

Raising Confident, Competent Children

**Tuesday, February 17, 6:30 – 7:30 p.m.
Parksville Library (100 Jensen Avenue East)**

Join us at Parksville Library for an evening parenting workshop with Island Health. This workshop focuses on fostering skills in your child to develop confidence, communication skills, self-esteem and problem solving.

Suitable for parents with children from 2 to 10 years. No registration required.
