ADMINISTRATIVE PROCEDURES TO BOARD POLICY 705

CORPORATE/COMMUNITY SPONSORSHIPS, PARTNERSHIPS AND
ADVERTISING IN SCHOOLS

Purpose

These Administrative Procedures are written in support of Policy 705: Corporate/ Community Sponsorships, Partnerships, and Advertising in Schools.

The Board of Education supports the development of sustainable education-business relationships between the Board, its schools, and the community provided they do not compromise the District's commitment to maintaining safe, caring and inclusive schools.

The Board or, in the case of a school, the Principal or designate, in consultation with school partner groups, shall have the authority to decline any form of donation, sponsorship or partnership that is inconsistent with the values, principles or policies of the School District or the particular school.

No employee of the School District shall accept a personal gift in cash or kind, or benefit from the corporate sponsor or donor. Corporate involvement programs shall not limit the discretion of the schools, teachers, and the School District in the use of sponsored materials.

Sponsorships or sponsorship agreements exceeding \$25,000 in amount or longer than one (1) year in duration shall be confirmed by contract through the School District. Proposals shall be sent to the Secretary Treasurer's office with a detailed rationale to obtain appropriate approvals and/or draw up proper legal agreements in consultation with all stakeholder groups.

Each sponsorship arrangement should have an agreed upon sponsor acknowledgement plan prior to accepting the sponsorship or donation. The sponsor acknowledgement plan shall be approved by the school principal in consultation with the education partner groups for school level sponsorships. The Secretary Treasurer's office will ensure the sponsor acknowledgement plan is acceptable and consistent with this policy for District-wide sponsorship agreements.

Sponsor or partner activity must not infringe on any collective agreement or labour relations' practices.

Advertising

In general, the sales, the promotion of sales or the support to sales by canvassing, advertising or by other means on the part of any commercial enterprise may be seen as a violation of the safe and secure environment for students or an invasion of the privacy of parents or teachers.

Recognized charitable organizations and agencies and other organizations having educational and community services attributes may be allowed the opportunity to approach school principals or designated Board staff at the discretion of the Superintendent.

Local businesses or donors may be solicited for sponsorship in exchange for limited space advertising in schools publications such as yearbooks, brochures and programs, with the principal's approval.

ADMINISTRATIVE PROCEDURES TO BOARD POLICY 705

**CORPORATE/COMMUNITY SPONSORSHIPS, PARTNERSHIPS AND
ADVERTISING IN SCHOOLS**

Distribution of materials supplied by genuine, community-oriented organizations may be authorized by the Superintendent, provided that they do not demand undue disruption of school time or routine, and provided that they do not contain political, religious or inflammatory material/messages/images which might create unfavourable community reaction and/or run counter to School District values.

Partnerships

The Board supports and encourages partnerships that:

- Treat the educational and personal welfare of students as the paramount concerns and are in accordance with the highest ethical standards and considerations
- Address an identifiable educational or operational purpose or need consistent with the School District's strategic priorities, statements of purpose, and the provincial goals of education
- Increase the equitable access of students to high quality educational programs, service or learning resources.

Donations

The School District is able to issue tax receipts for cash donations and donations of furniture, equipment or similar items valued \$1000 or less. In accordance with Canada Revenue Agency's Policy 413, donated items valued at more than \$1000 must be independently assessed by a third party before the School District can issue a tax receipt. A sponsorship payment from a business for which the business receives a material advantage such as promotion or advertising (for example, in a press release) as part of an acknowledgement plan may not be eligible for a tax receipt under Canada Revenue Agency's rules.

New or used equipment must be at a standard acceptable for use in classrooms and schools and meet School District specifications. Equipment must be installed according to the standards of the School District. The school principal shall consult with the appropriate Board office staff to make this determination. The school and/or School District must consider costs of installation, maintenance, repairs, and training, where necessary, to ensure funds are available to support the acquisition of the donated equipment. If accepted, donations shall become the property of the School District.

District Parent Advisory Council/Parent Advisory Council (PAC)

The District Parent Advisory Council and a school's Parent Advisory Council (PAC) are often successful fund-raising groups whose efforts facilitate the acquisition of equipment, goods or services in support of one or more schools. Decisions on the methods of raising funds for a school shall be made in consultation with the Superintendent of Schools and/or the school's Principal in accordance with School District policies and administrative procedures.
