On April 5, 2024, Arrowview Elementary School will be hosting the 2nd annual BWCF - Brant Wildlife Children's Festival in their gymnasium. This event is a Celebration of Learning where students show their work together with local Community Groups. This festival is part of the larger [Brant Wildlife Festival](#)

Please join us for this public celebration of learning orchestrated by Arrowview Elementary students and teachers together with the Qualicum Beach Streamkeepers. The Brant Wildlife Children's Festival underscores our community's passion for collaboration and the environment featuring educational displays from over 25 different Vancouver Island groups together with students from preschool through high school. This event provides insight into our youth's devotion for preserving nature, while paralleling the community groups' endeavours. Bridging the gap between classrooms and the community, fostering a collective sense of responsibility for the environment together.

This is also a good opportunity for you to connect with local community groups. To date several groups have confirmed their participation including:

Arrowsmith Naturalists	Mount Arrowsmith Biosphere Region
Arrowview Kids Club	Research Institute - VIU
BC Conservation Federation	Nanaimo Area Land Trust
BC Ministry of Forestry	Nanaimo Science
BroomBusters	North Island Wildlife Recovery Association
Deep Bay Marine Center	Ocean Networks Canada - University of Victoria
Department Fisheries and Oceans	Pauline Pike Art
D.R. Clough Consulting - David R. Clough,	Qualicum Beach Library
RPBio	Qualicum Beach Museum
Fridays For the Future	Qualicum Beach Streamkeepers
Hamilton Wetlands and Forest Preservation Society	RDN - Drinking Water & Watershed Protection
KSS Student Voice	Resilient Coasts For Salmon - Pacific Salmon Foundation
Mid Vancouver Island Habitat Restoration Society	Rosemary Taylor - pollinator display
Milner Gardens - Vancouver Island University	Terry Taylor - mushroom display
Mount Arrowsmith Biosphere Region
