## SCHOOL DISTRICT NO. 69 (QUALICUM)

### Voluntary Student Accident Insurance

To Parents/Guardians:

The Qualicum School District does not insure expenses for student injuries that occur on school grounds or during school activities. Those expenses are the responsibility of the parent/guardian unless the School Board is proven liable for an injury.

Therefore, the Board of Education encourages all parents to obtain student accident insurance, either through their own insurance agent or through a private insurance plan.

The Board of Education provides the opportunity for families to voluntarily purchase student insurance through the Kids Plus<sup>TM</sup> Accident Insurance Voluntary Plan, underwritten by Industrial Alliance Insurance and Financial Services Inc. During the first week of school, all students will receive a brochure to bring home containing information about the voluntary insurance plan. Extra copies will be available at each school.
