

CEAP WEEKLY NEWS

From Ms. Huggins & Ms. Rae

Hello CEAP Parents/Guardians,

This Thursday will be a very fun interaction day for the grade 4-7 students. The Liaison Officer for the School District will be coming to CEAP to talk to the students about Internet Safety. This presentation will start at 9:15 a.m. so please arrive on time. We will then walk down to Crossfit, so please have your son/daughter dress in clothing that is suitable for being active.

Kindergarten orientation is on Tuesday Jan. 24 from 2:00-3:00 p.m. If your son/daughter will be attending CEAP in September you're welcome to come by and spend some time in the classroom.

Just a reminder that when attending your portfolio review please bring the following with you: any items you would like to hand in and the portfolio review template. These meetings are essential for us to be able to effectively report on your son/daughter's learning in term #1 so it is important you are bringing in evidence of learning from all subject areas.

For the month of February we will be doing Coding during Makerspace from 12:30-2:00 p.m. on Wednesdays. If you'd like your child to attend the first workshop on Feb. 1st (presenter Mike Silverton of Coding Quest) and then continue attending Makerspace in February please email to confirm so Ms. Huggins can create accounts for all participants. Spaces are filling up fast!

Makerspace this week will be at a slightly different time. Makerspace will be from 12:00-1:30 p.m. If you have any old electronics or wood you are able to donate, we would love to use it for Makerspace!

Have a fantastic week of learning!

Ms. Huggins & Ms. Rae
