

## SCHOOL DISTRICT No.69 (QUALICUM)

March 2021

Dear Parent(s)/Guardian(s):

### **RE: BUILDING COHORTS FOR LEARNING ENVIRONMENTS FOR 2021-2022**

During the next month, staff at our schools will begin the complex process of forming learning groups for the upcoming school year. This work includes projecting student enrollment and creating environments that make the most effective use of our staff and most importantly, building balanced student groupings that can work together cohesively as learning communities. This is a challenging task as there are many factors that must be taken into consideration including:

- Social and emotional dynamics
- Academic strengths and needs
- Unique learning needs
- Class size goals

Staff take this work very seriously and collaborate extensively in order to make the best decisions about student placement. We strive to shape learning environments which will support the needs of **all** students.

There are many unknowns as we begin this task. For example:

- We are not sure who all of the teachers will be at our schools next year as the annual staffing process is not completed until late June
- Some staff members may request, or be asked, to change their assignment for next year
- We are never completely clear about our enrollment until early September so learner groupings must remain somewhat fluid

As a result, the learner groupings that we create in spring are tentative and are not finalized until early in the new school year. For this reason, learner groupings will be kept confidential until they are finalized in September.

If you would like to provide staff at your child's school with input for next year, we encourage you to:

1. Talk to your child's current teacher; and then,
2. Send a note to the school principal outlining what you see as your child's learning needs, preferred learning style, or any other information you think might be relevant as staff work through the task of shaping learning environments for the upcoming year.

We ask that you do not request a specific teacher. Your input will be considered along with the other complex variables that go into constructing a learning group.

The deadline for submitting information regarding your child's learning group placement is **Thursday, April 15, 2021**.

Sincerely,

Gillian Wilson  
Associate Superintendent of Schools
