or both of our children in full-time day care for the past seven years. The announcement of the \$10-a-day program coming to our day care will enable us to put savings towards our children’s future, where we might not otherwise have been able to do in this challenging economic environment.”

Williams Lake:

Linda Bond, administrator, Williams Lake and District Group Daycare –

“I’m absolutely thrilled to have our centre become a \$10-a-day centre. I’ve been in child care for 35 years, since before \$10-a-day was even an idea that at first seemed impossible, so to be in this situation now is quite surreal. It’s been so amazing letting our families know about being chosen for this program – they’ve almost universally gone from confusion, to disbelief, to relief and finally to excited planning! This will alleviate so much stress for many of our families and allow them to provide so many more opportunities for their children now, as well as in the future.”

Danelle Fuller, parent of two children attending Williams Lake and District Group Daycare –

“Ten-dollar-a-day child care is going to be life changing for our family and decrease our financial stress significantly. My husband has returned to college to further his education and the reduced child care cost will help alleviate the financial burden of being a single-income household while he completes his degree. We are also excited to be able to use some of the money we will save on child care costs to contribute to our children’s post-secondary education funds and extracurricular activities.”

Education Committee of the Whole Report
Tuesday, November 15, 2022
Via Zoom
2:30 p.m.

Chair: Trustee Austin

1. ACKNOWLEDGEMENT OF TRADITIONAL TERRITORIES

2. OPENING COMMENTS

3. Mandate Discussion:

To discuss and make recommendations to the board on the general directions for education in the district, and to serve as a vehicle for regular reports to the board on educational programs and services.

Proposed Mandate:

To discuss and make recommendations to the Board on aspects of teaching, learning and educational equity. We will strive to have all students receive whatever they need to develop to their full academic and social potential and to thrive every day

The proposed mandate change was generally approved of; however, there were requests to entertain wording to include a climate justice concept. This involved further discussion on the purpose of the Education Committee and the need for using broad strokes. It was also suggested that students not only 'receive', but 'contribute'. The Committee of the Whole will consider these suggestions for further conversation and will return in January with some suggested wordsmithing.

4. SCHOOLS AND/OR PROGRAMS

a. KSS Student Trip to Calgary

Lori Marshall presented the proposed student music trip to Calgary in the spring. The students would travel by bus and will use fundraising efforts to help off-set the \$1100 cost. There are also subsidies available for students to ensure all students could attend.

5. ENVIRONMENTAL STEWARDSHIP AND CLIMATE ACTION

a. Climate Action Task Force Update - Trustee Austin

The Climate Action group was originally set up as a task force. Three years later it has been proposed that the district move climate action items to the board's Education and Finance and Operations Committees of the Whole.

b. KSS Student Symposium - Student Government Presentation

Carolin Mattice presented on behalf of the students as they were on a music field trip. Students are working towards hosting a one-day environmental symposium in the spring coming from their inquiry of "How can we inspire and motivate secondary school youth to make positive environmental changes within their own community and school?". The four hour event will hopefully be held at the Qualicum Beach Civic Centre and will include key note speakers, break out groups, arts, and music. Student from other neighbouring districts will also be invited to attend. The KSS students have been applying for grants through the school district and will seek additional financial support from the broader community.

They are also actively looking for volunteers and will come back to the Education Committee with an update in February. If you would like to help, please contact Carolin Mattice at cmattice@sd69.bc.ca.

6. SOCIAL JUSTICE AND EQUITY

a. Update

Similar to the CATForce, the Social Justice Working Group will now bring their voice directly to the Education Committee of the Whole meetings.

b. Safe Schools

Associate Superintendent Wilson noted that school districts across BC are noticing trends in increased gang associations, drug and alcohol abuse, poverty and concerning trends on social media. Mental Health concerns have risen by 25% and self harm by 200%. Following a district sponsored symposium being held on December 1 for students, a Safe Schools Youth Committee is being proposed to help address some of these concerning trends. Thanks to DPAC for their sponsorship of the White Hatter organization's webinar series on internet safety and digital literacy.

c. Youth Development Instrument (YDI) Information

Associate Superintendent Wilson shared information about some of the data collected from Grade 11 students in the district. The next step will be to bring a group of students together to look at the data and seek their thoughts about some actions the district can take to support some of the areas of concern.

The YDI report can be viewed at the following link:

https://chartlab.ca/wp-content/uploads/2022/05/YDI-2021_2022-SD69-Report.pdf

7. SHARED LEARNING

a. Update from Director of Instruction

Director of Instruction Terpstra reported that this year's Foundation Skills Assessment (FSA) had a 10% increase in participation and teachers in the district will begin marking this weekend. Reporting out in the district has followed progressive trends, where other districts in the province are just now catching up to a non-grade method which SD69 has used for years.

8. INFORMATION

a. Early Development Instrument (EDI) Data

Associate Superintendent Wilson advised that data has just been distributed to schools. Staff will be working with the Oceanside Building Learning Together (OBLT) Early Years Table to look at the domains in which the area has higher vulnerability and look at what the longitudinal data trends are.

9. ITEMS FOR DISCUSSION TO MOVE TO THE BOARD MEETING

- a.** That the Board of SD69 (Qualicum) approve in Principle the Kwalikum Secondary Student Music Trip to Calgary in the spring of 2023

10. FUTURE TOPICS

a. Suggestions for Education Committee Topics

Trustees invited attendees to suggest future topics for discussion. One suggested topic was "Critical Incident Response".

If you have any other topics to suggest, please contact Julie Austin (jaustin@sd69.bc.ca) or Gillian Wilson (gwilson@sd69.bc.ca)

Music Program**

Re: Music Trip to Calgary in May 2023

October 13, 2022

To Whom It May Concern,

We are requesting from the School Board of School District 69, approval in principle to take our music program on an educational field trip to Calgary from May 9th to 14th, 2023. We have made sure that students will have ample opportunities to fundraise to help with the cost of the Calgary tour. Students have the opportunity to generate funds through four major fund raising activities throughout the year.

On this trip, the educational opportunities for the students include a musical performance/cultural exchange with a local high school in Calgary, exploring the Canadian National Music Centre, and attending a Calgary Symphony Orchestra concert, as well as a visit to the Royal Tyrell Museum in Drumheller.

Students will be required to fill out a student perspective sheet and summarize what they learned from their educational experiences during the tour. Furthermore, they will be responsible for sharing their new knowledge with other KSS music students and integrating new musical practices into the rehearsals and performances when they return to Kwalikum Secondary School. Also, students will be engaged in two year-end concerts and a few community performances after the trip to demonstrate the progress of their learning and enrich the arts culture in their community.

Please contact us if you have any questions regarding our proposed tour.

Thank you for your support,

Crystal-Anne Howell

KSS Band/Choir Trip to Calgary - May 2023

Dear Parents/Guardians of KSS Music Students:

The KSS Grade 9-12 Tour Band and Concert Choir will be travelling to Calgary in May 2023 for our major music trip of the year. Trips like these help to build lasting relationships among students and give us an opportunity to bring everyone together in a unique learning situation.

We will be leaving on Tuesday, May 9th and will return on Sunday, May 14th. The students will perform at a school and/or other public venues, hear the Calgary Symphony Orchestra, and will have the opportunity to engage in some awesome activities during the six-day trip!

Some of the trip activities include: a music and cultural exchange with a high school in Calgary, a visit to Banff, a Calgary Symphony Orchestra Concert, a visit to Drumheller and the Tyrell Museum, a visit to the Calgary Tower, activities at Canada Olympic Park, and a visit to Canada's National Music Centre!

Students that are considering participating in the Calgary trip must return the attached form by the November 1st deadline along with a \$200 deposit. We do not know the final cost of the travel or hotel expenses yet, so it is not possible to have an exact cost for the trip at this time. However, we expect it to cost around **\$1100 per student** (before any fundraising is done). We will do our best to make this trip as affordable as possible. Please help in this effort by taking part in the fundraisers we plan over for the next few months.

The fees will be paid in four installments of cheques written out to KSS: **November 1st \$200.00 payment & permission form, February 1st \$300.00, March 1st \$300.00, and May 1st \$300.00.**

Due to booking activities and hotel rooms in advance, students who sign up and pay the first installment are ensuring their participation in this event. **The fees are non-refundable (unless the entire trip does not go ahead).**

Students must be in good academic standing to participate in this trip, and all KSS expectations for behaviour will be in effect for the duration of the trip. ***Students may be denied the opportunity to participate in this field trip if their teachers or administrators do not consider them to be in good academic standing.***

A detailed itinerary is being prepared and will be distributed in the coming months. Please contact Mr. Craven or Ms. Howell if you have any questions or concerns.

Sincerely,

Dan Craven & Crystal-Anne

Purpose

These Administrative Procedures were written in support of Policy 601: Employee Conflict of Interest.

Understanding Conflict of Interest

District employees have a duty of loyalty to the District as the employee's employer. This duty requires employees to provide services to the best of the employee's ability regardless of the employee's own personal perspectives of Board direction or policy.

The honesty and integrity of District employees must be above reproach and coupled with impartiality in the conduct of the employee's duties to ensure that the employee's actions are above public suspicion.

The actions and conduct of employees must be such as to instill within the public a sense of trust and confidence in the District.

~~It is essential that employees recognize their responsibility to ensure that confidential information received as a result of employment with the District remains confidential, and not be divulged to anyone other than individuals authorized to receive such information. This includes confidential information received verbally or in written or electronic form. Disclosure of confidential information may put employees in a position of conflict of interest, and great care must be taken when communicating with individuals both inside and outside of the District.~~

A conflict of interest may also occur when an employee's private affairs or financial interests are in conflict, or could result in a perception of conflict, with the employee's duties or responsibilities, in such a way that:

- ~~• the employee's ability to act in the public interest could be impaired.~~
- ~~• the employee's actions or conduct could undermine or compromise the public's confidence in the employee's ability to discharge work responsibilities.~~
- ~~• the trust that the public places in the public service is undermined.~~

Expectations for Employees

Employees are to disqualify themselves as participants in personnel decisions when the employee's objectivity would be compromised for any reason, benefit or perceived benefit which could accrue to them.

Employees are expected to request a determination of the Superintendent before engaging in any activity which might reasonably give rise to questions about a possible conflict of interest.

~~The Superintendent is expected to request a determination of the Board before engaging in any activity that might reasonably give rise to questions about a possible conflict of interest.~~

~~A breach of the conflict of interest policy is considered to be a serious breach of an employee's obligations and as a result, may result in discipline up to and including dismissal.~~

ADMINISTRATIVE PROCEDURES TO BOARD POLICY 601

EMPLOYEE CONFLICT OF INTEREST

~~While the Board recognizes the right of public service employees to be involved in activities as citizens of the community, conflict must not exist between employees' private interests and the discharge of the employee's job-related duties.~~

~~Employees are to disqualify themselves as participants in personnel decisions when the employee's objectivity would be compromised for any reason, benefit or perceived benefit which could accrue to them. For example, employees are not to participate in staffing actions involving direct relatives or persons living in the same household.~~

~~Upon accepting a position in the District, employees must arrange their private affairs in a manner that will prevent conflicts of interest, or the perception of conflicts of interest, from arising.~~

Representative Examples of Conflict of Interest

~~Examples of conflicts of interest include, but are not limited to, the following:~~

- ~~• An employee uses District property or the employee's position to pursue personal interests.~~
- ~~• An employee is under obligation to a person who might benefit from or seek to gain special consideration or favour.~~
- ~~• An employee, in the performance of duties, gives preferential treatment to an individual, corporation or organization, including a non-profit organization, in which the employee, a relative or friend of the employee has an interest, financial or otherwise.~~
- ~~• An employee benefits from, or is reasonably perceived by the public to have benefited from, the use of information acquired solely by reason of the employee's employment.~~
- ~~• An employee benefits from, or is reasonably perceived by the public to have benefited from, a government transaction over which the employee can influence decisions (for example, investments, sales, purchases, borrowing, grants, contracts, regulatory or discretionary approvals or appointments)~~
- ~~• An employee requests or accepts from an individual, corporation or organization, directly or indirectly, a personal gift or benefit that arises out of the employee's employment in the District other than the exchange of normal hospitality between persons doing business together or gifts to persons participating in public functions.~~

~~Employees are in a conflict of interest when dealing with direct relatives or individuals who permanently reside with them when the following working relationships exist:~~

- ~~• A reporting relationship exists where one employee has influence, input or decision-making power over the other employee's performance evaluation, salary, premiums, special permissions, conditions of work and similar matters.~~
- ~~• The working relationship affords an opportunity for collusion between the two employees that would have a detrimental effect on the employer's interest.~~

~~The above restriction on working relationships may be waived provided that the Superintendent or Secretary-Treasurer is satisfied that sufficient safeguards are in place to ensure that the employer's interests are not compromised.~~

SCHOOL DISTRICT No. 69 (QUALICUM)

ADMINISTRATIVE PROCEDURES TO BOARD POLICY 601

EMPLOYEE CONFLICT OF INTEREST

Page 3 of 3

Employees may engage in remunerative employment with another employer, carry on a business, receive remuneration from public funds for activities outside the employee's position, or engage in volunteer activities without there being a conflict of interest, provided it does not:

- Interfere with the performance of the employee's duties as an employee of the District.
- Bring the District into disrepute.
- Represent a conflict of interest or create the reasonable perception of a conflict of interest.
- Appear to be an official act or to represent District direction or policy.
- Involve the unauthorized use of work time or District premises, services, equipment or supplies to which they have access by virtue of the employee's employment with the District.
- Gain an advantage or appear to gain an advantage that is derived from the employee's employment with the District.

Duty to Report

Employees shall promptly report any fact or circumstances of which they become aware that might give rise to a real or perceived conflict of interest. Reports shall be made in writing to the employee's Principal or Supervisor.

~~An employee who alleges conflict of interest on the part of another employee, may report this to the employee's Principal or Supervisor, in writing. If the employee whose actions are being questioned is the direct Supervisor, the matter may be reported to the Superintendent of Schools or Secretary-Treasurer.~~

A Principal or Supervisor who receives a written report of an alleged conflict of interest will seek guidance from the Superintendent or Secretary-Treasurer.

The District has an obligation under WorkSafeBC's Occupational Health and Safety (OHS) policies under Sections 115, 116, and 117 of the *Workers Compensation Act*, to prevent and address workplace bullying and harassment.

In making this commitment, the District recognizes the rich diversity of our social fabric and the benefits which diversity brings to all members of our community. The District is committed to encouraging the tolerance of and valuing of differences. The District considers bullying and harassment in any form to be totally unacceptable and will not tolerate its occurrence.

Responsibilities

It is the District's expectation that all persons covered by these procedures, will comply with the District's policies and procedures, and are required to:

- c. apply and comply with the District's policies and procedures on bullying and harassment
- d. participate in training sessions and/or annual reviews (MATA Members also refer to Collective Agreement Article E.2.6.)

WorkSafeBC OHS Definition of Workplace Bullying and Harassment

Bullying and harassment includes any inappropriate conduct or comment by a person towards a worker that the person knew or reasonably ought to have known would cause the worker to be humiliated or intimidated, but excludes any reasonable action taken by an employer or supervisor relating to the management and direction of workers or the place of employment.

MATA Members also refer to Collective Agreement Article E.2.2.

Bullying and Harassment may include, but is not limited to:

- a. Verbal aggression or insults; calling someone derogatory names
- b. Vandalizing personal belongings
- c. Sabotaging someone's work
- d. Spreading malicious gossip or rumours
- e. Engaging in harmful or offensive initiation practices or hazing
- f. Physical or verbal threats (this could also constitute "violence" or "improper activity or behaviour" under the Regulation)
- g. Making personal attacks, based on someone's private life and/or personal traits
- h. Making aggressive or threatening gestures
- i. Any comment, look, suggestion, physical contact, or real or implied action of a sexual nature which creates an uncomfortable working environment for the recipient
- j. Any circulation or display of visual material of a sexual nature that has the effect of creating an uncomfortable working environment
- k. An implied promise of reward for complying with a request of a sexual nature
- l. Misuse of power or authority as intimidation, threats, coercion and blackmail
- m. Reprisal or a threat of reprisal made by a person in authority after a sexual advance is rejected
- n. Cyber-bullying – the sending of derogatory or threatening messages to either the Complainant or others about the Complainant through email, text messaging, social networking, and websites or sharing personal and confidential messages or images

Repetition is not always a necessary element in harassment; however, the more innocuous the behaviour, the less likely a reasonable person would consider the behaviour harassment if it only happened a few times. Serious allegations, however, even if the action only occurred once, can be considered harassment.

Bullying and Harassment is not:

- a. Expressing differences of opinion
- b. Offering constructive feedback, guidance, or advice about work-related behaviour and performance
- c. Making a legitimate complaint about someone's conduct through established procedures

Workplace Defined

For the purpose of these procedures, the workplace includes locations where activities related to the business of the District take place. These include:

- a. Activities within offices, staff rooms, classrooms, lunch rooms and other District property
- b. Events associated with and including extra-curricular activities
- c. Situations outside of District operated premises e.g., field trips, work-related conferences, training sessions, travel, community events or social gatherings
- d. Activities in other locations where workplace bullying and harassment may have a subsequent impact on the work relationship, performance or environment

~~Human Rights Code/Criminal Code/Grievance Procedure Reference~~

~~Filing a complaint under these procedures is not intended to preclude rights under the Collective Agreement, BC Human Rights Code, Criminal Code of Canada or other avenues of redress open under the law.~~

~~The complaint and investigation procedures should not be invoked or pursued at the same time as a parallel complaint before the BC Human Rights Tribunal or if a grievance remains outstanding. While such proceedings are taking place, the procedures outlined here will be suspended and may be superseded, where appropriate.~~

~~Reporting Time Frame~~

~~Any complaint must be filed within a reasonable time following the occurrence of the triggering incident. The Board adopts a six (6) month time frame and may, in its discretion, decide not to deal with the complaint when the facts upon which the complaint is based occurred more than six (6) months before the complaint was filed.~~

~~However, where a reasonable circumstance exists for failing to bring the complaint forward within six (6) months and the delay would not result in any prejudice to the Respondent, a complaint may be accepted beyond the six (6) month limit.~~

~~Complaint Withdrawal~~

~~The Complainant may choose to withdraw the complaint at any stage. However, the District may be obliged under these procedures, to continue the inquiry into the complaint and to take whatever remedial action it deems appropriate, or refer the matter to another process or procedure.~~

~~Responsibilities for Reporting Bullying and Harassment~~

~~All persons covered under these procedures have the responsibility for and are expected to promote a working and learning environment that is free from bullying and harassment, and to assist anyone who believes that they are being or may have been bullied or harassed. Anyone who believes that a colleague or another person covered under these procedures is being or may~~

~~have been bullied or harassed, is encouraged to notify their Supervisor, Director of Human Resources or Superintendent of Schools or designate, or their Union Representative.~~

~~The Complainant has the right to decide how to respond to bullying or harassment including informal, verbal or written communication with the Respondent, or through the filing of a complaint under these procedures. The Complainant may wish to seek guidance or counselling from their Supervisor, Director of Human Resources, Superintendent of Schools or designate or Union Representative to discuss the situation and how it might be resolved. Since advice only is being sought at this stage, names need not be disclosed.~~

Employment Consequence of Engaging in Harassment

~~Employees who engage, directly or indirectly, in bullying or harassment may be disciplined up to and including dismissal.~~

Confidentiality

~~All records of the complaint filed at Step 2, including contents of meetings, interviews, results of inquiries and other relevant material will be kept confidential, except where disclosure is required by a disciplinary or other remedial process or required by operation of law or as a consequence of contemplated or actual litigation. Records will be stored in a secure file in the Human Resources Department.~~

~~The Complainant and the Respondent and any witnesses interviewed in an investigation are to maintain strict confidentiality about the complaint.~~

Counselling

~~The District's Employee Family Assistance Program (E.F.A.P.) is available to all employees and the employee's immediate families and offers counselling and resource assistance on a voluntary and confidential basis.~~

No Reprisals

~~For the purposes of these procedures, "reprisal" against an individual will be treated as harassment when such actions occur for:~~

- ~~a. invoking these procedures (whether on behalf of oneself or another individual);~~
- ~~b. participating or co-operating in any inquiry under these procedures; or,~~
- ~~c. associating with a person who has invoked these procedures or participated in these procedures.~~

~~BULLYING OR HARASSMENT COMPLAINT PROCEDURE STEPS:~~

~~These procedures contain three (3) steps, which are outlined below. In most instances, the complaint will be advanced through the Steps outlined below. It is noted that some exceptions to this may apply, and Step 1 may be bypassed and the complaint initiated at Step 2.~~

~~All parties involved in a complaint agree to deal with the complaint expeditiously; however, timelines set out in this procedure may be subject to variation by a Representative of the District, after consultation with the parties and the party's Union Representative, if applicable.~~

~~MATA Members also refer to Collective Agreement Article E.2.3.~~

Step 1 – Speak Up

- ~~a. The Complainant (person who considers that they have been subjected to bullying or harassment is advised to record the details surrounding the incident(s) including times, dates, places, people involved, names of witnesses, if any, what was said or done, and circumstances surrounding the incident(s).~~
- ~~b. The Complainant is encouraged to bring the matter to the attention of the Respondent (person responsible for the comment or conduct) calmly, but firmly, making a direct and clear objection indicating that the comment or conduct is not acceptable, is unwelcome, will not be tolerated and must stop. This is often an effective way to resolve the issue and end the bullying or harassment. The Complainant may choose to do this alone or accompanied by a representative of the complainant's choice (i.e. Supervisor, Director of Human Resources, Superintendent of Schools or designate or Union representative). It is important the Complainant document any communication they have with the Respondent. It is also important that the Respondent document any communication regarding a bullying or harassment complaint.~~
- ~~c. Before proceeding to Step 2, the Complainant may choose to either correspond with or approach their Supervisor, Director of Human Resources, Union Representative, or Superintendent of Schools or designate to report their complaint and to discuss potential means of resolving the complaint and to request assistance in resolving the matter. A resolution may be attempted using the Informal Resolution Outcomes outlined below. If the matter is resolved to the Complainant's satisfaction, the matter is deemed to be resolved.~~

Informal Resolution Outcomes

- ~~a. All discussions shall be solely an attempt to mediate the complaint;~~
- ~~b. Any and all discussions shall be completely off the record and will not form part of any record;~~
- ~~c. Only the Complainant, Respondent, and Supervisor (Principal in the case where the Complainant and Respondent are both BCTF members) shall be present at such meetings;~~
- ~~d. No discipline of any kind would be imposed on the Respondent; and~~

- e. ~~Where the Complainant and Respondent are both BCTF members, the BCTF and its locals, based on the foregoing, will not invoke the notice of investigation and other discipline provisions of the collective agreement at meetings.~~

~~Should a resolution be reached between the Complainant and Respondent at Step 1 under the Informal Resolution Outcomes, it shall be written up and signed by both parties. Only the Complainant and the Respondent shall have copies of the resolution and they shall be used only for the purpose of establishing that a resolution was reached. No other copies of the resolution shall be made.~~

~~In the circumstances where a Respondent has acknowledged responsibility, the Supervisor may advise a Respondent of the expectations of behaviour in a neutral, circumspect memo. Such memo will be non-disciplinary in nature and shall not form part of any record. Only the Respondent shall retain a copy of the memo. That the memo was sent can be referred to as proof that the Respondent had been advised about the standard of conduct.~~

Step 2

~~The Complainant may find it necessary to deal with the complaint at Step 2:~~

- ~~i. if the Complainant does not feel comfortable talking to the Respondent;
ii. if the Complainant is not satisfied with the result of the initial contact with the Respondent;
or
iii. if the bullying or harassment continues.~~

a. ~~To initiate the Step 2 process, the Complainant is required to complete the **Workplace Bullying or Harassment Complaint Form** attached to these procedures which details the particulars of the allegations, and submit it along with any other supporting documentation, to the Superintendent of Schools or designate. The complaint should include specific incident(s) which form the basis of the complaint and the definitions of bullying or harassment which may apply; however, the form of the complaint will in no way restrict a mediation or investigation or its conclusions.~~

b. ~~The Superintendent of Schools or designate will review the particulars of the complaint (further particulars may be requested from the Complainant). Upon the conclusion of such a review, the Superintendent of Schools or designate shall:~~

- ~~i. initiate an investigation of the complaint and appoint an investigator; or
ii. recommend mediation or other alternative disputes resolution processes to resolve the complaint.~~

~~Should the complainant not agree with the process recommended by the Employer, an investigation will be initiated.~~

c. ~~The Respondent cited in a complaint shall be provided with notice of the mediation or investigation, in writing and shall be provided with a copy of the **Workplace Bullying or Harassment Complaint Form** filed by the Complainant within three (3) working days of~~

~~the submission. The Superintendent of Schools or designate is responsible for ensuring that the Respondent receives a copy of the written complaint.~~

- ~~d. The Superintendent of Schools or designate will inform both the Complainant and the Respondent in writing, with a copy to the Union (if applicable), of the following:
 - ~~i. that they have the right to representation during any discussions or meetings held during the process, and;~~
 - ~~ii. notice of mediation or investigation.~~~~
- ~~e. In the event the Superintendent of Schools is involved either as the Complainant or Respondent, the complaint shall, at the Complainant's discretion, be immediately referred to either BCPSEA or a third party who shall have been named by prior agreement of the District and the Union, who shall proceed to investigate the complaint in accordance with Step 3 of these procedures and report to the Board.~~

Step 3 – Investigation Process:

- ~~a. A representative of the District will investigate the complaint of bullying or harassment*.
*The Superintendent of Schools may appoint an independent investigator.~~
- ~~b. The investigator will collect evidence by interviewing the Complainant and Respondent (separately), interviewing any witnesses, and otherwise investigating all aspects of the matter which are relevant in determining whether the allegations of bullying or harassment are substantiated.~~
- ~~c. The investigation shall be conducted by a person who shall have training and/or experience in investigating complaints of bullying and harassment. The Complainant may request that the investigator shall be of the same gender as the Complainant and where practicable the request will not be denied.~~
- ~~d. The Investigator must keep confidential and comprehensive notes of all meetings.~~
- ~~e. The investigation shall be conducted as soon as is reasonably possible and shall be completed in twenty (20) working days unless otherwise agreed to by the parties. Such agreement will not be unreasonably withheld.~~
- ~~f. Both the Complainant and the Respondent have the right to representation during any discussions or meetings held during the process and shall be advised of this right by the investigator.~~
- ~~g. Notwithstanding either party's refusal to co-operate in an investigation, the District may deem it necessary to follow the complaint procedure through to completion.~~
- ~~h. The Employer will advise the Complainant and the Respondent, in writing, of the results of the investigation and any actions that may be taken in the matter. The specific details of any disciplinary action will only be provided to the employee who is to be disciplined and their Union, if applicable.~~

Outcomes

~~Depending on the outcome of the investigation, a decision regarding rehabilitative or disciplinary action for the Respondent and/or the Complainant may include, but is not limited to:~~

- ~~a. Counselling~~
- ~~b. Education on Bullying and Harassment (e.g. training or awareness sessions)~~
- ~~c. Formal written apology~~
- ~~d. Change of work assignment of the Complainant and/or Respondent~~
- ~~e. Verbal warning~~
- ~~f. Written warning~~
- ~~g. Suspension or dismissal~~

~~**Note:** If disciplinary action is required, a copy of any disciplinary correspondence will be placed in the employee's personnel file.~~

Purpose

These Administrative Procedures are written in support of Policy 700: Safe, Caring, and Inclusive School Communities.

~~The Board of Education recognizes its responsibility to provide safe, caring, and inclusive learning environments in our schools. Bullying, intimidation, discrimination, harassment and violence are behaviours that can disrupt a student's ability to learn and interfere with the school's ability to maintain an appropriate learning environment. Therefore, bullying, intimidation, discrimination, harassment, or violence constitute serious misconduct that warrants appropriate intervention should it occur and the implementation of educational programs and administrative measures that are designed to prevent it from occurring.~~

This administrative procedure is explicitly directed toward the conduct of students in their interaction with other students. Also included in this administrative procedure is the bullying, intimidation, discrimination, harassment, or violence toward adults by students.

Bullying, intimidation, discrimination, harassment, or violence by adults toward students or of adults by other adults are similarly prohibited but are governed by procedural guidelines in other school district administrative procedures - Collective Agreements, Human Rights and Workers Compensation Legislation and in *the Criminal Code of Canada*.

School Codes of Conduct

The Board of Education believes that a Code of Conduct with broad support of the students, parents, teachers, staff and administrative personnel greatly contributes to a safe and effective learning environment. The Board of Education also believes that there should be ongoing communication and consultation regarding behavioral expectations of students within the school community.

The Board of Education supports the values expressed in the *BC Human Rights Code* respecting the rights of all individuals in accordance with the law – prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical and mental disability, sex, sexual orientation, gender identity or expression, and age.

Principals and Vice-Principals shall establish, with the involvement of students, parents, and staff a Code of Conduct for the school. This Code of Conduct shall be in compliance with the *Provincial Standards for Codes of Conduct Order [Ministerial Order 276/07(M341/16)]*.

1. This code shall establish expectations for student conduct:
 - a. within the school facility in all school programs and activities
 - b. outside the school facility in all school programs and activities
 - c. going to and from school, when the school deems it to be appropriate
2. Principals and Vice-Principals have the overall responsibility to see that Codes of Conduct are enforced and have paramount authority for the discipline of students.
3. All adults in the school are expected to be vigilant and to act thoughtfully and responsibly in ensuring the safety and security of the students and the building.

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 700
SAFE, CARING, AND INCLUSIVE SCHOOL COMMUNITIES

4. Strategies are to be in place for active teaching and promotion of the behavioural expectations outlined in the Code of Conduct.

6. The Code of Conduct will clearly state a range of consequences for inappropriate behavior.
7. The school's Code of Conduct will be informally reviewed annually with input from students, staff, parents, and administration. Confirmation of the review will be filed with the Superintendent of Schools or designate by April 15th of each school year (*attached form*).
8. Each school's Code of Conduct shall be filed with the Superintendent of Schools or designate by July 15th, annually and submitted for approval by the Board of Education at its September Regular Board Meeting.
9. The school's Code of Conduct shall be posted publically.
10. All reasonable steps will be taken to prevent retaliation against a student who has made a complaint of a breach of a Code of Conduct.

- ~~4. The school's dress code may be reviewed annually by students, parents, teachers, staff and administrative personnel as part of the Code of Conduct.~~

Education for Prevention of Bullying, Intimidation, Discrimination, Harassment and Violence

The Board expects that each school in the district will ensure:

- a. ~~that communication with parents, at least annually, includes emphasis of the seriousness with which the district regards bullying, intimidation, discrimination, harassment, or violence and the provisions of this administrative procedure.~~
- b. ~~that students are informed on an annual basis, in language appropriate to their age level about the following:~~
 - ~~• the definition of bullying, intimidation, discrimination, harassment, and violence~~
 - ~~• the expectations of the district for student conduct with regard to bullying, intimidation, discrimination, harassment, and violence including the obligation of students to report to adults incidents of bullying, intimidation, discrimination, harassment, or violence~~

The Goals for SOGI Inclusive Education in School District No. 69 (Qualicum) are as follows:

Visibility

The diversity of sexual orientations, gender identities and expressions are recognized and valued.

Protection

The dignity of all people across the sexual orientation and gender identity (SOGI) spectra is preserved and protected from harm.

Inclusion

Equitable treatment and inclusion are a reality for people of all sexual orientations, gender identities and gender expressions.

How We Are Committing Ourselves to Achieving These Goals:

Developing Common Language and Understandings

Staff and learners will be well-informed and equipped with appropriate and respectful language. We acknowledge that language is ever-evolving and that the individual is always the expert on how they may identify and when it comes to the language or terms they consider respectful and inclusive.

Glossary of SOGI Terms for Staff and Learners to Support and Inform our Work:

Agender – Describes a person who identifies as having no gender.

Ally – A person who supports and stands up for the rights of LGBT people.

Asexual – Describes a person who experiences little or no sexual attraction to others. Asexuality is not the same as celibacy.

Assigned sex at birth – The sex (male or female) assigned to a child at birth, most often based on the child's external anatomy. Also referred to as birth sex, natal sex, biological sex, or sex.

Bisexual – A sexual orientation that describes a person who is emotionally and sexually attracted to people of their own gender and people of other genders.

Cisgender – A person whose gender identity and assigned sex at birth correspond (i.e., a person who is not transgender).

Gay – A sexual orientation that describes a person who is emotionally and sexually attracted to people of their own gender. It can be used regardless of gender identity, but is more commonly used to describe men.

SAFE, CARING, AND INCLUSIVE SCHOOL COMMUNITIES

~~Gender binary structure – The idea that there are only two genders, boy/man/male and girl/woman/female, and that a person must strictly fit into one category or the other.~~

~~Gender dysphoria – Distress experienced by some individuals whose gender identity does not correspond with their assigned sex at birth.~~

~~Gender expression – This term describes the ways (e.g., feminine, masculine, androgynous) in which a person communicates their gender to the world through their clothing, speech, behavior, etc. Gender expression is fluid and is separate from assigned sex at birth or gender identity.~~

~~Gender fluid – Describes a person whose gender identity is not fixed. A person who is gender fluid may always feel like a mix of the two traditional genders, but may feel more one gender some of the time, and another gender at other times.~~

~~Gender identity – A person's inner sense of being a boy/man/male, girl/woman/female, another gender, or no gender.~~

~~Gender non-conforming – Describes a gender expression that differs from a given society's norms for males and females.~~

~~Gender role – A set of societal norms dictating what types of behaviors are generally considered acceptable, appropriate, or desirable for a person based on their actual or perceived sex.~~

~~Heterosexual (straight) – A sexual orientation that describes women who are emotionally and sexually attracted to men, and men who are emotionally and sexually attracted to women.~~

~~Lesbian – A sexual orientation that describes a woman who is emotionally and sexually attracted to other women.~~

~~Non-binary – Describes a person whose gender identity falls outside of the traditional gender binary structure.~~

~~Pansexual – A sexual orientation that describes a person who is emotionally and sexually attracted to people of all gender identities.~~

~~Queer – An umbrella term used by some to describe people who think of their sexual orientation or gender identity as outside of societal norms. Some people view the term queer as more fluid and inclusive than traditional categories for sexual orientation and gender identity. Due to its history as a derogatory term, the term queer is not embraced or used by all members of the LGBT community.~~

~~Questioning – Describes an individual who is unsure about or is exploring their own sexual orientation and/or gender identity.~~

~~Sexual orientation – How a person characterizes their emotional and sexual attraction to others.~~

~~Transgender – Describes a person whose gender identity and assigned sex at birth do not correspond. Also used as an umbrella term to include gender identities outside of male and female. Sometimes abbreviated as trans.~~

Providing Safe and Inclusive Learning Environments

Staff will commit to both proactive measures and responsive actions in order to ensure that sexual orientation and gender identity are not barriers to learner participation in all aspects of school life or a factor in their safety/wellbeing while in our care.

Recognizing the Right to Self-Identification

Learners will have the right to self-identification, which includes the name by which they wish to be addressed and the preferred pronouns that correspond to their gender identity.

Protecting Confidentiality

Learners will have the right to the confidentiality of their official and/or preferred sex, gender, and name.

Broadening Dress Guidelines

Learners are entitled to gender expression through what they wear to school. Dress codes are to support and guide appropriate learner choice in this regard.

Offering Integrated and Inclusive Activities

We will strive to offer integrated and inclusive activities which enable learners to participate in teams and groups that they feel correspond with their gender identity. Students will be included and accommodated in activities regardless of their sexual orientation or gender identity, including support to set up a Gender-Sexuality Alliance/Gay-Straight Alliance or similar clubs.

Providing Training to Staff

All staff will be provided with knowledge, strategies and tools to develop a broad understanding of SOGI issues and to inform their practices in working with learners.

Promoting Inclusive Learning Experiences

Staff will ensure that classroom materials and activities will contain positive images and accurate information about sexual orientation, gender identity and gender expression.

Providing Safe, Respectful and Inclusive Facilities

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 700
SAFE, CARING, AND INCLUSIVE SCHOOL COMMUNITIES

~~Learners may choose to use washrooms and change rooms that match their gender identity. Staff will endeavor to provide washroom and change room options that support and honour learner choice.~~

Complaints of Bullying, Intimidation, Discrimination, Harassment, or Violence

~~An allegation of bullying, intimidation, discrimination, harassment, or violence shall be made informally through a verbal report to a staff member or, more formally, in writing to the Principal or Vice-Principal of the school or a district administrator. A trusted adult may accompany students making complaints.~~

~~Complaints may be made anonymously but those making such complaints should understand that an anonymous complaint might not be resolved satisfactorily due to the limitations placed on an investigation by anonymity.~~

~~Persons lodging complaints may request that their identity be kept confidential for fear of reprisal. Staff should endeavour to honour such requests but any person lodging a complaint must be informed that due process may, at some stage of the investigation and intervention process or of a subsequent legal process, require the District to release all information.~~

~~All staff are responsible for receiving complaints of bullying, intimidation, discrimination, harassment, or violence and for ensuring that the most appropriate staff member is informed of the complaint.~~

Falsely Reporting Bullying, Intimidation, Discrimination, Harassment, or Violence

~~It is a violation of this district administrative procedure to knowingly report false allegations of bullying, intimidation, discrimination, harassment, or violence. Persons found knowingly to have filed a false report will be subject to appropriate discipline and/or the filing of a complaint with other appropriate authorities.~~

Retaliation

~~No student, school employee, parent or volunteer may engage in reprisal or retaliation against a victim, witness, or other person who brings forward information about an act of bullying, intimidation, discrimination, harassment, or violence. Reprisal/retaliation or shunning/isolation is prohibited and will result, where appropriate, in discipline and/or in the filing of a complaint with other appropriate authorities.~~

Possession or Use of Weapons

~~The District considers the possession or use of any weapon or simulated weapon by anyone on or near school premises to be a serious threat to the school environment and to the safety of students and staff. Staff are to take appropriate action to ensure the safety and well-being of students and staff.~~

~~Violent incidences must be documented as indicated and reported to the student's parents and a Violence, Threat-Making and Rapid Assessment (VTRA) completed.~~

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 700
SAFE, CARING, AND INCLUSIVE SCHOOL COMMUNITIES

Where a Principal/Vice-Principal reasonably believes that a person on or near school premises is in possession or has used a weapon, that person shall:

- a. invoke the appropriate All Hazards Emergency Procedure in order to minimize the risk of injury to any person
- b. immediately notify the police and the Superintendent of Schools or designate
- c. ensure the weapon is removed from school premises (confiscated)
- d. contact parent/guardian

Resultant consequences will range from school disciplinary action to charges being laid by the police depending on specific circumstances.

Investigation

All complaints of bullying, intimidation, discrimination, harassment, or violence will be taken seriously and will be followed up in a timely manner. In cases a criminal offence has occurred, the school or district administration will notify the RCMP. Similarly, in all cases where child abuse is suspected, a report will be made to the appropriate ministry. An investigation of bullying, intimidation, discrimination, harassment, or violence shall include obtaining input from the person(s) alleged to have been harmed by the behaviour, from the alleged perpetrator and from one witness, (if one exists) to the alleged behaviour.

More intensive interviewing of those involved and/or of witnesses may be required at the discretion of the investigator, depending on the nature of the behaviour or incident.

Intervention

When there is a finding that misconduct has occurred, intervention will be:

- appropriate to the degree of misconduct
- educative, preventive and/or restorative
- implemented in a timely manner
- appropriate intervention may include, for example, one or more of the following actions:
 - an opportunity for those harmed by the behaviour to explain to the perpetrator that his/her conduct is unwelcome, offensive or inappropriate either in writing or face-to-face
 - a statement from the Principal/designate to an individual that such behaviour is not appropriate and could lead to discipline
 - a general public statement from the Principal/designate to the school as a whole which outlines this administrative procedure without identifying those involved or revealing details of previous behaviour or incidents
 - arranging measures which are designed to provide those harmed with restitution of status or sense of self-worth
 - counselling or educative measures designed to support any students involved with bullying, intimidation, discrimination, harassment, or violence — including both those who may have been harmed and those who are responsible
 - disciplinary measures up to and including suspension or expulsion from a regular educational program
 - notification of other agencies as deemed by the Principal/designate to be appropriate or legally required

Student Locker Searches

A student locker search may be undertaken if there are reasonable grounds to believe that a school rule has been or is being violated and that evidence of the violation will be found in the student's locker.

1. All requests/questions regarding student locker searches will be referred to the Principal of the school.
2. Students shall be advised at the time they are assigned a locker of the following Rules and Conditions of Use under which the locker is assigned:

The locker is assigned to a student for use during the school year based on the following rules and conditions of use:

- a. Students are responsible for the locker which is assigned to them and the locker is not to be used by any other person.
- b. Only approved locks may be used on student lockers and the combination of the lock must be registered at the office.
- c. No illegal substances, weapons or other prohibited or offensive material are to be placed in school lockers.
- d. School officials may search student lockers at any time and without prior notice in order to ensure compliance with the conditions of use and other school policies and rules. It is recommended that an additional staff member be present when a locker is searched, except in an emergency situation.
- e. Permission to use the locker may be terminated where a student does not comply with the conditions of use or school policies or rules.
- f. If any student has reason to believe that any locker contains anything which would threaten the safety of other students, staff or any other person, that student is expected to immediately report the information to a teacher, Vice Principal or Principal. The name of the student making the report will be kept confidential.

Questioning of Students by Law Enforcement Authorities

School and District administration should be aware of the current provisions and requirements of the *Youth Criminal Justice Act* and other pertinent legislation.

Issues of particular importance to school and District administration in current legislation are:

- a. the 'ban on publication' provisions which seek to protect the identity of young offenders or those accused or suspected of committing an offence
- b. the potential admissibility of all statements made by students to school authorities

The RCMP School Liaison Officer is authorized to discuss police matters directly with students at the school and, where appropriate or required by law, make contact with the parent or guardian of a student being questioned. This does not preclude the questioning of students by other RCMP officers who have the legal right to do so.

Where practicable, the designated RCMP School Liaison Officer should be involved when students are to be questioned by police.

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 700
SAFE, CARING, AND INCLUSIVE SCHOOL COMMUNITIES

~~Should the parent or guardian not be available, the Principal or designate may, with the agreement of the student, act in loco parentis with his/her primary concern being the protection of the rights of the student.~~

~~No school district employee shall act or be required to act as a representative of the police.~~

~~Routine cooperation with the police, where such cooperation is a legal or reasonable expectation of school and district personnel such as providing student contact information or arranging meeting space, does not constitute acting as a representative of the police.~~

~~The Principal or designate acting in loco parentis in a police investigation shall not assume the lead role in subsequent school investigations or outcomes related to the matter(s) originally under investigation.~~

~~Unless otherwise instructed by the RCMP, the Principal or designate (as soon as practicable) shall inform the parent and/or guardian of any case where a student is accused of an alleged offence or is apprehended.~~

~~The Principal or designate shall proceed with any school-level investigation and/or other discipline-related steps as necessary pursuant to school and district policy.~~

~~The Principal or designate shall make it clear to students and parents that school-related consequences may be determined separately from the police investigation and outcomes, and that information gained from statements by students to police may result in school and/or school district level consequences.~~

Violence, Threat, Risk Assessment (VTRA)

~~Trained multidisciplinary teams at both the school and district level will be guided by the *Assessing Violence Potentials: Protocol for Dealing with High-Risk Student Behaviours* when responding to threats.~~

~~Each school is to review this threat assessment policy with all staff and students at the beginning of each school year as well as with the school PAC, and with parents/guardians through the school newsletter and/or website in order to provide "Fair Notice" that each threat will be taken seriously.~~

~~Students and staff who become aware of a threat have a duty to inform the school Principal/Vice Principal immediately.~~

~~The Principal or Vice Principal is expected to secure the school environment by detaining students involved in a threatening or violent situation, notifying parents/guardians, implementing the school Code of Conduct as appropriate to the situation or by taking any other immediate action deemed necessary to ensure student and staff safety.~~

~~The School Threat Assessment Team is to be notified of all threats or violent situations and will coordinate the school's Threat Assessment Procedures.~~

~~The suspension of students for engaging in threatening or violent acts is not to be a substitute for a thorough threat assessment and intervention plan; however, suspension may be used as an interim~~

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 700
SAFE, CARING, AND INCLUSIVE SCHOOL COMMUNITIES

~~intervention as the threat assessment is conducted and within the guidelines of the suspension policy until such time as an adequate intervention plan can be implemented as appropriate.~~

~~School Threat Assessment Teams may be formed to assess intervention needs, based on the level of the threat (low, medium, high), consult with outside experts, and provide intervention recommendations to the school coordinator and to the school Principal as per the District VTRA intervention planning document.~~

~~When the threat assessment protocol is activated, a designated Threat Assessment Team member will notify parents/guardians when it is deemed appropriate. Whenever possible, parents should be an integral part of the VTRA process.~~

~~For serious threats requiring significant interventions and protection of students and/or staff, a District Threat Assessment Team will be convened by the Safe Schools Coordinator or Superintendent.~~

~~The District Threat Assessment Team will meet with the School Threat Assessment Team coordinator to review the incident, assess the threat intervention needs, and make recommendations for intervention planning to the school Principal for action and the Superintendent of schools for information.~~

~~The resulting VTRA report and recommendations represent the collective opinion of the whole team rather than any one individual member of the team.~~

~~If students are suspended for threat containment purposes for up to and including 5 school days as per Board Policy 701: *Student Discipline and its attendant Administrative Procedure* until the threat assessment is completed, then interim counselling and support services are to be provided as appropriate when students are suspended for up to and including 5 days to ensure student safety and well-being. Any recommended suspensions over 5 school days will be referred to the District Discipline Committee as per Board Policy 701: *Student Discipline*.~~

~~Schools are to report all threats involving threat assessment procedures to the Superintendent's office outlining the incident, the assessed threat level, actions and interventions taken and planned.~~

~~Any communication with the media regarding incidents of violence, risk or threat will be done through the Superintendent's office.~~

Appeal

~~All decisions of the Board or district staff are subject to appeal pursuant to Section 11 of the *School Act* and Board Bylaw 5: *Parent/Student Appeals to the Board of Education* and its attendant Administrative Procedure.~~

Other Laws

~~Nothing in this administrative procedure precludes any person harmed by alleged bullying, harassment, intimidation or violence from exercising his/her rights under procedures outlined in other laws; for example, *the Criminal Code of Canada* or civil action.~~

~~Amended: 2018.01.23: **2022.01.25**~~

Purpose

These Administrative Procedures are written in support of Policy 701: Student Discipline

1. The Board delegates the right and responsibility to teachers and school-based principals/vice-principals to require students to apply themselves to their studies and to abide by the Code of Conduct established in a school. Paramount authority in this regard rests with the administrative officers with a school.
2. The Board requires that teachers and principals/vice-principals take appropriate progressive disciplinary action when:
 - a. students fail to abide by the Code of Conduct established in a school to the extent that their behaviour is willfully disobedient or has a harmful effect on other students; or,
 - b. students fail to apply themselves to their studies.
3. School personnel shall be guided by Section 85 of the *School Act* in all of their dealings with students.
4. Students failing to comply with the Rules, Policies and/or Codes of Conduct as sanctioned by the Board of Education may be suspended according to Section 85(2) (d) of the *School Act*. Principals or Vice Principals, when suspending a student, must ensure that an educational program is available for the student during the period of suspension. Parent/guardian(s) shall be notified that the school will provide an educational program and the nature and expectation of that program.
5. Principals and Vice Principals may suspend students for up to five (5) school days as a disciplinary measure. When a student is suspended from school, the student shall remain at the school under the Principal's or Vice Principal's supervision and control until contact has been established with the student's parent/guardian(s) or the designated adult family alternative and a plan has been put in place for the student to be returned to the authority of the parent/guardian(s). The Principal or Vice Principal shall notify the student and parent/guardian(s) verbally followed by a letter to the parent/guardian(s) with a copy being forwarded to the Superintendent of Schools and/or designate.
6. The Principal or Vice Principal, where appropriate, shall arrange a meeting with the student and their parent/guardian(s) to resolve the suspension and to establish conditions and expectations which will govern the student's return to school.
7. Any recommended suspension of longer than five (5) school days must be in accordance with Section 85(2)(d) of the *School Act* and shall be immediately reported to the parent/guardian(s) verbally and confirmed in writing by mail or be delivered by hand. The Superintendent of Schools and/or designate must be notified and shall arrange a District Review Committee hearing.
8. All written reports, including pertinent student records and information, from teachers and the school administration shall be submitted to the Superintendent of Schools and/or designate within three (3) school days of the student's suspension from school. Copies of pertinent

ADMINISTRATIVE PROCEDURES TO BOARD POLICY 701

STUDENT DISCIPLINE

written reports shall be made available to the parent/guardian(s) and the student at least twenty-four (24) hours prior to the hearing.

9. When students have been suspended for more than five days the Superintendent of Schools and/or designate shall convene a District Review Committee made up of the Superintendent of Schools or designate and up to three non-involved Principals/Vice Principals and/or community professionals.

This District Review Committee shall meet with the student, the parent/guardian(s), and the referring Principal/Vice Principal to understand the circumstances leading to the suspension and to make recommendations regarding resolution of the suspension.

After the student, the parent/guardian(s) and the referring Principal/Vice Principals have left, the District Review Committee shall consider the educational and support options and/or program offerings available for the student and decide the most appropriate action to take.

10. The decision of the District Review Committee will, in most cases, be communicated by telephone, through the Superintendent of Schools and/or designate, to the parent/guardian(s) and the student and the Principal/Vice Principal within twenty-four (24) hours of the hearing.
11. Written confirmation shall be directed to the parent/guardian(s) and the student and the referring Principal/Vice Principal by the Superintendent of Schools and/or designate. A copy of Bylaw No. 5 (Appeals) shall be attached to the letter.
12. To protect the student's right to privacy, all copies of written reports originally distributed to District Review Committee members shall be collected and destroyed immediately after the committee's decision. The original documentation will be held in a confidential file under the jurisdiction of the Superintendent of Schools.

STUDENT CATCHMENT AREAS/CROSS BOUNDARY TRANSFERS/
DISTRICT BUS TRANSPORTATION

Purpose

These Administrative Procedures are written in support of Policy 704: Student Catchment Areas/Cross Boundary Transfers/District Bus Transportation

Student Catchment Areas/cross Boundary Transfers

1. Changes in catchment areas, if required, shall be determined and approved by the Board not later than March 1, to be implemented in September.
2. Transfer of a student to a school outside of their catchment area will be considered upon written application of the parents/guardians to the Superintendent of Schools or designate, on or before the last Friday in March prior to Spring Break.
3. Approval of transfer is to be based on space availability in the requested school. Space availability is deemed to exist when there is expected, based on reasonable projections, to be capacity to provide the student or applicant with an educational program appropriate to their needs, taking into account physical and educational resources.

The Board of Education delegates to the Superintendent of Schools or designate, the decisions as to whether space is available in individual schools and educational programs.

Decisions on space and facilities availability will be made in consultation with the principal of the affected school and will be based on consideration of the following factors:

- the operating capacity of the school as defined by the Ministry of Education
- staff assigned to a school by the District
- the physical space in which instructional programs operate in the school
- the ability of the school to provide appropriate educational programs for the applicant and other students
- the needs of other programs located in the school

If space and facilities are determined to be available, enrolment in educational programs in the school will be offered in the following priority order, provided that application deadlines and requirements are met:

- catchment area child who attended the school during the previous school year
 - other catchment area child
 - non-catchment area child
 - non-school district child
4. Students who reside within a defined school catchment area will be given placement priority up to September 30th of any school year. Transfer students may be returned to their catchment area school, or, upon a parents/guardian's request, to another District 69 school (subject to space availability) up to and including September 30th of any school year.

ADMINISTRATIVE PROCEDURES TO BOARD POLICY 704

STUDENT CATCHMENT AREAS/CROSS BOUNDARY TRANSFERS/
DISTRICT BUS TRANSPORTATION

5. A student who has spent the previous school year in an approved cross-boundary placement at a District 69 school will be deemed to be a member of that school community. This status will be retained upon transition to the secondary school which students from that school would normally attend based on district catchment areas.
6. Siblings of students (who, by nature of Regulation #5 above are considered “students of this school’s catchment area”) will, at the request of the parents/guardians through the completion of the district’s Application for Cross-Boundary Enrollment form, be considered catchment area students for this school.
7. Access to District programs, such as Collaborative Education Alternative Program (CEAP), PASS/Woodwinds Alternate School or French Immersion, is not subject to Transfer Request approval.
8. Transportation or transportation assistance will be provided for a student who cannot attend their catchment area school because space is not available.
9. Transportation for a student choosing to attend a non-catchment area school or district program is the responsibility of the parents/guardians.

Transportation of Students by District School Bus Service

1. Walk limits are distances determined by the Ministry of Education. Funding is based on provincially established eligibility walk limits. The Board will establish local walk limits annually.
2. Exceptions to established walk limits are:
 - a. Students at all grade levels who are living, and attending school, in the catchment areas for Nanoose Bay, Errington, and Bowser Elementary Schools, will have an eligible walk limit of 1.5 km.
 - b. Special needs students, where transportation costs are recognized on a door-to-door basis for those students diagnosed unable to walk to school due to physical or mental disabilities and therefore need to travel to school by vehicle.
 - c. Extra curricular activities, when funding is provided for this service by schools.
3. The need for transportation fees and the cost of any actual fees for courtesy riders* will be determined by the Board during budget deliberations in the spring of each year. Announcement of any fees and payment schedule will be made public following approval of the budget for the next school year. There are no fees for eligible riders.
4. The bus driver is the final authority in all matters relating to the safety and well-being of passengers.

ADMINISTRATIVE PROCEDURES TO BOARD POLICY 705

CORPORATE/COMMUNITY SPONSORSHIPS, PARTNERSHIPS AND ADVERTISING IN SCHOOLS

Purpose

These Administrative Procedures are written in support of Policy 705: Corporate/Community Sponsorships, Partnerships, and Advertising in Schools.

The Board acknowledges that corporations, businesses and service organizations may from time to time choose to support financially and/or materially public school activities through sponsorships or partnerships. The Board supports the development of sustainable education-business relationships between the Board, its schools, and the community provided they do not compromise the District's commitment to maintaining safe, caring and inclusive schools.

The Board or, in the case of a school, the Principal or designate, in consultation with school partner groups, shall have the authority to decline any form of donation, sponsorship or partnership that is inconsistent with the values, principles or policies of the School District or the particular school.

No employee of the School District shall accept a personal gift in cash or kind, or benefit from the corporate sponsor or donor. Corporate involvement programs shall not limit the discretion of the schools, teachers, and the School District in the use of sponsored materials.

The following points should be considered in determining whether to allow a request for access to teachers or students or to accept a donation, sponsorship or partnership agreement:

- Will not lead to exploitation of the students
- Does not imply endorsement of the school or the Board
- Offers significant educational, cultural, artistic or athletic benefits or social values for students
- Expected acknowledgement is dignified, modest, reasonable and consistent with this policy
- Is not primarily to solicit sales
- Ensures protections against claims that are false or misleading
- Involves minimal intrusion into instructional time
- School or School District has sufficient funds to pay the costs of installation, on-going maintenance, repairs and training
- Donated goods and services are held to the same standard used for the selection and purchase of curriculum materials.

Sponsorships or sponsorship agreements exceeding \$25,000 in amount or longer than one (1) year in duration shall be confirmed by contract through the School District. Proposals shall be sent to the Secretary Treasurer's office with a detailed rationale to obtain appropriate approvals and/or draw up proper legal agreements in consultation with all stakeholder groups.

Each sponsorship arrangement should have an agreed upon sponsor acknowledgement plan prior to accepting the sponsorship or donation. The sponsor acknowledgement plan shall be approved by the school principal in consultation with the education partner groups for school level sponsorships. The Secretary Treasurer's office will ensure the sponsor acknowledgement plan is acceptable and consistent with this policy for District-wide sponsorship agreements.

ADMINISTRATIVE PROCEDURES TO BOARD POLICY 705

CORPORATE/COMMUNITY SPONSORSHIPS, PARTNERSHIPS AND
ADVERTISING IN SCHOOLS

Sponsor or partner activity must not infringe on any collective agreement or labour relations' practices.

Advertising

In general, the sales, the promotion of sales or the support to sales by canvassing, advertising or by other means on the part of any commercial enterprise may be seen as a violation of the safe and secure environment for students or an invasion of the privacy of parents or teachers. ~~Therefore, commercial enterprises will not normally be permitted access to teachers and students either directly on school property or indirectly through the use of School District or school mailing information or systems.~~

~~Limited or selected advertising may be permitted in school or School District publications, provided that it does not conflict with educational objectives. Some requests by individuals or agencies for access to teachers and students are reasonable and contribute to the teaching-learning programs in schools. Recognized charitable organizations and agencies and other organizations having educational and community services attributes may be allowed the opportunity to approach school principals or designated Board staff at the discretion of the Superintendent.~~

Distribution of materials supplied by genuine, community-oriented organizations may be authorized by the Superintendent, provided that they do not demand undue disruption of school time or routine, and provided that they do not contain political, religious or inflammatory material/messages/images which might create unfavourable community reaction and/or run counter to School District values.

Partnerships

The Board supports and encourages partnerships that:

- Treat the educational and personal welfare of students as the paramount concerns and are in accordance with the highest ethical standards and considerations
- Address an identifiable educational or operational purpose or need consistent with the School District's strategic priorities, statements of purpose, and the provincial goals of education
- Increase the equitable access of students to high quality educational programs, service or learning resources.

~~Education-business relationships shall be designed to support the curriculum, enhance the quality and relevance of learning, and be relevant to the Board's desired educational outcomes. Care must be taken to ensure that neither schools nor students are exploited through the partnership activities. Any direct involvement by students in a workplace setting shall be for reasons that are educationally relevant and consistent with the principles governing cooperative education.~~

~~It is important that a school or the School District regularly give public acknowledgement to the direct and/or indirect contributions of business partners to school or School District educational programs. The school or School District shall undertake a review of the goals, objectives and outcomes of each partnership annually. This must involve input from both partners. The review should allow for revisions to and updating of the partnership agreement.~~

ADVERTISING IN SCHOOLS**

Donations

The School District is able to issue tax receipts for cash donations and donations of furniture, equipment or similar items valued \$1000 or less. In accordance with Canada Revenue Agency's Policy 413, donated items valued at more than \$1000 must be independently assessed by a third party before the School District can issue a tax receipt. A sponsorship payment from a business for which the business receives a material advantage such as promotion or advertising (for example, in a press release) as part of an acknowledgement plan may not be eligible for a tax receipt under Canada Revenue Agency's rules.

New or used equipment must be at a standard acceptable for use in classrooms and schools and meet School District specifications. Equipment must be installed according to the standards of the School District. The school principal shall consult with the appropriate Board office staff to make this determination. The school and/or School District must consider costs of installation, maintenance, repairs, and training, where necessary, to ensure funds are available to support the acquisition of the donated equipment. If accepted, donations shall become the property of the School District.

District Parent Advisory Council/Parent Advisory Council (PAC)

The District Parent Advisory Council and a school's Parent Advisory Council (PAC) are often successful fund-raising groups whose efforts facilitate the acquisition of equipment, goods or services in support of one or more schools. Decisions on the methods of raising funds for a school shall be made in consultation with the Superintendent of Schools and/or the school's Principal in accordance with School District policies and administrative procedures.

Purpose

These Administrative Procedures are written in support of Board Policy 708: Emergency Preparedness and Closures

The Board of Education has the responsibility, under the *School Act*, to keep District schools in session for all students and staff according to the annual School Calendar established by the Ministry of Education. However, the Board of Education also recognizes that the health and safety of staff and students is of paramount importance and recognizes that schools may have to be closed temporarily at times for any of several reasons, including the following:

- Inclement weather
- Power outage
- Failure of heating or water services
- Emergency health issues
- Other emergency situations.

The Superintendent of Schools, or designate, has the authority to close schools by reason of weather emergencies or for other causes that might endanger the health or safety of students and staff.

School Closure

There are occasions when the ~~General Manager~~ **Director** of Operations, in consultation with the Superintendent of Schools, may decide not to run the morning bus routes due to hazardous conditions. Every effort will be made to make that decision no later than 6:15 a.m.

Changes in bus operations or school closures shall be communicated to the following media outlets, which usually make such announcements between 6:30 and 8:00 a.m.:

- CIBH Radio ("The Beach" – 88.5 FM) Parksville
- CHPQ Radio ("The Lounge" – 99.9 VM) Parksville
- CHWF Radio ("The Wolf" – 106.9 FM) Nanaimo
- CKWV Radio ("The Wave" - 102.3 FM) Nanaimo
- CKNW (980 AM) Vancouver
- CBC Radio One (690 AM) Vancouver
- CHEK TV News Victoria
- Parksville/Qualicum Beach News (PQB News)

Prior to the end of October each year, parents will be reminded through school newsletters of the procedures that will be implemented in the event of emergent conditions.

Emergency Early Dismissal

Each school shall have an established plan by which parents can be notified in the event of an early closure.

In those situations during the school day where an emergent situation arises or weather conditions deteriorate significantly enough that a Principal or designate has concerns for local road

conditions in his/her school zone, the Principal or designate should contact the Superintendent of Schools. It is the responsibility of the Superintendent of Schools to notify the Principal or designate as soon as it becomes apparent that school emergency closure will be necessary.

When an emergent situation occurs after school has begun it may be prudent for students to be dismissed and, therefore, staff will activate their plan to contact parents. On such occasions the Superintendent of Schools shall activate communication which notify parents that schools will be closed early and some or all bus schedules have been advanced.

If a school bus driver is unable to complete the school bus driver's normal bus run, the driver will so advise the ~~General Manager~~ **Director** of Operations. After discussion with the ~~General Manager~~ **Director** of Operations the driver will either return the students to their home school or deliver them to an alternate location identified by the ~~General Manager~~ **Director** of Operations. ADMINISTRATIVE PROCESURES TO BOARD POLICY 710

RESOLUTION OF PARENT AND STUDENT COMPLAINTS

What Complaints Does This Policy Apply To?

Purpose

The Complaint resolution process outlined below is available to students, parents and other interested persons and applies to complaints concerning the decisions, actions or conduct of the School District or its personnel, **as per Policy 710: Resolution of Parent and Student Complaints.**

Not every complaint or concern that is received will be amenable to resolution under this Policy.

The following matters are **not** subject to this Policy:

- Student suspensions of more than 5 days (which will be reviewed by a hearing of a District Review Committee in accordance with Board Policy 701: *Student Discipline*);
- Decisions of the District Review Committee;
- Where an investigation or resolution process under a collective agreement is available;
- Where the matters raised are the subject of ongoing legal proceedings;
- Where the matters complained of involve serious misconduct by a member of Personnel warranting an independent investigation and response by the School District;
- Where the School District has reason to believe the Complaint is malicious, frivolous, vexatious or filed in bad faith or the Complainant refuses to participate in a manner that is appropriate or respectful of the other participants.

The School District also reserves the right, in its sole discretion and on a case by case basis, to process complaints through other processes.

Any matters not covered by this Policy should be reported in writing to the applicable School Principal or School District office for appropriate action.

Application to Student and Parent Concerns (See Figure 2 attached)

Section 11 of the School Act provides students or parents with a right of appeal to the Board of Education from a decision of an employee of the School District that “significantly affects the education, health or safety of a student”.

A parent or student who wishes to exercise that right of appeal will be required to first complete the dispute resolution process set out in this Policy [See Bylaw 5; and School Act s.11(4)], unless the decision in issue is a decision of the District Review Committee in which case the parent or student may proceed directly to the appeal process outlined in Bylaw 5, if available.

Application to Complaints about Senior Administration.

Complaints about the decisions, actions or conduct of the Superintendent, Associate Superintendent or Secretary-Treasurer of the School District, should be in writing and sent to the attention of the Superintendent, and a Complaint concerning the Superintendent may be sent to the attention of the Secretary Treasurer. Where the Superintendent or, as applicable, the Secretary-Treasurer, considers it appropriate to do so, they may submit such a Complaint to the resolution process outlined below, but omitting Step 2.

ADMINISTRATIVE PROCESURES TO BOARD POLICY 710

RESOLUTION OF PARENT AND STUDENT COMPLAINTS

PROCESS (See attached Figure 1 and 2)

Step 1 - Initial Contact

At Step 1 of the Process, the Complainant is encouraged to directly approach the person about whom the Complaint relates (the "Respondent") and communicate his or her concerns or issues. The Complainant may choose to approach the Respondent in person or through written communications and should reference this Policy.

At Step 1 of the Process, the Parties will attempt to:

- define the concern(s);
- clarify the issue(s);
- develop an appreciation and understanding of each other's point of view; and,
- resolve the concern(s).

If the Complainant is unwilling to approach the Respondent directly or there is no resolution at Step 1, the Complainant may proceed to Step 2 by filing a written letter of complaint with the Respondent's direct management supervisor (the "Facilitator") (in most cases, the school principal). Please contact the School District office if clarification of the appropriate individual to receive the Complaint is needed.

In complaints concerning management Personnel (including principals, superintendent, assistant-superintendent and secretary treasurer) Step 2 will be omitted, and the Complainant may proceed directly to Step 3 by sending a written letter of complaint to the Superintendent (Complaints about the Superintendent shall be sent to the attention of the Secretary-Treasurer).

Step 2 - Facilitated Contact

Upon receiving a Complaint, the Facilitator will arrange to meet with each of the parties. The Facilitator will, as applicable, advise the union of any Complaint involving one of its members. Any party may choose to be accompanied by a support person in meeting with the Facilitator.

The Facilitator will:

- gather information and evidence;
- record the Complaint or allegations and/or investigate the Complaint;
- attempt to facilitate resolution; and,
- make a decision concerning the appropriate resolution or remedy or, where appropriate, may confirm, rescind, vary or modify the decision or action under review.

The Facilitator will complete the Process for Resolution of Concerns Form (attached), and, if appropriate, provide copies to all parties, including, the union, the Superintendent and the Secretary Treasurer. However, circulation of the Resolution of Concerns Form may be restricted in some cases to ensure the privacy of the individuals involved.

Most Complaints will be resolved or concluded at Step 2, and the decision of the Facilitator will be considered final.

ADMINISTRATIVE PROCESURES TO BOARD POLICY 710

RESOLUTION OF PARENT AND STUDENT COMPLAINTS

However, in appropriate circumstances, if a matter is not resolved at Step 2, it may be referred by the Facilitator to Step 3. Matters which will be referred to Step 3, include:

- student discipline or suspension (except where the matter has been reviewed by the District Review Committee);
- decisions significantly affecting the health or welfare of students (within the meaning of Section 11 of the School Act);
- complaints or concerns about any inappropriate conduct by any member of the Personnel.

Step 3 - School District Review

At Step 3, the Superintendent or designate will review the Complaint and all information relevant to the matter, and may:

- contact or meet with the Complainant and Respondent;
- receive further information or evidence or investigate;
- attempt to facilitate a resolution;
- make a decision concerning the appropriate resolution or remedy or, where appropriate, confirm, rescind, vary or modify the decision under review;
- notify the parties of their decision verbally or in writing.

At Step 3 the Superintendent may refer any matter related to student discipline to the District Review Committee for its review and recommendations.

Step 4 – Board of Education Review

Certain student matters may also be subject to a further right of appeal to the Board of Education. Students and parents should refer to Board Bylaw 5: *Parent/Student Appeals to the Board of Education* to determine whether they are eligible to appeal their concerns to the Board of Education.

BIOHAZARD EXPOSURE CONTROL PLAN

Purpose

~~SD69 Employees and volunteers have a responsibility to report to their site supervisor or designate any discarded sharps/needles encountered on the school grounds and surrounding area of the site. This is to ensure that the students, employees and public are not placed at risk by coming into contact with such objects. After reporting the sharp/needle to supervisor, a call is to be placed to the Operations Department (250-248-2067).~~

~~It will generally be the responsibility of the Operations Department to pick up and dispose of such hazardous items; however, in an emergent situation where it is determined that the sharp/needle needs to be removed immediately, the supervisor (if trained in Sharps removal protocols) may remove the sharp/needle using the school Bio-Hazardous Materials Kit following the steps outlined below.~~

~~Schools and worksites are to follow these sharp/needle handling procedures and have the proper Sharps Container, protective equipment and understanding before attempting to pick up a sharp/needle.~~

~~Follow these steps to pick up improperly discarded sharps/needles and other items that could carry HIV, the Hepatitis B and C viruses as well as residual drugs (i.e. fontanyl):~~

- ~~2. Retrieve a Bio-Hazardous Materials Kit from the office or first aid room and get the disposable waterproof gloves and a proper sharps container ready.~~
- ~~3. Put the gloves on. **DO NOT** pick up the sharp/needle with your hands even while wearing the disposable waterproof gloves.~~
- ~~4. Place the Sharps Container next to the sharp/needle or other bio-hazardous item; **DO NOT** hold the container in your hand or you might accidentally jab yourself.~~
- ~~5. Use the tongs provided in the kit to pick up the sharp/needle (or other hazardous item) and place it in to the Sharps Container with the pointed end first and away from you. **DO NOT** insert your fingers into the opening of the container and keep your free hand out of the way.~~
- ~~6. If more than one sharp/needle or bio-hazardous item is found at a time, you may use the same disposable container.~~
- ~~7. Remove and discard the gloves and wash your hands with soap and water or with the antiseptic wipes available in the kit.~~
- ~~8. Once your kit has been used it must be properly disposed of by the Operations & Maintenance Department~~
- ~~9. The Operations & Maintenance Department will provide a new kit when the used kit is picked up for disposal.~~

HEALTH AND SAFETY OF EMPLOYEES IN THE WORKPLACE

10. ~~The employee removing the sharp/needle is to file a report (including the location where the sharp/needle or bio-hazardous item was found) with the Site Safety Committee.~~

~~A Bio-Hazardous Materials Kit includes:~~

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 803
TOWARDS A SCENT CONSIDERATE SCHOOL/WORKPLACE
ENVIRONMENT

PURPOSE

These Administrative Procedures are intended to increase the awareness within the schools about the potential impact of fragrance chemicals on the health, wellbeing, productivity and lifestyle of those affected, as per Policy 803: Towards and Scent Considerate School/Workplace Environment.

~~There has been increasing awareness in the District that exposure to perfumes and other chemically-scented products can trigger serious health reactions in individuals with asthma, allergies, migraines, or chemical sensitivities.~~

~~Fragrances are found in a wide range of products. Common scented products include perfume, cologne, aftershave, deodorant, soap, shampoo, hairspray, body spray, makeup and powders. Examples of other products with added scents include air fresheners, fabric softeners, laundry detergents, cleaners, carpet deodorizers, facial tissues, and candles.~~

~~We generally think that it is a personal choice to use fragrances; however, fragrance chemicals are by their very nature shared. The chemicals vaporize into the air and are easily inhaled by those around us. Today's scented products are made up of a complex mixture of chemicals, many of which are synthetic compounds derived from petroleum products. These fragrance chemicals, classified as volatile organic compounds, can contribute to indoor air quality problems and cause health problems.~~

~~Individuals can experience a variety of symptoms, including headache, sore throat, runny nose, sinus congestion, wheezing, shortness of breath, dizziness, anxiety, anger, nausea, fatigue, mental confusion and an inability to concentrate. Some of these fragrance chemicals are known to be skin sensitizers. Some are also respiratory tract irritants, and can trigger asthma and breathing difficulties. Individuals with respiratory challenges commonly cite fragrances as initiating or exacerbating the individual's asthma. Fragrances are also implicated in vascular changes that can trigger migraines in individuals. Individuals with chemical sensitivities can experience symptoms at very low levels in the air, far below those known to cause harmful effects in the general population.~~

~~Although the mechanisms by which fragrance chemicals act to produce symptoms are not yet understood, the impact on all those affected can be quite severe, resulting in great difficulty in work and study activities.~~

WHAT IS THIS ADMINISTRATIVE PROCEDURE INTENDED TO DO?

~~Firstly, this Administrative Procedure is intended to increase the awareness within the schools about the potential impact of fragrance chemicals on the health, wellbeing, productivity and lifestyle of those affected.~~

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 803
TOWARDS A SCENT CONSIDERATE SCHOOL/WORKPLACE
ENVIRONMENT

~~Secondly, in order to protect those individuals with fragrance sensitivities and to possibly prevent others from developing such sensitivities, the District is asking for voluntary cooperation towards a scent-reduced environment.~~

~~All staff, students and visitors are strongly encouraged to avoid or reduce the use of fragranced products, and to replace them with unscented alternatives.~~

~~We recognize that the issue is complex and controversial to some. We recognize the personal right of individuals to use scented products. We believe, however, that this must be balanced with the adverse health effects and extreme discomfort that can be suffered by fragrance-sensitive individuals.~~

~~This is not an issue about an individual disliking the smell of a particular perfume and getting what he/she wants in the workplace. This is not a ban on scented products. This is a request to voluntarily refrain from chemical-based scented products.~~

WHAT IS THE DISTRICT DOING ABOUT IT?

~~Recognizing that chemicals, including fragrance' chemicals, can negatively impact on indoor air quality, the District~~

- ~~• Promote the reduction of unnecessary use of chemicals, including fragrance chemicals.~~
- ~~• Promote the use of environmentally-friendly and least harmful products in cleaning materials and building materials.~~
- ~~• Target harmful chemicals and contaminants and implement controls to effectively prevent or minimize their release into the general air as a result of building, maintenance, custodial, research and teaching activities.~~
- ~~• Support the best possible air quality practicably attainable, by means of proper ventilation, peak performance and proper maintenance of building mechanical ventilation systems, in keeping with the District's Indoor Air Quality Standard.~~

WHAT CAN YOU DO TO HELP? EXPECTATIONS

- Be considerate of those who are sensitive to fragrance chemicals. Avoid using chemically-scented products; instead, use unscented alternatives.
- If you do use chemically-scented products, use them sparingly. A general guideline for chemically-scented products is that the scent should not be detectable more than an arm's length away from you. Do not apply scented products in a public area.
- Be an informed customer. Read the product label. A product labeled as "fragrance-free" is likely to be free of fragrance chemicals. A product labeled as "scent-free" or "unscented" may mean that no fragrance chemicals have been added to the product, or it may be that a masking agent has been added to disguise the smell of some of the ingredients. These terms are not regulated, so use your nose or ask the store to check the product for fragrances.
- Avoid using products (e.g. air fresheners or potpourris) that give off chemical-based scents in your work area.

TOWARDS A SCENT CONSIDERATE SCHOOL/WORKPLACE ENVIRONMENT

- Avoid using laundry products or cleaning agents that are chemically-scented. Air out dry-cleaned clothing before wearing.

~~WHAT CAN YOU DO IF YOU ARE SENSITIVE TO FRAGRANCE CHEMICALS?~~

- If you feel you can do so comfortably, approach the scented individual and let him/her know how you react to fragrances. Be specific about the types of physical reactions you have (e.g. asthma attacks, migraines, shortness of breath). Talk to the individual in a cordial and respectful manner. Ask for the individual's understanding and cooperation. Many people are unaware of the potential health effects of fragrance chemicals.
- Inform your Principal/ Vice Principal/Manager of your sensitivities, your symptoms, and the types of exposures that improve or worsen these symptoms. Ask your Principal/Vice Principal/Manager to assist in finding a solution to your situation. You may ask your Principal/Vice Principal/Manager to discuss this matter with the individual involved if you do not feel comfortable doing so, or if the individual has done nothing after you have advised him/her of your situation.
- Consult with your physician about your symptoms.

~~WHAT CAN THE PRINCIPAL/VICE PRINCIPAL/MANAGER DO?~~

If an individual in your work area is adversely affected by chemically-scented products:

- Listen to the person with respect and civility.
- Clarify the issue. Ask the individual to describe the health effects, the factors that make the problem better or worse, and the actions they are taking to deal with it.
- Investigate the issue and use good judgment and consideration to provide a fair, uniform and timely resolution.
- Discuss the issue with your staff in an open and non-threatening manner. Inform them of the health concerns that have arisen as a result of the use of chemically-scented products in the workplace. You may choose to have this discussion with an individual or a group of employees, whichever is appropriate to the situation.
- Request your staff's cooperation and understanding to voluntarily avoid the use of chemically-scented products in the area. Discuss the benefits of a scent-free work area.
- Implement measures to reasonably accommodate those who are affected by scented products. Where employees are severely limited due to exposure to scented products, you may need to establish a fragrance-free zone. For meetings held in enclosed rooms, you may need to send out notices to attendees informing them of the scent-free nature of the meeting.
- Consult with Operations staff regarding the adequacy of ventilation in the area.
- Distribute this information and display the "No Scents make Good Sense" poster.

ADMINISTRATIVE PROCEDURE TO BOARD POLICY 803
TOWARDS A SCENT CONSIDERATE SCHOOL/WORKPLACE
ENVIRONMENT

WHAT SHOULD YOU DO IF YOU ARE APPROACHED BECAUSE OF THE SCENTED PRODUCT YOU ARE WEARING?

- If an individual or your Principal/Vice Principal/Manager informs you that the fragranced products that you use or wear are a problem and requests that you avoid using them, you may feel puzzled, hurt, annoyed, defensive or even insulted by the request.
- Understand that it is not about you as a person or about your choice of fragrance, but it is about the chemicals in the fragranced product. Do not discount the issue as ridiculous and unreasonable.
- Discuss the issue openly. Ask questions about the health impact on the person, the types of symptoms experienced, the factors which make the person's symptoms better or worse (e.g. fragrance type, amount used).
- Empathize with the individual. Work with cooperation and understanding towards a satisfactory resolution.

PHYSICAL RESTRAINT AND SECLUSION OF STUDENTS

At the beginning of each school year, Principals will review this policy with all staff and others working with students as appropriate. Principals are advised to ensure that staff are aware of the Ministry of Education **and Child Care's Provincial Guidelines for Physical Restraint and Seclusion in School Settings** along with the following definitions of physical restraint and seclusion:

Physical Restraint: is a method of restricting another person's freedom of movement or mobility in order to secure and maintain the safety of the person or the safety of others.

The provision of a 'physical escort', i.e. Holding or temporary touching of a student's hand, wrist, arm, shoulder or back for the purpose of accompanying and inducing a student who is acting out to walk to a safe location, does not constitute physical restraint.

The provision of physical guidance, or prompting of a student when teaching a skill, redirecting attention, or providing comfort also does not constitute physical restraint.

Seclusion: is the involuntary confinement of a person, alone in a room, enclosure, or space which the person is physically prevented from leaving.

Behaviour strategies such as "time-out", used for social reinforcement as part of a behaviour plan, are not considered 'seclusion'.

The term seclusion does not apply where a student has personally requested to be in a different/secluded location/space.

It shall be made clear to all staff and others working with students that restraint and seclusion procedures are for extreme emergency situations only, and are not to be used as a regular means of intervention.

The school district will provide appropriate training opportunities for staff in order to maintain supportive, safe environments for both staff and students.

The school-based team shall develop, in consultation with district staff, Behaviour Support Plans and Safety Plans for students whose behaviour could potentially pose imminent danger of harm to self or others.

The Behaviour Support Plan and/or Safety Plan shall be attached to the student's IEP and shall be reviewed regularly, and at least, annually.

Parents and, where appropriate, students are to be consulted as part of the development process for behaviour intervention and/or risk reduction plans.

PHYSICAL RESTRAINT AND SECLUSION OF STUDENTS

If physical restraint or seclusion have been used in an extreme emergency situation to prevent harm to self or others, the school must provide written documentation and follow-up that includes:

1. Notification:
 - To the school principal as soon as possible after an incident and always prior to the end of the school day on which the incident occurred
 - By the school principal to the student's parent(s)/guardian(s) as soon as possible and always prior to the return of the student to the student's parent at the end of the school day on which the incident has occurred
 - To the Assistant Superintendent, as soon as possible after an incident and always prior to the end of the work day on which the incident occurred.
2. Debriefing of the incident:
 - With involved school personnel
 - With the parents/guardians of the student, and where possible with the student
 - The purpose of the debriefing is examine what happened, what caused the incident and what could be changed, i.e. preventative and response actions that could be taken in the future, to make the use of physical restraint or seclusion unnecessary
3. Reporting:
 - When a violent incident occurs, employees have a duty to advise the employee's supervisor and file the appropriate report/s outlined in the ***Procedures for the Handling of a Violent Incident*** (see appendix). Generally a *WorkSafe 6A – Worker's Report of Injury or Occupational Disease to Employer* form and/or *Workplace Violence Risk Assessment (WVRA)* form will be required.

APPENDIX I
PROCEDURES FOR HANDLING A VIOLENT INCIDENT

PROCEDURES FOR THE HANDLING OF A VIOLENT INCIDENT

If a violent incident occurs, you have a duty to advise your Principal/Supervisor immediately and to file a report as directed below.

DEFINITION OF VIOLENCE:

“Violence means the attempted or actual exercise by a person, other than a worker, of any physical force so as to cause injury to a worker, and includes any threatening statement or behavior which gives a worker reasonable cause to believe that he or she is at risk of injury.”
(Source: WCB)

NOTE: Always use common sense – attend to any injury and in serious cases send a request to the office or nearest staff member for help. Do not leave a hazardous teaching area unsupervised.

The Employee MUST:

- 1) Within 3 days complete form “6A – Worker’s Report of Injury or Occupational Disease to Employer” in its entirety and then submit the form to the Principal/Supervisor. If time does not permit the completion of the form, make a verbal report to the Principal/Supervisor, followed immediately by the completion of the form and then submit the form to the Principal/Supervisor.

NOTE: Please ensure the form is filled out completely and accurately. If the incident involves a student, the full name of the student is to appear on the form. Report all incidents regardless of whether or not the student is designated.

Further forms can be found in all school offices, at the Board Office or on the District’s website at <https://start.sd69.bc.ca>, under Staff, Staff Resources, and Health & Safety Links.

The Principal/Supervisor MUST:

- 1) Advise the Employee reporting an injury or adverse symptom as a result of an incident of violence to report to a first-aid attendant on site for treatment. Also advise the Employee to consult a physician of the Employee’s choice for treatment or referral, and if the Employee does, file a form 6A (copies in office or on SD69 Portal) or call TELE-CLAIM and file a WCB claim.
- 2) Promptly initiate an investigation into the incident, with at least one Union representative of the site-based Occupational Health and Safety Committee in addition to the Principal/Vice Principal, if the representative is reasonably available. (The purpose of the investigation is to determine the cause or causes of the incident, to identify any unsafe conditions, acts, or procedures that contributed to the incident, and to recommend corrective action to prevent similar incidents.) Depending on the severity of the incident, Part 3 Division 10 Articles 172- Article 177 of the Work Safe Guidelines, Form 52E40 (preliminary investigation) may need to be filled out within 48 hours of the incident. A 52E40 would typically, but not limited to, be completed for a time loss or medical claim only. Without delay undertake any corrective action required to prevent recurrence of similar incidents.

APPENDIX I
PROCEDURES FOR HANDLING A VIOLENT INCIDENT

- 3) If a 52E40 has been initiated, schedule a meeting of the site-based Occupational Health and Safety Committee for the purpose of concluding the FULL investigation into the violent incident. The 52E40 includes any “sequence of events that preceded the incident” and/or “unsafe conditions, acts, or procedures that significantly contributed to the incident”.
- 4) Using the information gathered from either the 52E40 (if initiated) or the “investigation into the incident” Complete the Workplace Violence Risk Assessment (WVRA) Form. Ensure that the form is accurately completed in its entirety.
- 5) Attach the completed Incident Investigation Report and the completed Workplace Violence Risk Assessment (WVRA) Form to the WS form 6A – Worker’s Report of Injury or Occupational Disease to Employer Form and distribute as outlined below:

Distribution of the Forms:

The Principal/Supervisor will ensure that the completed forms are distributed as follows:

- b) MATA
- c) General Manager of Operations

If the violent incident does not involve a student, un-redacted copies are distributed as follows:

- a) Keep a copy
- b) The Employee
- c) The Site-based Occupational Health and Safety Committee
- d) District Principal, Learning Services (if required as per Policy 7000)
- e) CUPE (in a sealed envelope)
- f) MATA (in a sealed envelope)
- g) General Manager of Operations (in a sealed envelope)

Purpose

This Administrative Procedure is intended to provide procedural support for Board Policy 600: *Personnel*. The policy statement and guidelines speak to a number of areas, as are described procedurally below. The eleven sections described below are:

- I. ~~Vacation Extensions~~
- II. ~~Emergency Closure of Schools (Personnel)~~
- III. ~~Criminal Record Checks and Police Information Checks~~
- IV. ~~Credit Card Usage~~
- V. ~~Travel Expenses~~
- VI. ~~Performance Management: Exempt Staff~~
- VII. ~~Long Service Recognition~~
- VIII. ~~Exit Interviews~~
- IX. ~~Interview and Relocation Expenses for Exempt Staff~~
- X. ~~Leave of Absence for Community Service or Public Office~~

I. ~~VACATION EXTENSIONS~~

The Board of Education believes that in general all teaching staff should be present in schools before and after each vacation break (winter, spring or summer). For this reason, teachers will not normally be granted leave to extend these break periods subject to the terms of the Mount Arrowsmith Teachers' Association (MATA) Collective Agreement.

II. ~~EMERGENCY CLOSURE OF SCHOOLS (PERSONNEL)~~

The Board of Education believes that the health and safety of staff and students is of paramount importance and recognizes that schools may have to be closed temporarily at times for any of several reasons, including the following: inclement weather, power outage, failure of heating or water services, emergency health issues, as well as a variety of other emergency situations.

The Board of Education authorizes the Superintendent of Schools, or designate, to close schools and/or worksites by reason of weather emergencies or for other causes that might endanger the health or safety of staff and students. School and/or worksite closure due to emergent conditions will be of three types:

- ~~For students only~~
- ~~For students and school-based employees~~
- ~~For students and all employees~~

Principals, or designates, are expected to have school buildings open to provide for students who, for whatever reason, arrive at school. Principals who are unable to get to work must contact the Superintendent of Schools so that alternate arrangements can be made to have the school open.

All employees are reminded to watch the district website, follow email and social media, and listen to local radio stations for news from the school district in the event of inclement weather or other reasons for schools and worksites to potentially be closed or otherwise impacted.

PROCEDURES

1. ~~School Bus Service~~

~~There are occasions when the General Manager of Operations, in consultation with the Superintendent of Schools, may decide not to run the morning bus routes due to hazardous conditions. Every effort will be made to make that decision no later than 6:15 a.m. It is understood that:~~

- ~~a. The decision to cancel school bus service is made by the General Manager in consultation with the Superintendent of Schools.~~
- ~~b. If buses **are not** running in School District 69 (Qualicum) it does NOT mean that schools are closed.~~
- ~~c. If buses **are not** running in School District 69 (Qualicum) it does NOT mean that staff cannot get to school — conditions vary throughout the District and staff need to assess the conditions in their own area.~~
- ~~d. If buses are running in School District 69 (Qualicum), employees are expected to be at work.~~

2. ~~School Closure During the Day~~

~~In extreme emergencies, schools may be closed after school has commenced. In situations during the school day where an emergent situation arises or weather conditions deteriorate significantly enough that a Principal has concerns for local road conditions in their school zone, the Principal should contact the Superintendent of Schools. It is the responsibility of the Superintendent of Schools to notify the Principal as soon as it becomes apparent that school emergency closure will be necessary.~~

~~When an emergent situation occurs after school has begun it may be prudent for students to be dismissed and therefore staff will activate their plan to contact parents. In this case, parents of students in elementary schools must be contacted prior to releasing students to go home. In the case of busing students, all students will be held at the school until we can confirm that all affected parents have been contacted.~~

~~Depending on the severity of the circumstances, the Principal shall, in consultation with the Superintendent of Schools, determine whether school staff complete their work day at school or at home.~~

3. ~~Employee Responsibilities~~

~~It is expected that all staff will undertake normal precautions for winter weather; e.g. allowing more time for travel, snow tires, an analogue phone, battery operated radio, battery operated alarm clock in the event power is out. Employees are expected to make every reasonable effort to attend their regular place of work. Employees who are unable to get to work must contact their immediate supervisor each day of their absence and contact dispatch.~~

When Schools are open and buses are NOT running:

Every effort will be made to decide early enough so that announcements can start no later than 6:30 am through local media and the District website www.sd69.bc.ca if power is available.

a. ~~CUPE staff~~

- i. ~~CUPE staff who are unable to get to work, must contact their supervisor and dispatch for each day of absence.~~
- ii. ~~Within 3 days of returning to work, CUPE staff must put in writing the reason they were unable to get to work and the efforts made to get to work, and direct the letter to the Secretary-Treasurer. **Late requests will not be accepted.**~~
- iii. ~~This documentation will be reviewed on a case by case basis. Pay may be adjusted retroactively.~~

b. ~~MATA staff~~

- i. ~~MATA staff must make reasonable efforts to attend at their school (Collective Agreement Article D.28).~~
- ii. ~~MATA staff who are unable to attend at their school, will contact their Principal and TTOC dispatch for each day of absence.~~
- iii. ~~MATA staff must contact their Principal to explain the circumstances which preclude attendance to duties at their school. This communication needs to occur as early in the day as possible in order to ensure appropriate coverage of classes.~~
- iv. ~~It is recommended that any verbal communication from MATA staff to their Principal be followed-up with an email as a means of documenting that the required communication occurred.~~
- v. ~~If MATA staff are unable to attend at their school due to weather conditions, it is expected that they will carry out work duties from home.~~
- vi. ~~Such an absence will be treated as a 'Leave with Pay' (Collective Agreement Article D.28).~~

c. ~~Principals and Vice-Principals~~

- i. ~~Principals will document contact made by MATA staff regarding absences due to weather conditions and confirm with TTOC dispatch, by the end of the day, all absences.~~

d. ~~Senior Staff~~

- i. ~~Senior Staff will be responsible for initiating communications with other staff through the Emergency Phone Tree.~~
- ii. ~~Senior Staff will touch base with PVP and other exempt staff regarding staffing issues that result from the conditions leading to closure.~~
- iii. ~~Senior Staff will assist if possible as need be with situations arising from staffing shortfalls.~~

When schools are closed:

Every effort will be made to decide early enough so that announcements can start no later than 6:30 am through local media and the District website www.sd69.bc.ca if power is available.

a. ~~CUPE Staff~~

- i. ~~If schools in this District are closed, CUPE staff will be paid at their normal rate. **This applies to school closures in School District 69 (Qualicum) only.** It does not apply if a CUPE staff member lives in another district and schools in that district are closed.~~
- ii. ~~CUPE staff who are deemed necessary are requested to report to work. Necessary services during a District wide temporary school closure day are payroll clerks and the School Board Office receptionist as well as, if applicable, maintenance, grounds and custodial staff responsible for snow removal (per the General Manager of Operations). If safe for them to do so, they are requested to report to work. If they do so, they will receive their regular pay and additional banked hours (at straight time) for each hour worked up to their assignment hours for that day.~~
- iii. ~~If CUPE support staff are unable to get to work, they must contact their supervisor and dispatch for each day of absence.~~
- iv. ~~Within 3 days of returning to work, CUPE support staff must put in writing the reason they were unable to get to work and the efforts made to get to work, and direct the letter to the Secretary-Treasurer.~~
- v. ~~This documentation will be reviewed on a case by case basis. Pay may be adjusted retroactively.~~

b. ~~MATA Staff~~

- i. ~~If schools in this District are closed, MATA staff will be paid at their normal rate. This applies to school closures in this District only. It does not apply if a MATA staff member lives in another district and schools in that district are closed.~~

c. ~~Principals and Vice-Principals~~

- i. ~~Principals are expected to report to work when schools are closed. If this is not possible, Principals must contact the Superintendent of Schools to ensure that an adult presence is available at the site should students arrive at the school.~~

III. ~~CRIMINAL RECORD CHECKS AND POLICE INFORMATION CHECKS~~

~~The Board of Education acknowledges and accepts its responsibility to ensure that criminal record checks are conducted on all employees who work with children and/or vulnerable adults. In fulfilling its responsibilities, the Board of Education is guided by the Criminal Records Review Act. The Criminal Records Review Act defines "working with children and/or vulnerable adults" to mean working with children and/or vulnerable adults~~

~~directly or having or potentially having unsupervised access to children and/or vulnerable adults in the ordinary course of employment or in the practice of an occupation.~~

~~In accordance with the *Criminal Records Review Act*, the Board of Education will require all new employees and all current employees (except employees who belong to a governing body) to provide the Board of Education with a signed criminal record check Authorization Form.~~

PROCEDURES

1. ~~Members of the Teachers' Regulation Branch~~

~~The Teachers' Regulation Branch is responsible for obtaining completed and signed criminal record Authorization Forms from all members and all new applicants for certification.~~

2. ~~All Other Staff (excluding teachers and other registered professionals)~~

~~The Board will obtain completed and signed criminal record Authorization Forms from all other employees in positions classified within the *Criminal Records Review Act's* definition of "works with children and/or vulnerable adults" (including those individuals who have previously had a criminal record check).~~

- ~~a. The Human Resources Assistant will be responsible for monitoring the administration of the *Criminal Records Review Act*.~~
- ~~b. All new employees (successful applicants) and employees notified that the employee is due for a re-check must complete a Criminal Record Check Authorization Form.~~
- ~~c. The Human Resources Assistant will check and verify each applicant's identification in accordance with Criminal Record Review Program best practices and RCMP policy.~~
- ~~d. Application is made to the Criminal Records Review Agency.~~
- ~~e. The original signed authorization form will be maintained on the employee's personnel file for a minimum of five (5) years.~~
- ~~f. The return of the Authorization Forms and the results returned from the Criminal Records Review Agency will be recorded.~~
- ~~g. Mandatory re-checks are required every five (5) years and employees are required to submit another Criminal Record Check Authorization Form by the five (5) year anniversary date, when notified by the Human Resources Department.~~
- ~~h. Any employee who has a break in service must provide a new criminal record check. For example, if the employer/employee relationship is formally severed, this is considered a break in service.~~
- ~~i. When the Criminal Records Review Agency informs the Board that an employee presents a risk to children and/or vulnerable adults, the Board will ensure that the employee is removed from or never placed in a position where the employee works with children as defined in the *Act*.~~
- ~~j. A vulnerable sector check is conducted as part of each criminal record check. The vulnerable sector check is national RCMP policy and in some cases, the RCMP may require fingerprints in order to verify an Employee's identity. The Employee will be notified directly by the RCMP and provided with the necessary forms and instructions.~~

- ~~k. It is the responsibility of each employee to notify the District if they are charged with or convicted of a relevant or specified offence as applicable subsequent to a criminal record check. The employee must promptly report the charge or conviction to the Director of Human Resources, and submit a new, signed Consent for Criminal Record Check form. Failure to do so may result in disciplinary action which may be up to and including termination.~~
- ~~l. Any employee who is required to provide fingerprints to the RCMP is also required to provide the District with a completed "Criminal Offence Declaration" (form attached), in order to meet the District's obligations of due diligence.~~
- ~~m. New employees and employees requiring a re-check will be responsible for the cost of the Criminal Records check. Any associated fees with the Fingerprint process are also the responsibility of the employee.~~

~~3. Volunteers~~

- ~~a. Parents, guardians and/or community members who wish to act as a school volunteer must contact the school office to obtain a "Police Information Check with Vulnerable Sector Screening" letter. The "Police Information Check with Vulnerable Sector Screening" letter must be on school letterhead, signed and dated by the principal and must contain the statement: "The applicant will require a vulnerable sector check" (sample letter attached).~~
- ~~b. Potential volunteers are then referred to the Oceanside RCMP Detachment, at which time they will submit the "Police Information Check with Vulnerable Sector Screening" letter and the "Police Information Check with Vulnerable Sector Screening" form.~~
- ~~c. The "Police Information Check with Vulnerable Sector Screening" form is available from the school or the Oceanside RCMP detachment and must be submitted at the same time as the "Police Information Check with Vulnerable Sector Screening" letter. Please note that **old forms will not be accepted.**~~
- ~~d. For convenience, a copy of the "Police Information Check with Vulnerable Sector Screening" form has been attached and can be provided to applicants by the School Principal or designate at the same time that the applicant receives the "Police Information Check with Vulnerable Sector Screening" letter from the school.~~

~~**Note:** The "Police Information Check with Vulnerable Sector Screening" letter is required to waive the processing fee. If the letter is not included with the package, the processing fee will be levied on the applicant.~~

- ~~e. The RCMP will return the processed form to the parent, guardian or community member who will then submit the form to the School Principal.~~

Amended:

Purpose:

~~This policy is intended to provide a safe and effective procedure for resolving interpersonal conflicts and reporting inappropriate conduct in the workplace.~~

Scope:

This includes school district employees, contractors, parents, school trustees, volunteers, third parties doing business, and members of the general public who interface with the school district.~~
- ~~2. Students are not covered under this policy. Standards for student behavior are addressed under each school's code of conduct.~~
- ~~3. Inappropriate behavior by an adult toward a student is not covered by this policy. The School Act, School District Policy, the Teachers' Regulation Branch, the District's Collective Agreements along with the BC Human Rights Code and employment laws/statutes will define and govern the standard of behavior required by adults when dealing with students.~~
- ~~4. For District employees, this policy does not supersede any provision of an applicable Collective Agreement.~~
- ~~5. The conduct of the Board of Education is addressed in Board Bylaw 1 under Trustee Code of Ethics.~~
- ~~6. The following matters are not subject to the above principles~~
 - ~~a. Student suspensions of more than five days (See Board Policy: Suspension of students)~~
 - ~~b. Decisions of the District Discipline Committee~~

 - ~~f. Malicious, frivolous, or bad faith complaints where the complainant refuses to participate in a respectful resolution process.~~

Responsibilities:

- ~~7. School and district administration will ensure that provisions of this policy and administrative procedure are used to support the creation and continuation of respectful workplaces, and for providing support and intervention as needed to that end.~~
- ~~8. Employees will be expected to, in accordance with WorksafeBC requirements, report an incident of violence to their supervisor in accordance with the procedure for the handling of a violent incident.~~

DEFINITIONS

Anaphylaxis — is a sudden and severe allergic reaction, which can be fatal, requiring medical-emergency measures be taken

Asthma — is a chronic, inflammatory disease of the airways in the lungs.

Epilepsy — is a neurological condition which affects the nervous system. Epilepsy is also known as a seizure disorder or by many people as convulsions.

Health Care Professional — a member of a College under the Regulated Health Professions Act (e.g., medical doctor, nurse practitioner, registered nurse, pharmacist).

Health Care Provider — may be a Physician, Nurse Practitioner, Registered Nurse, Pharmacist, Respiratory Therapist, Certified Respiratory Educator, or Certified Asthma Educator.

Medical Emergency — is an acute injury or illness that poses an immediate risk to a person's life or long-term health and requires assistance from another qualified person and contact with Emergency Medical Services.

Medical Incident — is a circumstance that requires an immediate response and monitoring, as the incident may progress to an emergency requiring contact with Emergency Medical Services.

The student's journey to reach the student's full potential along the self-management continuum is not linear and can require varying levels of support over time. Finance & Operations Committee of the Whole Report
Monday, November 14, 2022
Via Zoom
10:30 a.m.

1. ACKNOWLEDGEMENT OF TRADITIONAL TERRITORIES

2. PRESENTATION (10 MINUTES)

There was no presentation; however, it was noted that with the new Board taking office and the committee appointments being reviewed, Trustee Elaine Young will be the new Chair of the Finance and Operations Committee

3. PROJECT UPDATES

a. Oceanside Community Track/Fundraiser

Trustee Young reminded the committee of the upcoming fundraising dance on November 25 at 7pm. Director of Operations Munro shared that he will be meeting with Koers Engineering and Ross River to review the Track cost estimates. It is anticipated that once the revised estimate is completed, the Steering Committee will meet to share the progress to date and will include the new Council appointees.

b. Operations - Prism Report Recommendations

Director of Operations Munro shared that the recommendations from the Prism Engineering Report will be included in the capital planning and operational planning going into 2023. He indicated that two Electricians will be hired for a year to support this work, highlighting that bringing the work inside will create efficiencies. It was also shared that recruitment for a Manager of Operations has begun and that it is anticipated to support this and other project work as necessary.

4. ITEMS FOR DISCUSSION

a. Mandate Wording – Trustee Young introduced the new wording for the Committee’s mandate for discussion. It was shared that with the work of the Climate Action Task Force now complete, the Committees of the Whole were recognizing the additional context to which matters are presented and discussed. There was general discussion regarding the use of the word sustainable vs environmental and it was felt that the inclusion of “toward environment sustainability” was more reflective of the intention to include these topics into the agenda.

5. INFORMATION ITEM

a. Dissolution of Climate Action Task Force

Trustee Austin shared that the Climate Action Task Force was being dissolved after discussion by the Board. She shared that the original intention was for the Task Force work to be short term in nature and to make recommendation of embedding Climate Action initiatives into the governance model. Going forward these items would now be supported in the Committees of the Whole structure, specifically within the Finance and Operations and the Education agendas. It was confirmed that the initiatives and conversations regarding sustainability would continue but within the mandates of the Committees of the Whole.

b. School District Field Trip Rates

Secretary Treasurer Amos provided background to the rationale for reviewing District rates and fees, citing rising fuel and other costs as pressuring the district's budget. He noted that transportation fees and facility rental rates were recently discussed and forwarded to the Committee for further consideration. Secretary Treasurer Amos explained that field trip rates are charged to schools for use of school buses for field trips on a cost recovery model for wages and fuel costs. Recognising that these fees have not been reviewed for several years it was determined to be time to adjust them accordingly. The new rates will be effective January 1, 2023 and will not affect the current District practice of using budget funds to subsidize the field trip costs.

MANAGEMENT REPORT

Version: 5475-4729-2747

Management's Responsibility for the Financial Statements.

The accompanying financial statements of School District No. 69 (Qualicum) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

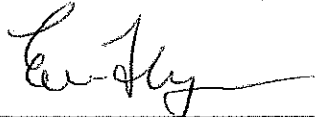

The preparation of financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

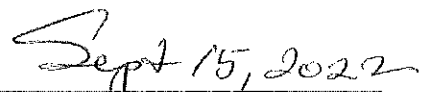

The Board of Education of School District No. 69 (Qualicum) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a monthly basis and externally audited financial statements yearly.

The external auditors, McGorman MacLean, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of School District No. 69 (Qualicum) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

INDEPENDENT AUDITORS' REPORT

To the Board of Education of School District No. 69 (Qualicum), and
To the Minister of Education, Province of British Columbia

Opinion

We have audited the accompanying consolidated financial statements of School District No. 69 (Qualicum), which comprise the statement of financial position as at June 30, 2022, the statements of operations, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of School District No. 69 (Qualicum) as at June 30, 2022, and the results of its operations, changes in net financial assets and cash flows for the year then ended in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia.

Basis of Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the School District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the School District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the School District's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the School District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**SCHOOL DISTRICT NO. 69 (QUALICUM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

NOTE 1 AUTHORITY AND PURPOSE

The School District, established in 1946, operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 69 (Qualicum)" and operates as "School District No. 69 (Qualicum)." A board of education ("Board") elected for a four-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district, and is principally funded by the Province of British Columbia through the Ministry of Education and Child Care. School District No. 69 (Qualicum) is exempt from federal and provincial corporate income taxes.

The COVID-19 outbreak was declared a pandemic by the World Health Organization in March 2020 and has had a significant financial, market and social dislocating impact worldwide. Under direction of the Provincial Health Officer, all schools suspended in-class instruction in March 2020 and the District remained open to continue to support students and families in a variety of ways. Parents were given the choice to send their children back to school on a gradual and part-time basis beginning June 1, 2020 and full-time beginning September 1, 2020 with new health and safety guidelines. The ongoing impact of the pandemic presents uncertainty over future cash flows, may have a significant impact on future operations including decreases in revenue, impairment of receivables, reduction in investment income and delays in completing capital project work. As the situation is dynamic and the ultimate duration and magnitude of the impact are not known, an estimate of the future financial effect on the School District is not practicable at this time.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the School District are prepared by management in accordance with the basis of accounting described below. Significant accounting policies of the School District are as follows:

a) Basis of Accounting

These financial statements have been prepared in accordance with Section 23.1 of the *Budget Transparency and Accountability Act of the Province of British Columbia*. This Section requires that the financial statements be prepared in accordance with Canadian public sector accounting standards except in regard to the accounting for government transfers as set out in Notes 2(e) and 2(j).

In November 2011, the Treasury Board provided a directive through Restricted Contributions Regulation 198/2011 providing direction for the reporting of restricted contributions whether they are received or receivable by the School District before or after this regulation was in effect.

As noted in Notes 2(e) and 2(j), Section 23.1 of the *Budget Transparency and Accountability Act* and its related regulations require the School District to recognize government transfers for the acquisition of tangible capital assets into revenue on the same basis as the related amortization expense.

As these transfers do not contain stipulations that create a liability, Canadian public sector accounting standards would require that:

- Government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410; and

SCHOOL DISTRICT NO. 69 (QUALICUM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

a) Basis of Accounting (continued)

- Externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100.

The impacts of this difference on the financial statements of the School District are as follows:

Year ended June 30, 2021 - increase in annual surplus by \$441,865

June 30, 2021 - increase in accumulated surplus and decrease in deferred contributions by \$45,404,619

Year ended June 30, 2022 - decrease in annual surplus by \$1,993,181

June 30, 2022 - increase in accumulated surplus and decrease in deferred contributions by \$43,411,438

b) Cash and Cash Equivalents

Cash and cash equivalents include cash and highly liquid securities that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These cash equivalents generally have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

c) Accounts Receivable

Accounts receivable are measured at amortized cost and shown net of allowance for doubtful accounts.

d) Unearned Revenue

Unearned revenue includes tuition fees received for courses to be delivered in future periods and receipt of proceeds for services or products to be delivered in a future period. Revenue will be recognized in that future period when the courses, services, or products are provided.

e) Deferred Revenue and Deferred Capital Revenue

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by the Treasury Board. When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in Note 2(j).

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the statement of operations. This accounting treatment is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that creates a liability in which case the transfer is recognized as revenue over the period that the liability is extinguished. See Note 2(a) for the impacts of this policy on these financial statements.

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

f) Employee Future Benefits

The School District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements. The School District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits. The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing. The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime (EARSLS) of active employees covered under the plan.

The most recent valuation of the obligation was performed at March 31, 2022 and projected to March 31, 2025. The next valuation will be performed at March 31, 2025 for use at June 30, 2025. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

The School District and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated. The costs are expensed as incurred.

g) Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value on the date of donation except in circumstances where fair value cannot be reasonably determined, which are then recognized at nominal value.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Statement of Operations.
- Buildings that are demolished or destroyed are written-off.
- Works of art, historic assets and other intangible assets are not recorded as assets in these financial statements.
- The cost, less residual value, of tangible capital assets (excluding sites), is amortized on a straight-line basis over the estimated useful life of the asset. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise.

YEAR ENDED JUNE 30, 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

g) Tangible Capital Assets (continued)

- Estimated useful life is as follows:

Buildings	40 years
Furniture and Equipment	10 years
Vehicles	10 years
Computer Hardware	5 years

h) Prepaid Expenses

Amounts for maintenance contracts and other services are included as a prepaid expense and stated at acquisition cost and are charged to expense over the periods expected to benefit from it.

i) Funds and Reserves

Certain amounts, as approved by the Board, are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund when approved (see Note 13 - Accumulated Surplus).

j) Revenue Recognition

Revenues are recorded on an accrual basis in the period in which the transactions or events occurred that gave rise to the revenues, the amounts are considered to be collectible and can be reasonably estimated.

Contributions received or where eligibility criteria have been met, are recognized as revenue except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the School District has to meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred.
- Contributions restricted for site acquisitions are recorded as revenue when the sites are purchased.
- Contributions restricted for tangible capital assets acquisitions, other than sites, are recorded as deferred capital revenue and amortized over the useful life of the related assets.

Donated tangible capital assets, other than sites, are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

j) Revenue Recognition (continued)

The accounting treatment for restricted contributions is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that meets the criteria for liability recognition in which case the transfer is recognized as revenue over the period that the liability is extinguished. See Note 2(a) for the impacts of this policy on these financial statements.

Revenue related to fees or services received in advance of the fee being earned or the service being performed is deferred and recognized when the fee is earned or service performed.

Investment income is reported in the period earned. When required by the funding party or related Act, investment income earned on deferred revenue is added to the deferred revenue balance.

k) Expenditures

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Categories of Salaries

- Principals, Vice-Principals, and Director of Instruction employed under an administrative officer contract are categorized as Principals and Vice-Principals.
- Superintendents, Associate Superintendents, Secretary-Treasurers, Trustees and other employees excluded from union contracts are categorized as Other Professionals.

Allocation of Costs

- Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and Indigenous education, are allocated to these programs. All other costs are allocated to related programs.
- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals' and Vice-Principals' salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

YEAR ENDED JUNE 30, 2022

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

l) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract. Financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities.

All financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of these instruments upon initial recognition. Transaction costs are incremental costs directly attributable to the acquisition or issue of a financial asset or a financial liability.

All financial assets, except derivatives are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.

m) Measurement Uncertainty

Preparation of financial statements in accordance with the basis of accounting described in Note 2(a) requires management to make estimates and assumptions that impact reported amounts of assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits. Actual results could differ from those estimates.

n) Future Changes in Accounting Policies

PS 3280 Asset Retirement Obligations, issued August 2018, establishes standards for recognition, measurement, presentation and disclosure of legal obligations associated with the retirement of tangible capital assets and is effective July 1, 2022. A liability will be recognized when, as at the financial reporting date:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

Liabilities are recognized for statutory, contractual or legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs capitalized into the carrying amount of the related tangible capital asset. In subsequent periods, the liability is adjusted for accretion and any changes in the amount or timing of the underlying future cash flows. The capitalized asset retirement cost is amortized on the same basis as the related asset and accretion expense is included in the Statement of Operations.

A modified retroactive application has been recommended by Government. Management is in the process of assessing the impact of adopting this standard on the School District's financial results.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

n) Future Changes in Accounting Policies (continued)

PS 3400 Revenue, issued November 2018, establishes standards on how to account for and report on revenue and is effective July 1, 2023. Specifically, it differentiates between revenue arising from transactions that include performance obligations, referred to as "exchange transactions", and transactions that do not have performance obligations, referred to as "non-exchange transactions".

Revenue from transactions with performance obligations should be recognized when (or as) the School District satisfies a performance obligation by providing the promised goods or services to a payor.

Revenue from transactions with no performance obligations should be recognized when a School District:

- Has the authority to claim or retain an inflow of economic resources; and
- Identifies a past transaction or event that gives rise to an asset.

This standard may be applied retroactively or prospectively. Management is in the process of assessing the impact of adopting this standard on the School District's financial results.

Deferred capital revenue includes grants and contributions received that are restricted by the contributor for the acquisition of tangible capital assets that meet the description of a restricted contribution in the Restricted Contributions Regulation 198/2011 issued by the Treasury Board. Once spent, the contributions are amortized into revenue over the life of the asset acquired. Detailed information about the changes in deferred capital revenue is included in Schedule 4C and 4D.

NOTE 8 EMPLOYEE FUTURE BENEFITS

Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits. NOTE 10 CONTRACTUAL OBLIGATIONS AND CONTINGENCIES

The School District, in conducting its usual business activities, is involved in legal claims and litigation. In the event any unsettled claims are successful, management believes that such claims are not expected to have a material effect on the School District's financial position.

NOTE 11 EMPLOYEE PENSION PLANS

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan, (jointly trustee pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits are based on a formula. As at December 31, 2021, the Teachers' Pension Plan has about 50,000 active members and approximately 40,000 retired members. As of December 31, 2021, the Municipal Pension Plan has about 227,000 active members, including approximately 29,000 from School Districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation of the Teachers' Pension Plan as at December 31, 2020 indicated a \$1,584 million surplus for basic pension benefits on a going concern basis.

**SCHOOL DISTRICT NO. 69 (QUALICUM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

NOTE 11 EMPLOYEE PENSION PLANS (continued)

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2018 indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The School District paid \$4,192,989 for employer contributions to these plans in the year ended June 30, 2022 (2021 - \$4,036,337).

The next valuation for the Teachers' Pension Plan will be as at December 31, 2023. The next valuation for the Municipal Pension Plan will be as at December 31, 2021, with results available in 2022.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.

NOTE 18 PRIOR PERIOD ADJUSTMENT

On May 28, 2021, the Office of the Comptroller General directed all school districts to apply the half-year rule method of amortization beginning in the fiscal year an asset is placed into service. This directive applies to both past and future purchases. Prior to this directive, the School District did not recognize amortization in the first partial service year. The School District has made a retroactive adjustment to recognize amortization of all assets and deferred capital contributions beginning in the first service year. The impact of the prior period adjustment on the June 30, 2021 comparative amounts is as follows:

NOTE 19 RISK MANAGEMENT

The School District has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk.

The Board ensures that the School District has identified its risks and ensures that management monitors and controls them.

a) Credit risk:

Credit risk is the risk of financial loss to an institution if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise principally from certain financial assets held consisting of cash and cash equivalents, amounts receivable and investments.

The School District is exposed to credit risk in the event of non-performance by a debtor. This risk is mitigated as most amounts receivable are due from the Province and are collectible.

It is management's opinion that the School District is not exposed to significant credit risk associated with its cash deposits and investments as they are placed in recognized British Columbia institutions and the School District invests solely in the Central Deposit Program with the Ministry of Finance.

b) Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk and interest rate risk.

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. It is management's opinion that the School District is not exposed to significant currency risk, as amounts held and purchases made in foreign currency are insignificant.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The School District is exposed to interest rate risk through its investments. It is management's opinion that the School District is not exposed to significant interest rate risk as they invest solely in the Central Deposit Program with the Ministry of Finance.

NOTE 19 RISK MANAGEMENT (continued)

c) Liquidity risk:

Liquidity risk is the risk that the School District will not be able to meet its financial obligations as they become due.

The School District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the School District's reputation.

Risk Management and insurance services for all School Districts in British Columbia are provided by the Risk Management Branch of the Ministry of Finance. There have been no changes to risk exposure from 2021 related to credit, market or liquidity risks.

---	--	-----------------------------

DIFFERENCE BETWEEN SCHEDULED PAYMENTS AND FINANCIAL STATEMENT EXPENDITURES		<u><u>(671,594)</u></u>
---	--	--------------------------------

EXPLANATION OF DIFFERENCE

The schedule of payments for the provision of goods and services differs from the financial statements in the following ways:

- 100% of GST paid to suppliers is included, whereas the financial statement expenditures are net of the GST rebate
- Third party recoveries of expenses from PAC and school fundraising activities may not all be adjusted for in the schedules
- Employee benefits may be duplicated in the schedule of payments where also reported in employee remuneration
- Travel expenses that are paid directly to suppliers may be duplicated in employee expenses
- Other miscellaneous cost recoveries that may not have been deducted from the scheduled payments

The financial statements are reported on an accrual basis, and include payroll liabilities that are not reflected in the schedule of remuneration and expenses, and accounts payable balances that are not reflected in the schedule of payment for the provision of goods and services. Changes in liability balances from year to year affect the financial statement expenditures but not the scheduled payments which are reported on a cash basis.
